TITLE 8—ALIENS AND NATIONALITY

Chapter I—Immigration and Naturalization Service, Department of Justice

IMMIGRATION AND NATIONALITY REGULATIONS

Reference is made to the notice of proposed rule making which was published in the FEDERAL REGISTER of November 6, 1952 (17 F. R. 9989), and in which there were stated in full the details of the proposed issuance of rules implementing the Immigration and Nationality Act (66 Stat. 163). As a result of the representations which were received concerning the proposed rules, numerous amendments to those rules have been made. The amendatory rules, as set out below, are hereby adopted. The general basis and purpose of the adopted rules is the implementation of the Immigration and Nationality Act. The rules stated below shall become effective on December 24, 1952. Compliance with the delayed effective date provisions of section 4 of the Administrative Procedure Act (60 Stat. 238; 5 U. S. C. 1003) is impracticable and contrary to the public interest in this instance, since such compliance would unduly delay and impede the administration and enforcement of the Immigration and Nationality Act which becomes effective on December 24, 1952.

Note: The record-keeping and reporting requirements of these regulations have been approved by the Bureau of the Budget in accordance with the Federal Reports Act of 1942.

JAMES P. McGRANERY,
Attorney General.

DECEMBER 17, 1952.

Recommended:

ARGYLE R. MACKAY,

(1) A company holding a certificate from the Secretary of the Treasury under Title 6, Sections 6-13, United States Code, as an acceptable surety on Federal bonds;

(2) A surety who deposits United States bonds or notes of the class described in section 15 of Title 6, United States Code, and Treasury Department regulations issued pursuant thereto, which bonds or notes are not redeemable within one year from the date on which they are offered for deposit; or

(3) Sureties shall be two in number, each of whom shall justify separately in real property not exempted from levy and sale upon execution, which real property is actually valued, over and above all encumbrances, at double the amount of the bond, and each of whom shall, in addition to making such justification, satisfactorily establish to the immigration officer authorized to approve the bond that his net worth, over and above all obligations and liabilities of any kind, secured or unsecured, is equal to double the amount of the bond.

(b) *Approval; extension agreements; consent of surety; collateral security.* Regardless of the section of law or regulations under which a bond is required, district directors and officers in charge are authorized, either directly or through officers or employees designated by them to approve bonds which are prepared on a form approved by the Commissioner, provided no substantial change is made in the conditions printed on such form. Such officers are also authorized to approve formal agreements by which a surety consents to an extension of his liability on any such bond and to approve any power of attorney executed on Form I-312 or Form I-313 which purports to authorize the delivery after its release of collateral deposited to secure the performance of any such bond to some person or concern other than the depositor thereof. Unless otherwise specifically provided in this chapter or by the Commissioner in any case or class of cases, bonds prepared on forms approved by the Commissioner, all agreements of extension of liability relating thereto, and all powers of attorney for delivery of collateral security deposited in connection therewith shall be retained at the office of the Service where approved. Bonds prepared on any form other than one approved by the Commissioner, or bonds prepared on any such forms in which the conditions have been materially altered, agreements of extension of liability relating thereto, and any powers of attorney to receive back collateral deposited in connection therewith, shall be submitted to the Commissioner for approval. Regardless of the form on which the bond is prepared, any power of attorney not executed on Form I-312 or Form I-313, purporting to authorize the delivery after its release of any deposit of collateral security to some person or concern other than the depositor thereof, shall be forwarded, together with the bond and all appurtenant documents, to the Commissioner for approval. In the same manner, all requests for delivery of collateral security to a person other than the depositor or his approved attorney in fact shall be

forwarded to the Commissioner for approval. Instruments and other papers forwarded to the Commissioner under the provisions of this paragraph shall be handled by the General Counsel.

(c) *Violation of conditions; cancellation.* (1) Whenever it shall appear that a condition of a bond executed in connection with the administration of the immigration laws may have been violated, the bond, all appurtenant documents, and a full report of the circumstances, shall be forwarded to the district director having administrative jurisdiction over the office where the bond is retained for decision as to whether the conditions of the bond have been met so that it may be cancelled, or whether any condition of the bond has been violated so that liability thereunder should be enforced, or whether the circumstances are such that the bond should be continued in effect. If the obligors are adversely affected by the decision of the district director, they shall be notified by the district director in writing on Form I-323 of his decision and of their right to appeal to the Assistant Commissioner, Inspections and Examinations Division, in accordance with Part 7 of this chapter, by filing a Notice of Appeal, Form I-290B, at the office of the district director within 10 days from the receipt of notification of such decision. No appeal shall lie from the decision of the Assistant Commissioner, Inspections and Examinations Division.

(2) If all the conditions of a bond executed in connection with the administration of the immigration laws have been complied with and the obligation has thereby been discharged by its own terms, the district director shall so notify the obligors on Form I-391. Similar notice shall be given if all the conditions of the bond have been complied with and—

(i) The alien has departed from the United States;

(ii) The alien has died;

(iii) The alien has been naturalized as a citizen of the United States;

(iv) A new bond has been furnished to replace the existing bond; or

(v) In the case of a delivery bond, the warrant of arrest or deportation has been cancelled, or the alien's application for suspension of deportation has been approved, or the alien has been imprisoned, or inducted into the armed forces of the United States.

section, any final decision made by the Commissioner prior to the effective date of the Immigration and Nationality Act and of this chapter with respect to any case within the classes of cases enumerated in paragraphs (1), (2), (3), (4), and (5) of § 6.1 (b) shall be regarded as a decision by the Board.

SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 6.11 Notice of appeal.—(a) *Written decision.* Whenever an alien or other party affected by a written decision is entitled under this chapter to appeal to the Board, he shall be given written notice that he may appeal from such decision; that such appeal may be taken by filing with the district director or officer in charge having administrative jurisdiction over the case two copies of Notice of Appeal, Form I-290A; and that such appeal must be taken within the number of days provided for in the particular section of this chapter relating to such appeal. The Forms I-290A shall be enclosed with the notice. The party taking the appeal may file with the Notice of Appeal a brief in support of his appeal. The party affected may waive the submission of such brief. The district director, the officer in charge, or the Board, in their discretion, for good cause shown, may extend the time within which the brief may be submitted. One copy of the Notice of Appeal shall be retained in the office where the proceedings are pending and one copy placed in the file relating to the case. The certification of a case as provided in this part shall not relieve the party affected from compliance with the provisions of this section in the event such party is entitled, and desires, to appeal from an initial decision, nor shall it serve to extend the time specified in the applicable parts of this chapter for the taking of an appeal. The departure from the United States of a person who is the subject of deportation proceedings, prior to the taking of an appeal from a decision in his case, shall constitute a waiver by such person of the right to appeal.

(b) *Oral decision.* Whenever an alien or other party affected by an oral decision is entitled under this chapter to appeal to the Board, such appeal shall be taken as provided in the particular section of this chapter relating to such appeal.

§ 6.12 Withdrawal of appeal. In any case in which an appeal has been taken, the party taking the appeal may file a written withdrawal of such appeal with the officer with whom the notice of appeal was filed. If the record in the case has not been forwarded to the Board on appeal in accordance with § 6.13 the decision made in the case shall be final to the same extent as though no appeal had been taken. If the record has been forwarded on appeal, the withdrawal of the appeal shall be forwarded to the Board and, if no decision in the case has been made on the appeal, the record shall be returned to the officer in charge and the initial decision shall be final to the same extent as though no appeal had been taken. If a decision on the appeal was made by the Board in the case, further action shall be taken in accordance

therewith. Departure from the United States of a person who is the subject of deportation proceedings subsequent to the taking of an appeal but prior to a decision thereon shall constitute a withdrawal of the appeal and the initial decision in the case shall be final to the same extent as though no appeal had been taken.

§ 6.13 Forwarding of record on appeal. If an appeal is taken from a decision, either written or oral, as provided in this chapter, the entire record of the proceeding shall be forwarded to the Board by the district director or the officer in charge having administrative jurisdiction over the case:

(a) Upon receipt of the Notice of Appeal and brief in support thereof if the decision appealed from was in writing; or

(b) Upon receipt of the brief in support of an appeal taken orally if the decision appealed from was oral; or

(c) Upon expiration of the time allowed for the submission of the brief; or

(d) Upon receipt of a written waiver of the right to submit a brief.

§ 6.14 Stay of execution of decision. The decision in any proceeding under this chapter from which an appeal to the Board may be taken shall not be executed during the time allowed for the filing of an appeal unless a waiver of the right to appeal is filed, nor shall such decision be executed while an appeal is pending or while a case is before the Board by way of certification.

§ 6.15 Notice of certification. Whenever in accordance with the provisions of § 6.1 (c) a case is required to be certified to the Board, the alien or other party affected shall be given notice of certification. A case shall not be certified until an initial decision has been made and no appeal has been taken. If it is known at the time of making the initial decision that the case will be certified, the notice of certification shall be included in such decision and no further notice of certification shall be required. If it is not known until after the initial decision was made that the case will be certified, the district director or the officer in charge having administrative jurisdiction over the case shall cause a Notice of Certification (Form I-290C) to be served upon the party affected. In either case the notice shall inform the party affected that the case is required to be certified to the Board and of the right to make representation before the Board, including oral argument and submission of brief, if desired. The brief shall be submitted to such district director or officer in charge for transmittal to the Board within 10 days from receipt of the notice of certification, unless for good cause shown the district director, officer in charge or the Board extends the time within which the brief may be submitted. The party affected may waive the submission of such brief. The case shall be certified and forwarded to the Board by the district director or officer in charge upon receipt of the brief, or the expiration of the time within which the brief may be submitted, or upon receipt of a written waiver of the right to submit a brief.

§ 6.16 Fees. A notice of appeal or a motion filed under this part by any person other than an officer of the Service shall be accompanied by the fee specified in Part 2 of this chapter which fee shall be remitted in accordance with the provisions of Part 2. The Board may, in its discretion, authorize the prosecution of any such appeal or motion, without prepayment of fees by an alien or other party affected who makes affidavit that he is unable to pay such fees. Such affidavit shall state the nature of the motion or appeal, and the affiant's belief that he is entitled to redress. An appeal may not be taken in forma pauperis, nor may a motion be filed in forma pauperis if the officer of the Service from whose decision the appeal is taken or with respect to whose decision the motion is addressed certifies in writing that the appeal or motion is not taken or made in good faith.

§ 6.21 Motion to reopen or motion to reconsider.—(a) *Form.* Motions to reopen and motions to reconsider shall be submitted in triplicate. A request for oral argument if desired shall be incorporated in the motion. The Board in its discretion may grant or deny oral argument. Motions to reopen shall state the new facts to be proved at the reopened hearing and shall be supported by affidavits or other evidentiary material. Motions to reconsider shall state the reasons for reconsideration and shall be supported by such precedent decisions as are pertinent. SUBPART B—PROCEDURAL AND OTHER NON-SUBSTANTIVE PROVISIONS [RESERVED]

Subchapter B—Immigration Regulations

Note: Explanation of numbering system utilized in this subchapter. Each part of this subchapter has been given the same number as the section of the Immigration and Nationality Act to which it relates. For example, Part 243 concerns only section 242 of the Immigration and Nationality Act. Each part of this subchapter is divided into two subparts: Subpart A—Substantive Provisions and Subpart B—Procedural and Other Nonsubstantive Provisions. Each section of Subpart A bears a number consisting of the part number followed by a decimal point and by a single digit beginning with "1" and continuing to "9", using as many as required. For example, § 243.1 is the first substantive section of Part 243 and § 243.9 is the ninth substantive section of Part 243, assuming there existed nine substantive sections in Part 243. When a substantive section is required to be implemented by one or more procedural sections, the relating procedural section or sections bear the same number as the substantive section to which it relates plus one additional digit to the right of the decimal point beginning with "1" for the first procedural section and continuing to "9", if that many are required. For example, § 243.11 is the first procedural section implementing the first substantive section of Part 243 and § 243.17 is the seventh procedural section implementing the eighth substantive section of Part 243. If a substantive section does not require procedural sections, no procedural section numbers will appear for that particular substantive section.

SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 212.11 *Nonresident alien's border crossing identification card—(a) Form.* For the purposes of section 212 (a) (26) of the Immigration and Nationality Act and this part, Form I-186 (Nonresident Alien's Border Crossing Identification Card) shall be accepted as a nonresident alien's border crossing card when it is in the possession of and presented by the rightful holder thereof during the period of its validity.

(b) *Use.* The rightful holder of a valid nonresident alien's border crossing identification card may present such card in lieu of a nonimmigrant visa, if such visa is required, when arriving direct from Canada or Mexico and applying for admission to the United States at any land or water port of entry or an international airport in the continental United States or Alaska. The presentation of

such card shall not otherwise relieve the holder from establishing his admissibility to the United States under the applicable provisions of the Immigration and Nationality Act.

(c) *Form I-186; who may apply.* A nonresident alien's border crossing identification card may be issued to any alien who, upon application therefor, (1) submits satisfactory evidence that he is a Canadian citizen or a British subject residing in Canada, or a native-born citizen of Mexico residing therein, (2) presents a valid unexpired passport required of nonimmigrants, unless a passport is not required to be presented under the provisions of this part, (3) desires temporary admission into the continental United States for a period or periods of not more than 72 hours each, and (4) is admissible to the United States: *Provided, however,* That no such card shall be issued unless the applicant is known or shown to be a person who has complied fully with all provisions applicable to him of laws, regulations, Executive orders, or other governmental requirements regulating the entry of aliens to the United States: *And provided further,* That such card may be issued to an applicant who desires temporary admission into the United States for more than 72 hours if such applicant desires such card to facilitate admission and is (1) a citizen of and has his residence in, Canada, and is entitled under § 212.3 (a) to enter the United States for less than six months without presenting a visa, border crossing identification card, or passport, or (2) a British subject having his residence in Canada, and entitled under § 212.3 (b) to enter the United States for less than 30 days without presenting a visa, border crossing identification card, or passport.

(d) *Application.* Application for a nonresident alien's border crossing identification card shall be made on Form I-190 at any office of the Service located at any land or water port of entry or international airport in the continental United States or Alaska or at any office of the Service located in Canada. The applicant shall appear in person, shall execute his application under oath before an immigration officer, and shall be fingerprinted. The applicant shall furnish a photograph prepared in accordance with the provisions of Part 10 of this chapter. If, because of unusual circumstances, it would be a hardship for the applicant to obtain a photograph, the officer considering the application may, in his discretion, waive the furnishing of such photograph.

(e) *Disposition of application.* If the applicant is found to have the qualifications specified in paragraph (c) of this section, the identification card shall be issued to him by the examining immigration officer. Entries on the card shall be made by typewriter, if practicable, or in ink. The applicant shall sign his full name on the card in ink, unless unable to sign his name. The applicant's photograph shall be fastened on the card unless the furnishing of the photograph is waived, in which case the print of his right index finger shall be placed on the card in lieu of his photograph. The card

shall be valid for an initial period of two years, unless in the discretion of the issuing officer a shorter period of validity is desired because of special circumstances. The period of validity shall be noted on the card and on the application. The issuing officer may, in his discretion or upon direction of his superior officer, issue the card subject to such conditions as appear to be proper under the circumstances and such conditions shall be noted on the card and on the application. The identification card shall be delivered to the applicant on his personal appearance at the office where the application is filed, except that when justified by unusual circumstances, the card may be delivered to him by mail prior to his application for admission to the United States. If the examining immigration officer, in his discretion, determines that a nonresident alien border crossing card should not be issued, he shall deny the application. No appeal shall lie from a denial of the application but such denial shall be without prejudice to the alien's applying for admission to the United States under applicable provisions of the Immigration and Nationality Act.

(f) *Extension.* The rightful holder of a nonresident alien's border crossing identification card issued for a fixed period who meets the eligibility requirements of paragraph (c) of this section may, during the period of the validity of such card, apply for an extension of such period, or, if the period of validity has expired, may apply for a revalidation of such card. In no event shall such card be extended or revalidated beyond a date six years from the date of its original issuance.

(g) *Surrender.* Any nonresident alien's border crossing identification card issued prior to November 14, 1941, which comes to the attention of an officer of the Service shall be surrendered by the holder and returned to the original issuing office. Any nonresident alien's border crossing identification card issued by the Service which is presented by a person who does not have the qualifications set forth in paragraph (c) of this section, or any nonresident alien's border crossing identification card which is presented by a person who is making improper use of the card, or who is not the rightful holder thereof, shall be surrendered by the holder and returned to the original issuing office, with a report of the reasons therefor: *Provided, however,* That no card shall be required to be surrendered if found in the possession of an alien applying for admission to the United States unless and until the holder has been excluded by a special inquiry officer. If a nonresident's border crossing identification card issued by the Service has been lost, mutilated, or destroyed, the person to whom such card was issued may make an application for a new card in accordance with the provisions of this section, and in such case shall attach the mutilated card to his application for return to the office of issuance.

(b) *Disposition.* The district director receiving an application for consent to reapply for admission may, in his discretion, grant or deny such application. He shall note his decision on the application and, if the application is denied, the reason for its denial. The applicant shall be given written notice of the decision. When Form I-192 is not readily available and the case is one of unforeseen emergency, the application shall be in writing and shall contain all the information required by such form. Whenever it is impracticable for an applicant to execute the application, it may be executed by his parent, guardian, attorney or representative, and in such cases, the application need not be under oath and need not be executed before a consular officer.

(b) *Filing of application.* If an applicant for the benefits of section 212 (d) (3) of the Immigration and Nationality Act is not in possession of a nonimmigrant visa and is not exempt from the presentation of such visa, the application shall be filed with the consular officer before whom the alien is required to apply for his nonimmigrant visa. In all other cases, the application shall be filed with the Assistant Commissioner, Inspections and Examinations Division.

(c) *Disposition of application.* If the Secretary of State or the consular officer recommends that an alien be admitted temporarily to the United States despite his inadmissibility, the application shall be forwarded with such recommendation to the Assistant Commissioner, Inspections and Examinations Division, who, in his discretion, may grant or deny the application. The applicant and the Secretary of State shall be given written notice of the decision. If the application is denied, the applicant shall also be informed of the reasons therefor and of the right of the alien to appeal to the Board in accordance with the provisions of Part 6 of this chapter, within ten days from the receipt of notification of such decision. § 212.91 *Return of paroled alien.* If the district director or officer in charge who has paroled an alien into the United States in accordance with § 212.9 determines that the purpose of the parole has been served, the paroled alien shall be

If the district director or officer in charge is satisfied that the alien would be admissible provided such bond were furnished, he may admit the alien upon the furnishing of such bond. (2) A change by a trader from the activities specified in clause (1) of section 101 (a) (15) (E) of the Immigration and Nationality Act to the activities specified in clause (11) of said section or vice versa unless, prior to making such change, he obtains consent to do so from the district director having administrative jurisdiction over the district in which the trader resides.

An alien, otherwise admissible to the United States as a nonimmigrant of the class described in section 101 (a) (15) (F) of the Immigration and Nationality Act, shall not be eligible for admission to the United States in such nonimmigrant classification unless he agrees that while in the United States he will not enroll in any institution or place of study other than the one he is authorized to attend without prior consent of the district director having administrative jurisdiction over the place in which is located the institution or place of study the alien is authorized to attend, and unless he establishes that:

§ 221.6 *Form I-95; surrender by alien departing other than as a crewman.* At

the time of the departure from the United States of an alien who is in possession of a Form I-95A, the alien, if departing from the United States other than as a member of the crew, shall surrender such form to the representative of the transportation company as provided in §§ 231.31 (a) and 231.42 (a) of this chapter, or, if those sections do not apply and the alien is departing to Canada, to the Canadian immigration officer for delivery to the appropriate United States immigration officer at the port of departure. If such a departing alien is in possession of a Form 257a and the Form I-95A both forms shall be surrendered unless the Form 257a bears a valid nonimmigrant visa issued to him as a crewman pursuant to section 101 (a) (15) (D) of the Immigration and Nationality Act with enough of the period of validity remaining to enable the alien to use the visa for an additional voyage or voyages to the United States as a crewman.

the following information with respect to the applicant: (1) Name currently used; (2) address in the United States; (3) place and date of birth; (4) alien registration number; (5) occupation and description of business activities in the United States; (6) date, place and manner of lawful admission to the United States for permanent residence, or admission to the United States as a treaty merchant; (7) name used at time of arrival; (8) father's name and mother's maiden name; (9) name and address of person to whom he was destined at time of admission to the United States; (10) by whom accompanied at time of such admission; (11) country of which applicant is a citizen, subject, or national; (12) date, place, and manner of last arrival in the United States; (13) name used at the time of last arrival; (14) marital status on the date of filing application, and if married the name and address of spouse; (15) present personal description; (16) name of employer; (17) port and date of proposed departure, name of vessel or other means of transportation on which he is departing, length of proposed absence, and reasons for going abroad; and (18) temporary address abroad.

(b) *When filed.* An application for a reentry permit shall be filed at least 30 days before the proposed date of the applicant's departure.

(c) *Action on application.* If the district director is satisfied (1) that the applicant meets the eligibility requirements contained in section 223 of the Immigration and Nationality Act, (2) that the application is made in good faith, and (3) that the alien's proposed departure from the United States would not be contrary to the interests of the United States, he shall grant the application and issue the permit, which shall be valid for the time thereon specified, not to exceed one year. If the district director is not satisfied that the application should be granted he shall deny it. The applicant shall be notified in writing of the decision with the reasons therefor, unless the disclosure of the reasons would, in the opinion of the district director, be prejudicial to the public interest, safety or security, in which event the reasons shall not be stated. At that time, the applicant shall be advised that he has 10 days from the date of receipt of notification of the decision in which he may appeal to the Assistant Commissioner, Inspections and Examinations Division. If on such appeal the application is granted, the Assistant Commissioner shall notify the district director and the permit shall be issued by that officer. Notice to an applicant to call for the delivery of the permit shall constitute notice to him of the favorable decision made in the case, either initially or on appeal. If the application is denied and no appeal is taken, or is denied on appeal, the fee shall be returned to the applicant.

§ 223.12 *Reentry permit—(a) Form.* Reentry permits shall be issued on Form I-132, shall indicate whether they are issued under paragraph (a) (1) or (a) (2) of section 223 of the Immigration and Nationality Act, and the period of

validity. In any case in which a reentry permit is valid for readmission only to Hawaii, such limitation shall be noted conspicuously on the face of the Form I-132.

(b) *Period of validity; extensions.* A reentry permit shall be valid for such period as the district director granting the application shall authorize, not to exceed one year from the date of issuance. An application for extension of a reentry permit shall be addressed to and filed with the district director having administrative jurisdiction over the applicant's place of residence in the United States. Such application shall be in writing and shall state (1) the applicant's name and address in the United States; (2) when, where, and the manner in which he departed from the United States; (3) port of landing and date of his arrival abroad; (4) countries visited by him in the order visited; (5) his reasons for requesting an extension and the period for which the extension is desired; and (6) his address to which the permit is to be returned. The application shall be executed under oath and shall be accompanied by the reentry permit sought to be extended. If executed in the United States the application may be sworn to or before any officer generally authorized to administer oaths, or before an immigration officer, without fee. If executed abroad it shall be executed before a consular officer. If the district director is satisfied that the period of validity should be extended, he may grant an extension for such period as to him shall appear appropriate, in no event, however, to exceed one year from the original expiration date. The extended period shall be noted on the permit, which shall be delivered to the applicant in person or by mail, or, if the applicant is outside the United States, the permit shall be forwarded to a consular officer abroad for delivery to the applicant. If the district director concludes that the requested extension should not be granted, he shall forward the application for the extension and all related papers to the Assistant Commissioner, Inspections and Examinations Division for decision. If the extension is granted by the Assistant Commissioner, the application and related papers shall be returned to the office of origin. The district director shall thereupon appropriately note the permit and forward it to the applicant in the manner provided herein. If the extension is denied, the fee shall be refunded, and the permit shall be returned to the applicant in the manner provided herein if the remaining period of its validity permits its use for return to the United States. Any number of extensions may be granted provided the period of validity does not extend beyond one year from the original expiration date of the permit.

(c) *Delivery.* The reentry permit shall be forwarded to the office of the Service designated by the applicant in the application, and the applicant shall obtain it from that office in person prior to his departure from the United States, except as provided in paragraph (d) of this section. The officer effecting de-

livery of the permit shall require the person calling for it to identify himself as the applicant, and, in the event minor discrepancies have been noted by the issuing officer, the officer effecting delivery shall obtain satisfactory explanation from the applicant as to such discrepancies. The applicant shall sign his name on the permit in the presence of the delivering officer. The officer making delivery shall place his signature in such manner that it shall cover part of the photograph and part of the permit. If for any reason it is concluded that the permit should not be delivered, it shall be returned to the district office of origin with a report of the reasons for non-delivery. In the event it is then determined on the basis of such report or upon reconsideration of the application that the permit should not be issued, the application shall be denied in the same manner as though it had not been granted previously and the applicant shall have the same right to appeal.

(d) *Emergent cases.* If the applicant satisfactorily establishes that a bona fide emergency exists requiring his departure from the United States before a permit can be issued and delivered, the permit, if issued, may be forwarded to a consular officer abroad for delivery to the applicant in the manner prescribed in paragraph (c). The applicant shall be informed that the acceptance of his application does not assure the issuance of the permit.

(e) *Registrants under Selective Service Act.* No reentry permit or extension thereof shall be issued or granted to any alien who is legally subject to registration for service in the armed forces in the United States unless the applicant shall present a permit from his local Selective Service Board to depart from the United States. A reentry permit issued to such an alien may be made valid for a period which will coincide with the period of absence authorized by the local board, except that in no instance shall the period exceed one year. For reasons which may appear appropriate to the issuing district director, the period of validity of the reentry permit may be for a shorter period than the period of absence authorized by the local board.

§ 223.13 *Disposition of reentry permit—(a) Upon application for admission.* The holder of a reentry permit applying for readmission into the United States shall present the permit to the examining immigration officer at the port of arrival, who, if he finds that the alien is the rightful holder of the permit, that the permit has not expired, and that the alien is otherwise admissible, shall note thereon the disposition of the alien's application for readmission. If the alien is admitted and the period of validity of the permit has not expired, the permit shall be returned to the alien. If the alien is not admitted, the reentry permit shall be retained in the custody of the Service pending final disposition of the alien's application for admission. If the alien is ultimately excluded the permit shall be returned to the issuing office for appropriate disposition.

(b) *Upon expiration.* Upon the expiration of the period of validity of a re-

entry permit, the permit shall be surrendered by the holder to the issuing office. If any such expired permit has not been surrendered to the Service, no subsequent reentry permit shall be issued to the same alien unless he shall first surrender the expired permit, or satisfactorily account for his failure so to do.

SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 231.21 *Arrival manifests and lists for vessels; general directions for preparation—(a) Alien manifests.* Separate Form or Forms I-415 shall be prepared prior to the vessel's arrival at a port in the United States. The surname of the passengers shall be entered on such forms so far as practicable in alphabetical order:

(1) For alien immigrant passengers who embarked at the same port abroad and who are destined to disembark at the same port in the United States;

(2) For alien nonimmigrant passengers who embarked at the same port abroad and who are destined to disembark at the same port in the United States;

(3) For alien through passengers without regard to their port of embarkation abroad or the foreign country to which they are destined. Manifests for through passengers shall be submitted in duplicate. The headings of Forms I-415 covering through passengers shall be properly filled in so as to indicate the facts of arrival of the vessel, with the added notation "and proceed foreign via _____" (inserting the names of the other ports of call to be made in the United States on the voyage with the final port of call shown last). Such notation shall be entered under the words "Arriving at port of _____" appearing directly above columns 3 and 4 of the Form I-415.

In manifesting passengers under (1), (2), and (3), if the number of passengers does not exceed the number that can be manifested on one Form I-415, such passengers shall be grouped according to class of travel and manifested on one Form I-415 according to class, with the designation of the class noted in the body of the form at the head of each class group. If the number of such passengers exceeds the maximum number that can be listed on one Form I-415, the passengers shall be grouped according to class of travel and a separate Form I-415 shall be used to manifest the passengers in each class, and the designation of the class shall be shown in the heading of each form used.

(b) *Citizen or national manifests.* The foregoing procedure for the manifest grouping of alien passengers shall apply, so far as it is applicable, to the manifest grouping of passengers who are citizens or nationals of the United States, and in respect of through passengers who are citizens or nationals of the United States, the same notation prescribed in paragraph (a) (3) of this section shall be added directly above columns 3 and 4 of the Form I-415.

(c) *Numbering of manifests.* Manifest Forms I-415 and I-416 shall be numbered consecutively in the space provided therefor in the upper right-hand corner of the form commencing with number

AR2022_200033

"1" for each voyage, all the Forms I-416, if any, shall be numbered before assigning number to any Forms I-415.

(d) *Family members.* Notwithstanding any other provisions of this section as to class groupings and use of separate manifests, all passengers who are members of one family, who embark at the same port abroad, and who are destined to disembark at the same port in the United States, shall be manifested on the same manifest sheet. If they are traveling in different classes, they shall be listed under the class of the head of the family; if some are aliens and others United States citizens or nationals, they shall all be listed on the alien manifest Form I-415 and the notation "USC" or "USN" shall be entered after the names of the citizen or national members.

(e) *Stowaways.* Any stowaway shall be manifested on the last numbered form, and the notation "stowaway" shall be entered in the last column of the form opposite the name of each stowaway.

(f) *Listing documents.* There shall be entered in column (2) of Form I-415 the serial number and letter of any Foreign Service Form 256 or 257, or Immigration Form I-100a which the passenger is required to present for admission to the United States. The notation "WOV-419" shall be made in column (2) if the alien is to pass through the United States under the provisions of section 238 (d) of the Immigration and Nationality Act. In the case of each alien passenger who does not have a Form 256, 257, I-100a, I-132, or I-419, the persons responsible for the delivery of the manifest shall prepare as a part thereof a set of Immigration Forms I-94 and deliver them to such passenger for surrender by him to the United States immigration officer at the port which the passenger is to be examined for admission to the United States. The serial number of such Form I-94 shall be entered in column (2) of Form I-415 opposite the name of each passenger for whom such set of forms is prepared. Whenever a set of Forms I-94 is prepared for a passenger who has a nonimmigrant visa, the visa application number and letter shall be entered on all copies of the Form I-94 in the box entitled "Travel documents presented". In the case of each alien passenger who is in possession of a permit to reenter the United States (Form I-132) the persons responsible for the delivery of the manifest shall prepare as a part thereof a Form I-132C and deliver it to such passenger. The notation "I-132C" shall be entered in column (2) of Form I-415 opposite the name of each passenger for whom such form is prepared.

§ 231.22 *Arrival manifests and lists for vessels; delivery.* (a) Immediately upon the arrival at the first port in the United States of a vessel with respect to which a passenger manifest is required, one legible copy of manifest Forms I-415 and I-416 prepared in accordance with § 231.21 (a) (1) and (2) and two legible copies of manifest Forms I-415 and I-416 prepared in accordance with § 231.21 (a) (3), fully executed as provided in this part and assembled in numerical order, covering all of the passengers on board without regard to the

port to which ultimately destined, shall be delivered to the immigration officer boarding the vessel at such port of first arrival. To facilitate inspection, an advance copy of manifest Forms I-415 and I-416 may be delivered to the officer in charge of the first port of arrival prior to the arrival of the vessel, but the furnishing of such advance copy shall not relieve the responsible parties from furnishing a complete manifest to the immigration officer at the first port of call which shall indicate any changes or corrections which differ from the advance copy. If an arriving vessel is to touch at more than one United States port, the inspection of all passengers shall, if practicable, be completed at the first port of arrival. If the inspection of all passengers at the first port of arrival is impracticable, the inspection of passengers destined to subsequent ports of arrival shall be deferred in the discretion of the examining immigration officer. In such event, the manifest of those passengers not inspected at the first port of arrival shall be returned to the master for presentation at the subsequent ports of arrival. The procedure followed at the first port of arrival, as prescribed by this paragraph, shall also be followed at any subsequent ports of arrival. Whenever any passenger desires to land at any port in the United States other than the one to which he is manifested, his name shall be stricken by the ship's officer from the manifest upon which it was originally recorded and transferred to the manifest intended for the port where the passenger wishes to land. Such change on the manifest shall be made only with the prior knowledge of the immigration officer and shall be attested by his signature and title placed opposite each entry. On the manifest to which the name is transferred, the immigration officer shall note: "Transferred from manifest of passengers for _____ dated _____ Immigration Officer."

(b) With respect to through passengers, both copies of the manifests shall be delivered to the immigration officer boarding the vessel at the first port of call in the United States. The passengers listed thereon shall be inspected as to their eligibility for shore leave as provided in this part.

(c) Both copies of such manifests shall indicate which through passengers are eligible for shore leave and which are not eligible. The original copy of such manifests shall be returned by the immigration officer to the master of the vessel who shall present them at each subsequent port of call to the immigration officer boarding the vessel who shall return them to the master after examination of such manifests. Prior to the departure of the vessel from its last port of call in the United States, the original copies of such manifests shall be delivered to an immigration officer with Forms 257a, I-94C, relating to such departing passengers. Such delivery shall be in lieu of the delivery of departure manifests relating to such passengers required by § 231.3, provided all of the procedural requirements for departure manifests prescribed by § 231.31

have been observed. Departure manifests at the intermediate ports of call shall not be required for through passengers.

§ 231.23 *Landing card.* To facilitate examination of passengers and for convenience in identifying them on arrival, there may be given to each passenger listed on Form I-415 or I-416 a ticket or "landing card" disclosing his name and the number of the manifest and line number thereof on which his name appears.

§ 231.31 *Departure manifest and lists for vessels—(a) General directions for preparation.* (1) Separate Form or Forms I-434 or I-435 shall be used:

(i) For each port in the United States covering persons embarking at such port.

(ii) For passengers destined to each port of foreign debarkation, unless (a) all of the alien passengers boarding at the same port of embarkation in the United States can be recorded on one Form I-434, in which event they shall be grouped according to the port of debarkation, the name of which shall be noted in the body of the Form I-434 at the head of each group, or (b) all citizen and national passengers boarding at the same port of embarkation in the United States can be recorded on one Form I-435, in which event they shall be grouped according to the port of embarkation, the name of which shall be noted in the body of the Form I-435 at the head of each group.

(2) Forms I-434 and I-435 shall be numbered consecutively in the indicated space in the upper right-hand corner of the heading, commencing with No. 1 for each voyage, all the Forms I-435, if any, to be numbered before assigning numbers to any Forms I-434. In column 2 of Form I-434 opposite the name of each passenger there shall be entered the serial number and letter of any Foreign Service Form 257a, Immigration Form I-94C, Immigration Form I-95A, or Immigration Form I-100a in his possession which was last used by such passenger to enter the United States, as evidenced by the Service notation thereon. Unless it is not required to be surrendered by the departing alien, such form shall be surrendered by the passenger to the representative of the transportation company who shall note thereon by printing in ink, rubber stamp, or typewriter, the name of the port of embarkation, the date of departure therefrom, and the name of the vessel. The representative shall attach such form to, and make it a part of, the Form I-434 relating to the passenger whose form it is. If an alien has been permitted to pass through the United States under the provisions of section 238 (d) of the Immigration and Nationality Act, the notation "WOV-419" shall be entered in column 2 of Form I-434 opposite the name of the alien. Whenever a departing alien passenger does not surrender Form 257a, I-94C, I-95A, I-100a, or I-419a, the persons responsible for the delivery of the departure manifest shall cause to be executed as a part thereof an Immigration Form I-424 for each such alien passenger; shall place the notation "I-424" in column 2 opposite the name of each

FEDERAL REGISTER

11503

such passenger; and shall attach the Form I-424 to, and make it a part of, the department manifest.

(3) The term "Deportee" shall be noted in column 2 of Form I-434 opposite the name of each passenger who has been arrested within the United States and is being deported or who has been excluded from the United States and is being deported pursuant to, such exclusion. Any Form 257a, I-94C, I-95A, or I-100a surrendered by or in behalf of such deportee, or in the absence of any such form, the Form I-424 prepared for such deportee, shall be conspicuously marked "Deportee".

(b) *Delivery.* Except as otherwise provided in this paragraph, Forms I-434 and I-435 and attached documents fully executed in accordance with this part and assembled in numerical order, shall be delivered to the immigration official at each port of embarkation in the United States prior to the departure of the vessel therefrom with respect to all passengers boarding the vessel at that port who are destined to a place outside the United States. If more than one Form I-434 or Form I-435 is used at a port of embarkation, the affidavit on the last numbered form only need be executed. Vessels making voyages to and from the United States at regular or periodic intervals according to a published schedule of which there is sufficient notice to all concerned may deliver the Form or Forms I-434 and I-435, together with the documents required to be attached, to the district director or officer in charge of the office having administrative jurisdiction over the respective ports of embarkation subsequent to the departure of the vessel therefrom but within such time as to be received by each such officer within 30 days following the departure of the vessel from its last port of embarkation in the United States on that voyage. Notwithstanding the foregoing exception, clearance shall not be granted to any vessel unless the Forms I-434 and I-435, and attached documents, are delivered prior to departure if the district director or officer in charge having administrative jurisdiction over the port of departure knows or has reason to believe that the vessel will not return to a port in the United States within 30 days of its departure from its last port of embarkation in the United States or that the Form or Forms I-434 and I-435 and attached documents will not be delivered so as to be received within the 30 day period herein provided.

(c) *Debarcation of passenger prior to departure for a foreign port.* In any case in which a passenger originally destined to a place outside the United States leaves the vessel either at the initial port of embarkation or at any other port of call in the United States and prior to the departure of the vessel from the United States, the persons responsible for the delivery of the departure manifest shall upon acquiring knowledge thereof notify the Service of such debarcation. If such knowledge is acquired prior to the departure of the vessel from the United States but subsequent to the delivery of the manifest covering such passenger, the notification shall be given by delivering to the immi-

gration officials at the port where the vessel is then located prior to its departure, a supplemental Form I-434 if the debarking passenger is an alien, or a supplemental Form I-435, if the passenger is a citizen or national of the United States. The supplemental form shall contain the complete heading as on the original but only the information as to the passenger who debarked with a notation in the last column as to the date and port of such disembarkation. If knowledge of such disembarkation is acquired subsequent to the departure of the vessel from the United States and subsequent to the delivery of the manifest covering such passenger, the notification shall be given by wireless or radio to the district director or officer in charge having administrative jurisdiction over the port where such passenger initially embarked and, in addition, the supplemental form previously referred to herein shall be prepared and mailed promptly to such officer. If the departure manifest covering such passenger is not delivered prior to the departure of the vessel from the United States as provided in paragraph (c) of this section, the notification shall be made by striking out the name and information relating to such debarking passenger on the manifest on which it appears and by noting in the last column thereof the date and port of disembarkation in the United States. Any document surrendered by such passenger which is still in the possession of the transportation company shall be forwarded with the manifest.

(d) *Waiver in certain cases—(1) Through passengers.* As provided in § 231.22, the original copy of the arrival manifests covering through passengers shall be accepted in lieu of departure manifests required to be prepared by this section.

(2) *Cruise passengers.* The district director or officer in charge having administrative jurisdiction over the office in which is located the United States port of origin and termination of the voyage of cruise passengers may, on written request of the transportation company made in advance of the departure of the vessel waive the filing of Forms I-534 and I-435 and the other documents for cruise passengers on condition (i) that Forms I-415 and I-416 are delivered to the examining immigrant officer immediately upon the return of the vessel to the port in the United States from which the cruise started and prior to the debarcation of any passenger; and (ii) that a Form I-424 be executed and attached to the Form I-415 for each alien passenger who failed to return with the vessel to such port, indicating on such form the place where such alien left the vessel; and (iii) that a Form I-435 be executed and delivered, listing such citizen or national passengers who failed to return with the vessel to such port, indicating on such form the place where such passenger left the vessel.

§ 231.41 *Arrival manifests for aircraft—(a) General directions for preparation.* (1) Except as otherwise provided in this part, Form I-466 shall be

used for manifesting passengers arriving in the United States by aircraft. If all of the passengers manifested on a single Form I-466 are destined to disembark at the same port in the United States, the name of such port of debarcation shall be shown in the heading of the form in the space provided, otherwise, the passengers shall be grouped according to their respective ports of debarcation in the United States, the name of the port of debarcation noted in the body of the form at the head of each group, and the heading for port of debarcation marked "Various". Members of a family embarking at the same port abroad and destined to disembark at the same port in the United States shall be listed consecutively within the group to which they belong. Any stowaway aboard shall be manifested on the last form prepared, and the notation "stowaway" shall be entered in the second column opposite the name of each stowaway.

(2) In the case of each alien passenger who does not have a Foreign Service Form 256 or 257 or an immigration Form I-100a, I-132, or I-419 the persons responsible for the delivery of the manifest shall prepare as a part thereof a set of immigration Forms I-94 and deliver them to such passenger for surrender by him to the United States immigration officer at the port where the passenger is to be examined for admission to the United States. Whenever a set of Forms I-94 is prepared for a passenger who has a nonimmigrant visa, the visa application number and letter shall be entered on all copies of the Form I-94 in the box entitled "Travel documents presented".

(3) In the case of each alien passenger who is in possession of a permit to reenter the United States (Form I-132) the persons responsible for the delivery of the manifest shall prepare as a part thereof a Form I-132C and deliver it to such passenger for surrender by him to the United States immigration officer at the port where the passenger is to be examined for admission to the United States.

(b) *Delivery.* (1) Immediately upon the arrival at the first port in the United States of an aircraft for which a passenger manifest is required to be delivered, three legible copies of such manifest fully executed as provided in this part covering all of the passengers on board, without regard to the port to which such passengers are ultimately destined, shall be delivered to the immigration officer who is to inspect the passengers at that port.

(2) If an arriving aircraft is to touch at more than one United States port, the inspection of all passengers shall, if practicable, be completed at the first port of arrival. If the inspection of all passengers at the first port of arrival is impracticable, the inspection of passengers destined to subsequent ports of arrival shall be deferred in the discretion of the examining immigration officer. In such event the manifest of those passengers not inspected at the first port of arrival shall be returned to the commander of the aircraft for presentation at the subsequent ports of arrival. The

AR2022_200035

procedure followed at the first port of arrival, as prescribed by this paragraph, shall also be followed at any subsequent ports of arrival.

§ 231.42 *Departure manifests for aircraft*—(a) *General directions for preparation.* (1) The name of the foreign port of debarkation shall be entered in the heading of the Form I-466 in the space provided therefor. If all of the passengers who are manifested on a single Form I-466 are destined to disembark at the same foreign port, otherwise, the passengers shall be grouped according to their respective foreign ports of debarkation, the name of the port of debarkation noted in the body of the form at the head of each group, and the heading on the form for port of debarkation marked, "Various." Members of a family destined to the same port of debarkation shall be listed consecutively within the group to which they belong.

(2) Each alien passenger shall surrender to the representative of the transportation company any Foreign Service Form 257a, Immigration Form I-94C, Immigration Form I-95A, or Immigration Form I-100a in his possession which was last used by such passenger to enter the United States as evidenced by the Service notation thereon, unless such form is not required to be surrendered. The representative of the transportation company shall note on each such surrendered form by printing in ink, rubber stamp, or typewriter, the name of the port of embarkation in the United States, the date of departure therefrom, and the registration marks of the aircraft. The representative shall attach such form to, and make it a part of, the Form I-466 relating to such passenger. Whenever a departing alien passenger does not surrender Form 257a, I-94C, I-95A, I-100a, or I-419a, the persons responsible for the delivery of the departure manifest shall cause to be executed as a part thereof an immigration Form I-424 for each such alien passenger and shall attach the Form I-424 to the departure manifest.

(3) In the case of each alien passenger who has been arrested in the United States and is being deported from the United States or has been excluded from the United States and is being deported pursuant to such exclusion, any Form 257a, I-94C, I-95A, or I-100a surrendered by or in behalf of such deportee, or in the absence of any such form, the Form I-424 prepared for such deportee, shall be marked conspicuously "Deportee".

(b) *Delivery.* Except as otherwise specifically provided in this paragraph, Forms I-466 together with the documents required to be attached thereto, fully executed in accordance with the provisions of this part, shall be delivered prior to departure to the immigration officials at the port in the United States from which the aircraft will proceed to a place outside the United States. Manifest Form I-466 for aircraft making flights to and from the United States at regular or periodic intervals according to a published schedule of which there is sufficient notice to all concerned may be delivered together with the documents required to be attached thereto subse-

quent to the departure of the aircraft, but within such time as to be received by the immigration officer in charge of the port from which the aircraft proceeded to a foreign port within 4 days following the departure of such aircraft. Notwithstanding the foregoing exception, clearance shall not be granted any aircraft unless the Forms I-466 and attached documents are delivered prior to departure, if the district director or officer in charge having administrative jurisdiction over the port of departure knows or has reason to believe that the aircraft will not return to a port in the United States within 30 days of its departure or that the forms and documents attached will not be delivered so as to be received by him within the 4-day period herein provided.

(c) *Debarkation of passenger prior to departure for a foreign port.* In any case in which a passenger originally destined to a place outside the United States leaves the aircraft prior to its departure for a foreign port, the persons responsible for the delivery of the manifest shall upon acquiring knowledge thereof notify the Service of such debarkation. If such knowledge is acquired prior to the departure of the aircraft from the United States but subsequent to the delivery of the manifest, the notification shall be given by delivering, prior to the departure of the aircraft, a supplemental Form I-466 to the immigration official at the port from which the aircraft is to proceed to a foreign port. The supplemental form shall contain the complete heading as on the original but only the information as to the passenger who left the aircraft with a notation in column 2 as to the debarkation of the passenger prior to departure. If knowledge of such debarkation is acquired subsequent to the departure of the aircraft and subsequent to the delivery of the manifest, the notification shall be given by wireless or radio to the district director or officer in charge having administrative jurisdiction over the port from which the aircraft departed to a foreign port and the supplemental form previously referred to shall be prepared and mailed promptly to such officer via air mail. If the departure manifest is not delivered prior to the departure of the aircraft from the United States as provided in paragraph (b) of this section, the notification shall be made by striking out the name and information relating to such debarking passenger on the Form I-466 and by noting in the second column of that form the facts of such debarkation. Any document surrendered by such passenger which is in the possession of the transportation company shall be forwarded with the manifest.

§ 232.5 Liability for detention expenses. In any case in which an alien (including alien crewman) is removed from a vessel or airport of arrival and detained for observation and examination under section 232 of the Immigration and Nationality Act and this part, the transportation line bringing such alien to the United States shall be responsible initially for the payment of detention expenses if the district director or officer in charge having administrative jurisdiction over the port of arrival has reason to believe from the facts presented that such detention expenses may properly be assessed against the transportation line. In any such case the transportation line, at the option of the district director or officer in charge, shall be required to obligate itself in a manner satisfactory to such officer for the payment of the expenses referred to herein, and may be required to make payment in advance, or deposit security, with respect to each alien so detained.

SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 232.11 Removal and detention of aliens. Whenever the district director, officer in charge or examining immigration officer, in his discretion, determines that an alien should be removed from a vessel or airport of arrival for detention elsewhere for the purpose of observation and examination, such officer shall serve or cause to be served on the transportation line bringing such alien to the United States a notice, on Form I-259, directing such removal. The notice shall specify the date and time the alien is to be removed, the place at which he is to be detained, and the reasons for the removal.

§ 232.51 Collection of detention expenses. In all cases in which the Government has initially paid the detention expenses and expenses incident thereto of an alien detained pursuant to section 232 of the Immigration and Nationality Act, bills pertaining to the detention expenses shall be presented monthly or oftener, at the option of the district director or officer in charge, to the responsible transportation line as soon as liability therefor is established to the satisfaction of the district director or officer in charge. Such expenses shall include, but shall not be limited to, expenses of maintenance, medical treatment in hospital or elsewhere, and burial in the event of death. At ports where the Service maintains hospitals, the hospital expenses shall be such as are fixed by the Service and at other hospitals they shall be such as are fixed by the authorities thereof.

§ 232.52 Reimbursement of transportation line for detention expenses in certain cases. A transportation line which has paid the detention expenses referred to in § 232.5 shall, upon presentation of itemized receipts, be reimbursed from the applicable appropriation of the Service if it is finally determined that the transportation line should not be assessed for the payment of such expenses. The reimbursement shall cover only reasonable amounts actually expended for

such expenses, but the reimbursement for the cost of maintenance shall not, except in unusual circumstances and unless the expense was incurred with the prior approval of the district director or officer in charge having administrative jurisdiction over the port, exceed the maximum per diem allowance prescribed in section 836 of Title 5 of the United States Code in lieu of subsistence. No reimbursement shall be made for detention expenses incurred after the alien has been offered for deportation to the transportation line which brought him to the United States.

SUBPART A—SUBSTANTIVE PROVISIONS

§ 233.1 Definitions. For the purposes of this part the term "transportation line" means a vessel, aircraft, transportation line, transportation company, steamship company, or the master, commanding officer, authorized agent, owner, charterer, or consignee of a vessel or aircraft, and the term "alien" means any alien as defined by the Immigration and Nationality Act and any person applying for admission to the United States as a citizen or national of the United States.

§ 233.2 Assumption of responsibility. Whenever a transportation line, in accordance with the provisions of section 233 (a) of the Immigration and Nationality Act and this part, desires to assume responsibility for the safekeeping of an alien during his removal to a designated place for examination and inspection, it shall submit a request therefor to the district director or officer in charge having administrative jurisdiction over the port of arrival. If the request is approved by the district director or officer in charge, the transportation line shall execute an agreement on Form I-259A, and the district director or officer in charge shall cause a notice to detain and remove, on Form I-259, to be served upon the transportation line. Such notice shall specify the date and time the alien is to be removed, the place to which such removal shall be made, and the reason therefor. If such agreement is executed, the removal of the alien shall not be made by an immigration officer.

§ 233.3 Expenses of removal; payment. Whenever an alien (including an alien crewman) is removed for examination and inspection by an immigration officer under section 233 (a) of the Immigration and Nationality Act and this part, the expenses of removal to be borne by the transportation line shall include payment for the salary of such officer for the time consumed in the removal, including travel time of the officer from and to the office at which he is stationed. The hourly rate of pay for such officer shall be based upon his gross annual salary. For the purposes of this section any fraction of an hour consumed in the removal of the alien shall be considered as a full hour. Any portion of such services which is performed after 5 p. m. or before 8 a. m., or on Sundays or holidays, shall be compensated for at the rate specified in the act of March 2, 1931, as amended by the act of August 22, 1940 (8 U. S. C. 109a-109c). The expenses to be borne by the transportation line shall also include, but shall not be limited to the costs of transportation of the officer and alien, meals, cost of matrons, nurses, attendants, guards, ambulances, and similar costs for any accompanying alien whose protection or guardianship is required if the alien being removed for inspection and examination is helpless by reason of sickness or mental or physical disability or infancy.

§ 233.4 Burial expenses. For the purposes of section 233 of the Immigration and Nationality Act the burial expenses referred to therein shall include the payment of an amount not exceeding \$10.00 in any case for the services of a minister of any religious denomination.

§ 233.5 Liability for detention expenses. In any case in which an alien (including alien crewman) is removed from a vessel or aircraft and detained for examination and inspection under section 233 or 237 of the Immigration and Nationality Act and this part, the transportation line bringing such alien to the United States shall be responsible initially for the payment of detention expenses if the district director or officer in charge having administrative jurisdiction over the port of arrival has reason to believe from the facts presented that such detention expenses may properly be assessed against the transportation line. In any such case the transportation line, at the option of the district director or officer in charge, shall be required to obligate itself in a manner satisfactory to such officer for the payment of the expenses referred to herein, and may be required to make payment in advance or deposit security, with respect to each alien so detained.

§ 233.6 Termination of Government liability for detention expenses. Any detention expenses and expenses incident thereto which are required to be borne by the Government under section 233 or 237 of the Immigration and Nationality Act shall continue to be borne by the Government until the alien is offered for deportation to the transportation line which brought him to the United States. Thereafter all detention expenses and expenses incident thereto shall be borne by such transportation line.

RULES AND REGULATIONS

§ 233.7 *Place of detention.* Any alien who arrives in the United States by vessel or aircraft and who is ordered removed temporarily therefrom pending final decision as to his admissibility shall be detained at such appropriate place as shall be designated for that purpose by the district director or officer in charge having administrative jurisdiction over the port of arrival.

At ports where the Service maintains hospitals, the hospital expenses shall be such as are fixed by the Service, and at other hospitals they shall be such as are fixed by the authorities thereof.

§ 233.52 *Reimbursement of transportation line for detention expenses in certain cases.* A transportation line which has paid the detention expenses referred to in § 233.5 shall, upon presentation of itemized receipts be reimbursed from the applicable appropriation of the Service if it is finally determined that the transportation line should not be assessed for the payment of such expenses. SUBPART A—SUBSTANTIVE PROVISIONS

§ 235.1 *General qualifications and requirements for the admission of aliens.* The following general qualifications and requirements shall be met by an alien seeking to enter the United States regardless of whether he seeks to enter for permanent, indefinite, or temporary stay, and regardless of the purpose for which he seeks to enter:

(a) The alien shall apply in person at a place designated as a port of entry for aliens.

(b) The alien shall apply for admission at a time when the immigration office at the port is open for the inspection of applicants for admission.

(c) The alien shall make his application in person to an immigration officer.

(d) The alien shall present whatever documents are required.

(e) The alien shall establish to the satisfaction of the immigration officer that he is not subject to exclusion under the immigration laws, Executive orders, or Presidential proclamations and that he is entitled under all of the applicable provisions of the immigration laws and this chapter to enter the United States.

§ 235.2 *Examination postponed—(a) Alien and members of family.* Whenever an alien upon arrival, or pending the determination of his right to admission to the United States, is found or believed to be suffering from a disability which in the opinion of the examining immigration officer or special inquiry officer renders it impracticable to proceed with the examination under the Immigration and Nationality Act, the facts shall be reported to the district director or officer in charge having administrative jurisdiction over the port of arrival who shall determine whether the examination should proceed or be postponed. If the examination is postponed and the testimony of such alien is required to determine the admissibility of members of his family, the determination of such cases may be postponed in the discretion of

such district director or officer in charge until the examination of such alien becomes practicable. If such alien's testimony is not so required, and if the alien's admission is in no manner necessary to the financial support of the remaining family members and he appears to be eligible for admission provided he recovers from the disability or no disability is found to exist, the family members may be examined forthwith and, if found eligible for admission to the United States, admitted:

(1) upon the deposit of a sum of money (or transportation ticket and money) sufficient to defray the expenses of conveying the alien whose case is postponed to his final destination; and

(2) upon the deposit of a further sum of money (or transportation ticket and money) sufficient to cover the cost of the service and transportation of a proper attendant from the port of arrival to the point of destination or deportation and return, if it appears to the officer in charge that such attendant is or may be necessary for the proper care and attention of the alien.

(b) *Accompanying alien.* If it appears to the examining immigration officer that an alien not found to be admissible is likely to be certified by the examining medical officer as helpless from sickness or mental or physical disability or infancy, pursuant to section 237 (e) of the Immigration and Nationality Act, the examination of any accompanying alien, whose protection or guardianship will be required by the alien not found admissible, shall be postponed pending decision of the case of the alien likely to be excluded.

§ 235.3 *Detention of aliens.* All aliens (including alien crewmen) arriving at a port in the United States by vessel or aircraft shall be detained aboard the vessel or at the airport of arrival by the master, commanding officer, purser, person in charge, agent, owner, or consignee of such vessel or aircraft until admitted or otherwise permitted to land by an officer of the Service. Notice or order to so detain shall not be required.

§ 235.4 *Admitted alien assisted.* Notwithstanding admission, and for reasons satisfactory to the district director or officer in charge, when facilities are available, any alien may remain a few days at an immigration station upon payment of the actual cost of such maintenance. If in such a case the delay in leaving the immigration station is due to accident or other unavoidable circumstances and the alien is without sufficient means to defray the expenses incident thereto, the district director or the officer in charge, may in his discretion, authorize such expense, but in such event he shall report the case promptly to the Central Office with full reasons for his action and request that the authorization be ratified.

§ 235.5 *Preexamination in certain parts of the United States; who may apply.* When an office of the Service is located in Hawaii, Alaska, Guam, Puerto Rico, the Virgin Islands of the United States, or any outlying posses-

tion of the United States, a person (whether an alien or one claiming United States nationality) who is residing, and is entitled under the immigration laws to reside permanently, in any of the places enumerated herein, and who intends to apply for temporary or permanent admission to any other part of the United States or outlying possession of the United States, may appear before the district director or the officer in charge having administrative jurisdiction over such office for examination as to his admissibility to the United States.

§ 235.8 *Pre-inspection in certain parts of the United States.* In the case of any aircraft proceeding from Hawaii, Alaska, Guam, Puerto Rico, or the Virgin Islands of the United States destined directly and without touching at a foreign port or place to any other of such places or to the continental United States, the examination required by the Immigration and Nationality Act of the passengers and crew may be made prior to the departure of the aircraft, and in such event, final determination of admissibility shall be made immediately prior to such departure. The examination shall be conducted in accordance with sections 235, 236, and 237 of the Immigration and Nationality Act and this part and Parts 236 and 237 of this chapter, except that if it appears to the examining immigration officer that any person in the United States being examined under this section is *prima facie* deportable from the United States, further action with respect to his examination shall be deferred and an application for a warrant of arrest shall be made and further proceedings conducted as provided in section 242 of the Immigration and Nationality Act and Part 242 of this chapter. When the inspection procedure described above is applied to any aircraft, persons examined and found admissible shall be placed aboard the aircraft, or kept at the airport separate and apart from the general public until they are permitted to board the aircraft. No other person shall be permitted to depart on such aircraft until and unless he is found to be admissible as provided in this section.

SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 235.11 *Notice of referral to Special Inquiry Officer.* If, in accordance with the provisions of section 235 (b) of the Immigration and Nationality Act, the examining immigration officer detains an alien for further inquiry before a special inquiry officer, he shall immediately sign and deliver to the alien a Notice To Alien Detained For Hearing By Special Inquiry Officer (Form I-122). If the alien is unable to read or understand the notice, it shall be read and explained to him by an employee of the Service, through an interpreter, if necessary, prior to such further inquiry.

§ 235.12 *Referral of certain cases to district director or officer in charge.* The immigration officer conducting the preliminary examination of an alien who is applying for admission to the United States for permanent residence and who

is liable to be excluded because he is likely to become a public charge or because of a physical disability other than tuberculosis, leprosy, or a dangerous contagious disease, shall refer the question of the alien's admission to the district director or officer in charge having administrative jurisdiction over the place where the examination is being conducted. The district director or officer in charge may, in his discretion, admit the alien on primary inspection, if the alien is otherwise admissible, in accordance with Part 213 of this chapter. If the district director or officer in charge does not so admit the alien, the question of his admission shall be referred to a special inquiry officer, and the special inquiry officer may, in his discretion, admit the alien, if he is otherwise admissible, in accordance with the provisions of Part 213 of this chapter.

§ 235.13 *Reading test.* Aliens who are subject to the provisions of section 212 (a) (25) of the Immigration and Nationality Act shall demonstrate their ability to read and understand matter printed in plainly legible type and in a language or dialect designated by the alien at the time of examination. In applying the reading test immigration officers shall use the printed and numbered test slips supplied by the Service for that purpose, and a record shall be made upon the manifest or hearing record of the special inquiry officer showing both the class and serial number of the slip used in each case and the language or dialect designated by the applicant and actually used in the examination. No two aliens listed upon the same manifest sheet shall be examined at seaports by the use of the same slip. If the examining immigration officer is unable to speak and understand the language or dialect in which the alien is examined, the services of an interpreter shall be used for interpreting into spoken English the printed matter read by the alien. Whenever because of lack of the qualified interpreters necessary for the observance of the general method prescribed herein, or for any other reason, it is impracticable to adopt said general method, immigration officers may employ such other means as will clearly demonstrate the alien's ability, or lack of ability, to read and understand what he has read.

§ 235.14 *Notation in passports.* Whenever an alien admitted temporarily to the United States is issued a Form 257a or Form I-94C, the admitting officer shall, by means of a stamp, record on the passport presented by the alien the word "Admitted" and the date and place of admission. There shall be inscribed in the passport as a part of such notation the visa application number (including any letters that are part thereof) appearing on the form 257a, if such number does not appear in the passport visa, or the serial number (including any letters that are part thereof) of the Form I-94C. Whenever an alien is admitted permanently to the United States, the admitting immigration officer shall, by means of a stamp, record on any passport presented by the alien the word

"Admitted," the date and place of admission, and the section of law under which the alien is admitted.

§ 235.15 *Temporary exclusion—(a) Report.* Any immigration officer who temporarily excludes an alien under the provisions of section 235 (c) of the Immigration and Nationality Act shall report such action promptly to the district director having administrative jurisdiction over the port at which such alien arrived. If the subject of the report is an alien who seeks to enter the United States other than under section 101 (a) (15) (D) of the Immigration and Nationality Act, the report shall be forwarded by the district director to the Commissioner and further action shall be taken thereon as provided in paragraph (c) of this section.

(b) *Action in cases of alien crewmen.* If the subject of the report is an alien crewman who seeks to land as a non-immigrant pursuant to section 101 (a) (15) (D) of the Immigration and Nationality Act, the district director shall determine whether the crewman is inadmissible to the United States under paragraph (27), (28), or (29) of section 212 (a) of that Act. If the district director is satisfied that the crewman is excludable under any of such paragraphs on the basis of information of a confidential nature, the disclosure of which the district director, in the exercise of his discretion, concludes would be prejudicial to the public interest, safety, or security, he shall direct the examining immigration officer not to grant such crewman a conditional permit to land, and the reasons for taking such action shall not be disclosed to the crewman. Otherwise, the case shall be returned by the district director to an examining immigration officer to determine whether a conditional permit to land should be granted such crewman pursuant to section 252 of the Immigration and Nationality Act.

(c) *Action by Commissioner.* If the Commissioner is satisfied that the alien is inadmissible to the United States under paragraph (27), (28), or (29) of section 212 (a) of the Immigration and Nationality Act and if the Commissioner, in the exercise of his discretion, concludes that such inadmissibility is based on information of a confidential nature the disclosure of which would be prejudicial to the public interest, safety, or security, he may (1) deny any hearing or further hearing by a special inquiry officer and order such alien excluded and deported; or (2) enter such other order in the case as he deems appropriate. In any other case the Commissioner shall direct that the alien be given a hearing or further hearing before a special inquiry officer.

(d) *Finality of decision.* The decision of the district director or the Commissioner provided for in paragraphs (b) and (c) of this section respectively shall be final and no appeal may be taken therefrom. The decision of the Commissioner shall be in writing, signed by him and, unless it contains confidential matter, a copy shall be served on the alien. If the decision contains confidential matter, a separate order showing only the ultimate disposition of the case

shall be signed by the Commissioner and served on the alien.

(e) *Hearing by special inquiry officer.* In any case in which the Commissioner directs that an alien temporarily excluded be given a hearing or further hearing before a special inquiry officer, such hearing and all further proceedings in the case shall be conducted in accordance with the provisions of section 236 and other applicable sections of the Immigration and Nationality Act to the same extent as though the alien had been referred to a special inquiry officer by the examining immigration officer; except, that if confidential information, not previously considered in the case, is adduced supporting the exclusion of the alien under paragraph (27), (28), or (29) of section 212 (a) of the Immigration and Nationality Act, the disclosure of which, in the discretion of the special inquiry officer, may be prejudicial to the public interest, safety, or security, the special inquiry officer may again temporarily exclude the alien under the authority of section 235 (c) of the Immigration and Nationality Act and further action shall be taken as provided in this section.

§ 235.51 Preexamination procedure—

(a) *Action by district director or officer in charge—*(1) *Applicant eligible for permanent residence.* The district director or officer in charge shall cause such investigation of the applicant to be conducted as he deems necessary. If such officer is satisfied (i) that the person is eligible to apply under § 235.5; (ii) that any claim to United States nationality has been established; and (iii) that the person is clearly and beyond a doubt admissible for permanent residence without a visa and passport to the place to which destined, he shall cause to be prepared and issued to such person a Form I-94F and shall note on the reverse side thereof the place and date of the preexamination and the words "Issued under 8 CFR 235.5" followed by the signature of the issuing officer in the space provided. The names and ages of children under 14 may be included in the Form I-94F prepared for an accompanying parent or guardian.

(2) *Applicant eligible for temporary admission only.* The district director or officer in charge shall cause such investigation of the applicant to be conducted as he deems necessary. If the applicant is within the purview of the proviso to section 212 (d) (7) of the Immigration and Nationality Act and is eligible under said Act for temporary admission only, without a visa and passport, the district director or officer in charge shall cause to be prepared and issued to the applicant a complete set of Forms I-94 if he is satisfied that the applicant is clearly and beyond a doubt admissible to the place to which destined. The Forms I-94 shall be noted as provided above for the Form I-94F. The names and ages of children under 14 may be included in the Forms I-94 prepared for an accompanying parent or guardian.

(b) *Action at port of arrival.* If the person to whom a Form I-94 has been issued in accordance with paragraph

(a) of this section applies for admission within 30 days of the notation of the pre-examining officer and there has been no subsequent change in the person's immigration status, he may be admitted upon identification. Upon admission, the form or forms presented shall be surrendered as provided in § 221.3 of this chapter. If, notwithstanding the determination made on preexamination, the examining immigration officer at the port of entry is not satisfied of the person's admissibility, further action shall be taken as provided in sections 235, 236, and 237 of the Immigration and Nationality Act, this part, and Parts 236 and 237 of this chapter, unless it appears to such examining immigration officer that such person would be *prima-facie* deportable under the Immigration and Nationality Act from that part of the United States or possession of the United States from which he came, in which event an application for a warrant of arrest shall be made, and further proceedings conducted, as provided in Part 242 of this chapter. In such case further action on the application for admission shall be deferred pending disposition of the proceedings under Part 242 of this chapter.

(c) *Aliens not eligible.* If the district director or officer in charge is not satisfied that the alien is eligible for temporary or permanent admission under this section he shall not issue a Form I-94. No appeal shall lie from the decision of the district director or officer in charge refusing issuance of a Form I-94 under this part but such refusal shall be without prejudice to a subsequent application for admission at the place of intended destination.

SUBPART A—SUBSTANTIVE PROVISIONS

§ 236.1 *Authority of special inquiry officers.* Subject to any specific limitation prescribed by this chapter and by the Immigration and Nationality Act, special inquiry officers shall, in determining cases referred to them for further inquiry as provided in section 235 of the Immigration and Nationality Act, exercise such discretion and authority conferred upon the Attorney General by said Act as is appropriate and necessary for the disposition of such cases.

SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 236.11 *Conduct of hearing—*(a) *General provisions; duties of special in-*

quiry officers. At the commencement of the hearing the special inquiry officer shall enter of record as an exhibit in the case a copy of the Form I-122 previously delivered to the alien by the examining immigration officer as provided in Part 235 of this chapter. The special inquiry officer shall rule upon objections, introduce material and relevant evidence in behalf of the Government and the alien, and otherwise regulate the course of the hearing, and exercise such other powers and authority as are conferred upon him by the Immigration and Nationality Act and this chapter. If the alien has a relative or a friend present at the hearing who is a witness in the case, the testimony of the relative or friend shall be completed before he is permitted to remain at the hearing, unless, in the discretion of the special inquiry officer, his presence before testifying will not be prejudicial to a proper determination of the case. During the course of the hearing the alien's attorney or representative shall be permitted to examine the alien and he, or the alien, shall be permitted to examine any witnesses offered in the alien's behalf, to cross-examine any witnesses called by the Government, to offer evidence material and relevant to any matter in issue, and to make objections which shall be stated succinctly and entered on the record. Argument in support of objections and any irrelevant material or unduly repetitious matter shall be excluded from the record. If the alien is not represented by an attorney or representative, the special inquiry officer shall advise the alien of his rights, as described in this section, and shall assist the alien in the presentation of his case to the end that all of the material and relevant facts may be adduced.

(b) *Development of facts relating to penalties incurred by transportation company.* In all cases in which there is reason to believe that any administrative fine prescribed may have been incurred, the special inquiry officer shall develop in the course of the hearing all facts and circumstances material to a determination of liability to such fine.

(c) *Medical examiner as witness.* Whenever the certificate of an examining surgeon does not adequately describe the nature, character, and extent of the physical defect, disease, or disability which may affect the ability of the alien to earn a living and the alien has not affirmatively established that he will not have to earn a living, the special inquiry officer shall call the examining surgeon as a witness and interrogate him fully as to the particular nature, character, and extent of the defect, disease, or disability. Such testimony shall be made a part of the record.

(d) *Record in illiteracy cases.* In all cases in which the reading test is applied and aliens are rejected as unable to read and understand, the record shall, in addition to the number of the reading card used, clearly set forth (1) that the alien designated the particular language used in the test, (2) the complete English text appearing on the card, (3) a definite finding by the special inquiry officer as to the degree to which the alien failed to read and understand, and (4) if the alien

claims to be within any class exempted from the test, a definite finding by the special inquiry officer as to the validity of such claim.

§ 236.12 *Decision of special inquiry officer.* Whenever an alien is excluded by a special inquiry officer he shall be advised of the decision of such officer and the reasons therefor and, if the alien is entitled to appeal to the Board, he shall be so advised. If at the conclusion of the hearing the special inquiry officer admits the alien, he shall so state for the record and, if no appeal is taken from such decision, the special inquiry officer shall take further action as provided in Part 221 of this chapter with respect to notation and disposition of documents.

§ 236.13 *Advice to alien found excludable—(a) Return voyage.* An excluded alien shall be informed of the provisions of section 237 (a) of the Immigration and Nationality Act relating to the transportation expenses of his deportation from the United States, and to the class of travel in connection therewith. If the alien is entitled to refund of passage money he shall be so informed.

(b) *Permission to reapply.* The special inquiry officer excluding an alien shall advise him of the provisions of the Immigration and Nationality Act and of this chapter relating to the necessity of obtaining permission to reapply for admission to the United States should he desire to reapply within one year from his deportation under the excluding decision. The fact that such advice has been given to the alien of that notification shall be noted in the record together with the alien's foreign address. In cases in which the alien is excluded for causes which can readily be removed or overcome, he may be advised by the special inquiry officer that the application for permission to reapply for admission may then and there be made. If the alien does not appeal from the excluding decision and desires to make such application, the special inquiry officer may, in his discretion grant him permission to reapply for admission. Written notification of such permission shall be furnished to the alien for his use in subsequent proceedings. If the application for permission to reapply is denied by the special inquiry officer no appeal shall lie from such denial, but it shall be without prejudice to any further application made by the applicant pursuant to § 212.6 of this chapter. If an appeal is taken from a decision of the special inquiry officer as provided in section 236 (b) of the Immigration and Nationality Act, the decision on appeal, if adverse to the alien, may grant him permission to reapply for admission within one year.

(c) *Alien certified for mental condition; right of medical appeal.* An alien certified under paragraphs (1), (2), (3), (4), or (5) of section 212 (a) of the Immigration and Nationality Act shall be advised of his right to appeal to a board of medical officers of the United States Public Health Service, and of his right to produce before such board one expert medical witness at the alien's own cost and expense. In the event the alien desires to appeal to such medical board, the district director or officer in

charge having administrative jurisdiction over the office in which the proceedings are pending shall, in conformity with regulations prescribed by the United States Public Health Service, make such arrangements with the office of the Surgeon General as may be necessary for the convening of such medical board.

(d) *Notice of possible appeal by officer in charge.* In any case falling within the purview of § 236.16 in which the decision of the special inquiry officer is to admit the alien, the special inquiry officer shall advise the alien at the conclusion of the hearing that the decision is not final and is subject to possible appeal by the district director or officer in charge having administrative jurisdiction over the office in which the hearing was conducted, and that such appeal may be taken within a period of 5 days after a transcript of the record is made available to such district director or officer in charge.

(e) *Contents of record.* The exact language employed in conveying information to an alien in accordance with this section, and the alien's replies or acknowledging statements, shall be made a part of the record in the case.

§ 236.14 *Finality of decision.* The decision of the special inquiry officer shall be final except when:

(a) The case has been certified to the Assistant Commissioner, Inspections and Examinations Division, as provided in § 7.1 (b) of this chapter, or certified to the Board as provided in § 6.1 (c) of this chapter; or

(b) The alien takes an appeal as provided in § 236.15; or

(c) The district director or officer in charge takes an appeal as provided in § 236.16.

§ 236.15 *Appeal by alien.* If an alien desires to take an appeal from a decision of a special inquiry officer he shall be required to state for the record immediately following the decision of the special inquiry officer (a) whether or not he takes an appeal from the decision and, (b) whether or not he desires to file a brief in support of his appeal. If the alien desires to appeal, he shall thereupon be required to submit a completed Form I-290A. If the alien desires to file a brief, he shall be allowed 5 days from the date of the decision within which to submit his brief to the district director or officer in charge having administrative jurisdiction over the office in which the proceeding was conducted. Upon good cause shown, such district director or officer in charge, or the special inquiry officer who presided at the hearing, or the Board may, in their discretion, extend the time within which the brief may be submitted. In any case in which the alien has stated that he desires to submit a brief, he may, within the period allowed for the submission of such brief, file with the district director or officer in charge a written waiver thereof.

§ 236.16 *Appeal by district director or officer in charge.* The district director or officer in charge having administrative jurisdiction over the office in which the hearing was conducted may require

any case or classes of cases to be referred to him for review in which the decision of the special inquiry officer is to admit the alien. The district director or officer in charge shall, within 5 days after receipt of the transcript of the record in any such case, determine whether or not he desires to appeal to the Board. If an appeal is taken by the district director or officer in charge, written notice thereof shall be delivered to the alien and the alien shall be advised that he may make such representations to the Board as he may desire, including the filing of a brief. If the alien desires to file a brief, he shall be allowed 5 days from receipt of notification of appeal within which to file a brief with the district director or officer in charge for transmittal to the Board with the record in the case. The filing of such brief may be waived by the alien. For good cause shown, such district director, officer in charge, or the special inquiry officer who presided at the hearing, or the Board, may in their discretion, extend the time within which the brief may be submitted.

§ 236.17 *Fingerprinting of excluded aliens; photographs.* Every alien 14 years of age or older who is excluded from admission to the United States by a special inquiry officer shall be fingerprinted, unless during the preceding year he has been fingerprinted at an American consular office. Any alien so excluded, regardless of his age, shall be photographed if a photograph is required by the district director or officer in charge having administrative jurisdiction over the office in which the proceeding was conducted.

The district director may, in his discretion, grant or deny the alien's request. No appeal shall lie from a denial of a request for a stay. In case the alien is detained, whether at the expense of the Government or the transportation line, the request of the alien for a stay shall not be granted unless sufficient cash is deposited to defray the cost of his continued detention and expenses incident thereto for the period of time deportation is requested to be stayed, or, in lieu of cash, a bond acceptable to the district director is given guaranteeing the payment of all such expenses. § 239.2 *Landing requirements—(a) Place of landing.* Aircraft carrying passengers or crew required to be inspected Act shall land at the international airports enumerated in § 231.7 of this chapter unless permission to land elsewhere

shall first be obtained from the Commissioner of Customs in the case of aircraft operated by scheduled airlines, and in all other cases from the Collector of Customs or other Customs officer having jurisdiction over the airport of entry nearest the intended place of landing. Whenever such permission is granted, the owner, operator, or person in charge of the aircraft shall pay any additional expenses incurred in inspecting passengers or crew on board such aircraft, except that when permission is granted to a scheduled airline to land an aircraft operating on a schedule no inspection charge shall be made for overtime service performed by immigration officers if the aircraft arrives substantially in accordance with schedules on file with the Service.

(b) *Advance notice of arrival.* Aircraft carrying passengers or crew required to be inspected under the Immigration and Nationality Act, except aircraft of a scheduled airline arriving in accordance with the regular schedule filed with the Service at the place of landing, shall not land unless notice of the intended flight has been furnished to the immigration officers at or nearest the intended place of landing. Such notice shall specify the type of aircraft, the registration marks thereon, the name of the aircraft commander, the place of last departure, the airport of entry, or other place at which landing has been authorized, number of alien passengers, number of citizen passengers, and the estimated time of arrival. The notice shall be sent in sufficient time to enable the officers designated to inspect the aircraft to reach the airport of entry or such other place of landing prior to the arrival of the aircraft.

(c) *Permission to discharge or depart.* Aircraft carrying passengers or crew required to be inspected under the Immigration and Nationality Act shall not discharge or permit to depart any passenger or crewman without permission from an immigration officer.

(d) *Emergency or forced landing.* Should any aircraft carrying passengers or crew required to be inspected under the Immigration and Nationality Act make a forced landing in the United States, the commanding officer or person in command shall not allow any passenger or crewman thereon to depart from the landing place without permission of an immigration officer, unless such departure is necessary for purposes of safety or the preservation of life or property. As soon as practicable, the commanding officer or person in command, or the owner of the aircraft, shall communicate with the nearest immigration officer and make a full report of the circumstances of the flight and of the emergency or forced landing.

An airport shall not be so designated by the Commissioner without such prior approval and designation, and unless it appears to the satisfaction of the Commissioner that conditions render such designation necessary or advisable, and unless adequate facilities have been or will be provided at such airport without cost to the Federal Government for the proper inspection and disposition of aliens, including office space and such temporary detention quarters as may be found necessary. The designation of an airport as an international airport for the entry of aliens may be withdrawn whenever, in the judgment of the Commissioner, there appears just cause for such action.

(3) *Alien previously released on conditional parole*. During the period of six months following the date of the making of a final order of deportation as determined under section 242 (c) of the Immigration and Nationality Act, in the discretion of the district director, district enforcement officer, or officer in charge having administrative jurisdiction over the office which authorized the alien's release, an alien previously released on conditional parole pending final determination of deportability pursuant to paragraph (a) of this section may be (i) continued at liberty under such parole, (ii) continued at liberty under such parole but with such other or additional terms as then are deemed appropriate, (iii) continued at liberty under bond in lieu of conditional parole, in which event the outstanding conditional parole order shall be revoked and canceled, or (iv) taken into physical custody and detained, in which event the outstanding conditional parole order shall be revoked and canceled.

(c) *Release; supervision after six month's period has expired; warning of penal provisions*. An alien against whom an order of deportation has been outstanding for more than six months shall, pending deportation, be placed under supervision by the district director, district enforcement officer, or officer in charge having administrative jurisdiction over the office in which the detention or release of such alien was authorized. An alien placed under supervision pursuant to this paragraph shall be advised of the penal provisions of section 242 (d) of the Immigration and Nationality Act. Aliens placed under such supervision shall, among other things, be required to:

(1) Appear from time to time at specified times or intervals before an officer of the Service for identification;

(2) Submit, if necessary, to medical and psychiatric examination at government expense;

(3) Give information under oath as to his nationality, circumstances, habits, associations and activities, and other

information whether or not related to the foregoing as may be deemed fit and proper; and

(4) Conform to such reasonable written restrictions on his conduct or activities as may be prescribed.

§ 242.4 *Voluntary departure prior to commencement of hearing; authority*. Subject to the limitations contained in § 242.41, the authority contained in section 242 (b) of the Immigration and Nationality Act to permit aliens to depart voluntarily from the United States may be exercised by district directors and officers in charge.

§ 242.5 *Hearing*. The person against whom a warrant of arrest has been issued and upon whom it has been served shall be referred to as the respondent. The proceedings before a special inquiry officer under section 242 (b) of the Immigration and Nationality Act shall be termed a hearing.

§ 242.6 *Authority of special inquiry officers*. In determining cases submitted for hearing, special inquiry officers shall exercise the authority contained in section 242 (b) of the Immigration and Nationality Act to order deportation, and the authority contained in section 244 of the Immigration and Nationality Act to suspend deportation and to authorize voluntary departure, subject to the limitations contained in this part and in Parts 6 and 7 of this chapter.

§ 242.7 *Reinstatement of prior order of deportation; authority*. Subject to the limitations hereinafter provided, the authority contained in section 242 (f) of the Immigration and Nationality Act to find that an alien has unlawfully reentered the United States after having previously departed or been deported pursuant to an order of deportation shall be exercised by special inquiry officers.

SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 242.11 *Investigations*—(a) *Persons believed to be subject to deportation*. The case of every person believed to be subject to arrest and deportation shall be investigated by such officer as may be designated for that purpose.

(b) *Purpose of investigation*. The purpose of the investigation shall be to discover whether or not a prima facie case for deportation exists; that is, whether there is credible evidence reasonably establishing that the person investigated is an alien and that he is subject to deportation.

(c) *Recorded statements*. Whenever, in the course of an investigation, information is obtained which indicates that the person investigated is subject to arrest and deportation, and it is desired to use such information as evidence in support of an application for a warrant of arrest, such information shall be reduced to writing either in narrative or question-and-answer form and signed by the person furnishing the information. Whenever such recorded statement is to be obtained from any person, the investigating officer shall (1) identify himself to such person, (2) warn the person that any statement made by him may be used

as evidence against him in any subsequent proceeding, and (3) place the person under oath or affirmation.

(d) *Refusal to make, or refusal or inability to sign a statement.* Whenever, in the course of an investigation, admissions or statements are obtained from the person under investigation or statements are made by any other person which indicate that the person investigated may be subject to arrest and deportation, but there is a refusal to make a statement under oath or affirmation, or a refusal or inability to sign the statement by name or by mark, the investigating officer shall make a report setting forth the facts admitted or stated. Such report, with any unsigned or unsworn statement which has been reduced to writing, may be used in support of an application for a warrant of arrest if the investigating officer certifies that no other evidence to establish the facts stated in the report can readily be obtained.

§ 242.12 *Applications for warrants of arrest.* If, after preliminary investigation, the investigating officer determines that a prima facie case for deportation of an alien exists, he shall apply for a warrant of arrest to an officer having authority to issue warrants of arrest.

§ 242.13 *Issuance of warrants of arrest.* Any officer mentioned in § 242.1 (a) who receives an application for a warrant of arrest may issue such warrant in any case in which he determines that a prima facie case for deportation has been established.

§ 242.14 *Execution of warrants of arrest—(a) Service.* Except as provided in § 242.34, an alien against whom a warrant of arrest has been issued shall be taken into custody under the authority of the warrant of arrest, or if previously taken into custody without a warrant of arrest under the authority contained in section 287 of the Immigration and Nationality Act, shall be continued in custody under the warrant of arrest subsequently issued unless his release is authorized. In either case a copy of the warrant of arrest shall be served upon the alien, and he shall then be fully advised of the cause of his arrest. If the alien is confined in a penal or mental institution but is competent to understand the nature of the proceedings, a copy of the warrant of arrest shall be served upon him and upon the person in charge of the institution. The alien shall then be fully advised of the charges against him but he shall not be taken into physical custody of the Service until released from confinement. If such alien is not competent to understand the nature of the proceedings, a copy of the warrant of arrest shall be served only upon the person in charge of the institution in which the alien is confined, and such service shall be deemed service upon the alien. In cases of mental incompetency, whether or not confined in an institution, and in cases of children under 16 years of age, an additional copy of the warrant of arrest shall be served upon such alien's guardian, near relative, or friend, whenever possible.

(b) *Notice of right to counsel and release from custody.* Upon service of the warrant of arrest, the alien shall be advised of his right to representation by counsel, at no expense to the Government, at the hearing to be held under the warrant of arrest. When taken into physical custody of the Service he shall be informed whether he is to be continued in custody or, if release from custody has been authorized, of the amount and conditions of bond or terms of conditional parole under which he may be released. Similar advice shall be given to the guardian, near relative, or friend in cases involving mentally incompetent aliens, whether or not confined in institutions, and in cases of aliens under 16 years of age.

(c) *Fingerprints; photographs.* Every alien 14 years of age or older who is arrested under a warrant of arrest in accordance with the provisions of paragraph (a) of this section, or without a warrant of arrest under the authority of section 287 of the Immigration and Nationality Act, shall be fingerprinted. Any alien so arrested, regardless of his age, shall be photographed if a photograph is required by the district director or the officer in charge having administrative jurisdiction over the case.

§ 242.21 *Report to district director of continued detention.* In any case in which a district enforcement officer or officer in charge has exercised the authority to continue or detain an alien in custody the facts and a report of the action taken shall be promptly transmitted to the district director having administrative jurisdiction over the office in which the proceedings were instituted. Further action shall be taken in the case, with respect to the alien's detention or release, as the district director shall direct.

§ 242.31 *Release prior to entry of order of deportation; conditions.* The conditions of any bond or terms of parole authorized by § 242.3 (a) shall include but shall not be limited to:

(a) A condition that the alien be produced, or will produce himself

(1) When required to do so for the purpose of defending himself against the charge or charges under which he was taken into custody and any other charges which subsequently may be lodged against him,

(2) For deportation, if an order of deportation is made,

(3) When the alien's detention is ordered as provided in § 242.3,

(4) For the purpose of furnishing additional information necessary to the final disposition of the case; and

(b) Such other conditions or terms as are otherwise directed, or which the officer granting the release deems appropriate in the case. If a bond is required and accepted, it shall be executed on Form I-353 and shall be in an amount not less than \$500.

§ 242.32 *Release after order of deportation; conditions.* The conditions of any bond or terms of parole authorized by § 242.3 (b) shall include but shall not be limited to:

(a) A condition that the alien be produced, or will produce himself

(1) When required to do so for deportation,

(2) For the purpose of furnishing additional information necessary to the final disposition of his case,

(3) When the alien's detention is ordered as provided in § 242.3; and

(b) Such other conditions or terms as are otherwise directed, or which the officer granting the release deems appropriate in the case. If a bond is required and accepted, it shall be executed on Form I-353 and shall be in an amount not less than \$500.

§ 242.33 *Warning of penal provision.* An alien against whom a final order of deportation is outstanding by reason of his being a member of any of the classes described in paragraph (4), (5), (6), (7), (11), (12), (14), (15), (16), (17), or (18) of section 241 (a) of the Immigration and Nationality Act shall be advised of the penal provisions of section 242 (c) of the said Act.

§ 242.34 *Institution cases.* In the absence of special instructions, an alien confined in an institution shall not be accepted into physical custody by the Service until an order of deportation has been made and the Service is ready to deport the alien.

§ 242.35 *Cost of maintenance pending deportation.* The cost of maintaining aliens in custody after arrest and pending deportation may be borne by the Government, except that when an alien is an inmate of a public or private institution at the time of the commencement of deportation proceedings, no expense shall be incurred by the Government until he is taken into physical custody by the Service.

§ 242.41 *Voluntary departure prior to commencement of hearing; procedure.* Any alien, other than an alien prima facie deportable under section 242 (f) of the Immigration and Nationality Act, who believes himself to be eligible for voluntary departure under section 242 (b) of the said act may apply therefor at an office of the Service at any time prior to the commencement of the hearing under a warrant of arrest in his case. The district director or officer in charge having administrative jurisdiction over the office receiving an application for voluntary departure may cause such investigation to be conducted as he deems necessary to determine whether the relief requested should be granted. If such officer is satisfied that:

(a) The alien is subject to deportation upon any ground other than those set forth in paragraph (4), (5), (6), (7), (11), (12), (14), (15), (16), (17), or (18) of section 241 (a) of the Immigration and Nationality Act,

(b) The alien is willing and able to depart promptly from the United States,

(c) The alien apparently will be admitted to the country of his destination, and

(d) The application should be granted, he shall grant the application and shall inform the alien of the time within which and under what conditions the

departure shall be effected. If such officer is not so satisfied that the application should be granted, he shall deny the application and shall take further action as is provided by the Immigration and Nationality Act and this chapter for the ultimate disposition of the case. No appeal shall lie from such denial, but the denial shall be without prejudice to the alien's right to apply for relief from deportation under any provision of the said Act.

§ 242.42 *Revocation of grant of voluntary departure.* If, subsequent to the granting of an application for voluntary departure under § 242.41 it is ascertained prior to the alien's actual departure from the United States that the alien should not be permitted to depart voluntarily under that section, the grant of voluntary departure may be revoked by any district director or officer in charge without notice. Thereupon, further proceedings shall be taken under this chapter and the Immigration and Nationality Act as are warranted by the facts in the case.

§ 242.51 *Hearing; time for.* The respondent shall have a reasonable period of time after the service of the warrant of arrest within which to arrange for the presentation of his case, including, if desired, representation by counsel. The district director or the officer in charge having administrative jurisdiction over the office in which the proceedings are pending shall assign the case to a special inquiry officer for hearing.

§ 242.52 *Notice of hearing.* The respondent shall be given notice, reasonable under all the circumstances, of the nature of the charges against him and of the time and place at which the proceedings will be held. Notice of hearings shall be prepared on Form I-226. A copy of such notice shall be served upon the respondent, and, in any case in which the respondent has been released on bond, upon the surety on the bond. The notice of hearing shall inform the respondent of the nature of the charges, the time and place at which the hearing will be held, and the respondent's privilege of being represented, at no expense to the Government by such counsel, authorized to practice in such proceedings, as he shall choose. Notice of hearing may be waived by the respondent and such waiver shall be made a part of the record of the case.

§ 242.53 *Conduct of hearing—(a) Special inquiry officer; general powers.* The special inquiry officer assigned to conduct the hearing under this part shall have authority to:

- (1) Administer oaths and affirmations;
- (2) Issue, during the course of a hearing, any subpoenas authorized by law;
- (3) Conduct the hearing, present and receive evidence, and rule upon all objections to the introduction of evidence or motions made during the course of the hearing;
- (4) Take or cause depositions to be taken;
- (5) Make decisions in accordance with § 242.61 or § 242.76; and

(6) Take any further action consistent with applicable provisions of law and regulation.

(b) *Special inquiry officers; general duties.* The special inquiry officer shall conduct a fair and impartial hearing. No decision of deportability shall be valid unless based upon reasonable, substantial and probative evidence. He shall exclude from the record any evidence that is irrelevant, immaterial, or unduly repetitious. In his discretion, he may exclude from the record any argument in support of objections, but in such event, the respondent may submit a brief in support of such objections. If the testimony is transcribed, the special inquiry officer shall certify that to the best of his knowledge and belief the transcript is a true and correct report of everything that was stated during the course of the hearing, including oaths administered and rulings on objections, but excluding statements made off the record.

(c) *Special inquiry officers; specific duties.* At the commencement of the hearing under this part, the special inquiry officer shall (1) place the respondent under oath or affirmation, (2) advise the respondent of his right to representation, at no expense to the Government, by counsel authorized to practice in such proceedings, as he shall choose, and require him to state then and there for the record whether he desires such representation, (3) enter of record a copy of the warrant of arrest and explain to the respondent in simple, understandable language the nature of the charges contained therein, (4) advise the respondent that he will have a reasonable opportunity to examine the evidence against him, to present evidence in his own behalf, and to cross-examine witnesses presented by the Government, and (5) present the evidence, including the interrogation, examination, and cross-examination of the respondent and witnesses to the extent necessary, as to (i) alienage, (ii) date, place and manner of entry of the respondent into the United States, (iii) grounds for deportation, (iv) factors bearing upon the respondent's eligibility for discretionary relief if application therefor has been made, and (v) such other matter as may be pertinent to the issues in the case. Except in the case of an alien prima facie deportable under section 242 (f) of the Immigration and Nationality Act, the special inquiry officer, in such cases and at such time during the hearing as he deems appropriate, may advise the respondent concerning application for the privilege of suspension of deportation or voluntary departure under the provisions of section 244 of the said Act, and shall further advise the respondent of his right to specify the country to which his deportation is to be directed in the event such deportation is required by law and request the respondent to specify such country for the record.

(d) *Special inquiry officers; additional charges.* If it appears during the hearing that the respondent may be deportable on grounds other than or in addition to those stated in the warrant of arrest, the special inquiry officer, except as

provided in § 242.75, may lodge additional charges against the respondent and shall develop evidence upon such charges in like manner as on the charges specified in the warrant of arrest. When additional charges are lodged, the special inquiry officer shall explain these charges to the respondent in simple, understandable language and shall advise him, if he is not represented by an attorney or other qualified representative, that he may be so represented if he desires, and require him to state then and there for the record whether he desires such representation. The special inquiry officer shall also inform the respondent that he may have a reasonable period of time within which to meet the additional charges, if he desires, and require him to state then and there whether he desires such additional time.

(e) *Withdrawal and substitution of special inquiry officer.* The special inquiry officer assigned to conduct the hearing may at any time withdraw if he deems himself disqualified. If a special inquiry officer becomes unavailable to complete his duties within a reasonable time, another special inquiry officer shall be assigned to complete the case. In such event, the new special inquiry officer shall familiarize himself with the record in the case and shall state for the record that he has done so.

(f) *Assignment of examining officer in addition to special inquiry officer; duties of examining officer.* Prior to the commencement of a hearing, or during the course of a hearing upon the request of the special inquiry officer presiding at such hearing, the district director or the officer in charge having administrative jurisdiction over the place where the proceedings are pending, in his discretion, may assign an immigration officer to act at the hearing as the examining officer. The examining officer shall in such case conduct any required interrogation of the respondent and of the witnesses in behalf of the Government, examine or cross-examine the respondent's witnesses and present evidence bearing upon the question whether the respondent is subject to deportation. Except as provided in §§ 242.74 and 242.75, he shall lodge such additional charges as he may find to be applicable and, if the respondent has applied for relief from deportation, inquire thoroughly into the respondent's eligibility for the relief requested, and develop such other information as may be pertinent to the proper disposition of the case. The assignment of an examining officer shall not impair the authority conferred by the Immigration and Nationality Act or this chapter upon the special inquiry officer presiding at such hearing.

(g) *Representation by counsel.* If the respondent is represented at the hearing by an attorney or other qualified representative, the attorney or representative shall be permitted to be present during the entire hearing, to introduce evidence in behalf of the respondent and to cross-examine witnesses. The attorney or representative shall be permitted to state his objections succinctly, and they shall be entered on the record. If representation is waived, the respondent shall be

permitted to introduce evidence in his own behalf, to cross-examine witnesses, and to make objections which shall be entered on the record.

(b) *Interpreters.* If the services of an interpreter are found necessary in the conduct of a hearing, the special inquiry officer, if qualified, may act as interpreter with the consent of the respondent, or he may request the district director or the officer in charge having administrative jurisdiction of the office in which the proceedings are pending to furnish an interpreter, who shall be sworn to interpret and translate accurately, unless the interpreter is an employee of the Service, in which event, no such oath shall be required.

(4) *Postponement and adjournment of hearings.* Prior to the commencement of a hearing, the district director or the officer in charge having administrative jurisdiction of the office wherein the case is pending, may grant a reasonable postponement for good cause shown, at his own instance upon notice to the respondent, or upon request of the respondent. After the commencement of the hearing, the special inquiry officer presiding at the hearing may grant a reasonable adjournment for good cause shown, at his own instance upon notice to the respondent or upon request of the respondent. A continuance of the hearing for the purpose of allowing the alien to obtain representation, shall not be granted more than once, unless sufficient cause for the granting of more time is shown. The file or the record of hearing shall reflect the action taken with respect to any postponement or adjournment of hearing. Exceptions to a ruling on a request for a postponement or an adjournment of hearing may be taken by the respondent and, if taken, shall be noted on the record.

(j) *Consolidation.* Whenever two or more cases pending in the same district involve common questions of law or fact, the district director or the officer in charge having administrative jurisdiction of the office wherein the cases are pending, may order a joint hearing of any or all matters and issues common to the cases, he may order all such hearings consolidated, and may make such further orders as may tend to avoid unnecessary cost and delay.

§ 242.54 *Contents of record; evidence.*—(a) *Record.* The testimony, the exhibits, the decision of the special inquiry officer, and all written motions and other papers and requests filed in the proceeding, shall constitute the record in the case.

(b) *Use of prior statements.* The special inquiry officer may enter of record any statement, oral or written, which is material and relevant to any issue in the case, previously made by the respondent or any other person during any investigation, examination, or hearing. If objection thereto is made by the alien or his counsel or representative, the reasons for the objection, as well as the ruling thereon by the special inquiry officer, shall be made a part of the record.

(c) *Stipulation.* Whenever any facts or other matters at issue in the case have

been stipulated in writing prior to the hearing, upon agreement between an officer of the Service and the respondent and his attorney or representative, and the stipulation has been signed by such persons, the special inquiry officer may enter the stipulation as an exhibit of record. Nothing in this paragraph shall preclude an oral or written confession or admission of any fact during a hearing under this part.

(d) *Application for discretionary relief.* Except in the case of an alien who is prima facie deportable under section 242 (f) of the Immigration and Nationality Act, at any time during the hearing the respondent may apply for suspension of deportation on Form I-256A or for voluntary departure, under section 244 of the said Act. The burden of establishing that he meets the statutory requirements for discretionary relief shall be upon the respondent. He may submit any evidence in support of his application which he believes should be considered by the special inquiry officer.

§ 242.61 *Decision of special inquiry officer.*—(a) *Preparation of written decision.* Except as provided in paragraph (b) of this section and § 242.76, the special inquiry officer shall, as soon as practicable after the conclusion of the hearing, prepare a written decision signed by him which shall set forth a summary of the evidence adduced and his findings of fact and conclusions of law as to deportability, unless such findings and conclusions are waived by the respondent orally during the hearing or by written waiver filed with the special inquiry officer after the conclusion of the hearing. If the respondent has applied for discretionary relief in accordance with the provisions of § 242.54 (d), the decision shall also contain a discussion of the evidence relating to the alien's eligibility for such relief and the reasons for granting or denying such application. The decision shall be concluded with the order of the special inquiry officer as provided in paragraph (c) of this section.

(b) *Oral decision.* In any case in which he deems such action appropriate, the special inquiry officer may, after conclusion of the hearing, state for the record in the presence of the respondent or his counsel or representative his decision, which shall include the summary, findings, conclusions, discussion, and order referred to in paragraph (a) of this section. The respondent shall thereupon state for the record whether he desires to be served with a written decision as provided in paragraph (d) of this section. If he then and there waives service of a written decision, the respondent shall thereupon state for the record whether he appeals from the decision of the special inquiry officer to the Board. If such appeal is taken, the respondent shall, at the same time, submit a Notice of Appeal (Form I-290A) completed in accordance with paragraph (f) of this section and shall be required to state whether he desires to submit to the district director or officer in charge, having administrative jurisdiction over the office in which the hearing was held, a brief in support of such appeal for

consideration by the Board. If he desires to submit a brief, the respondent shall be allowed ten days from the date of the oral decision within which to submit his brief to such district director or officer in charge. For good cause shown, such district director or officer in charge or the special inquiry officer presiding at the hearing, or the Board, in their discretion, may extend the time within which the brief may be submitted. In any case in which the respondent states for the record that he desires to submit a brief, he may, within the period allowed for the submission of such brief, file with the district director or the officer in charge a written waiver thereof.

(c) *Order of special inquiry officer.* The order of the special inquiry officer shall be (1) that the alien be deported, or (2) that the proceedings be terminated, or (3) that the alien's deportation be suspended, or (4) that the alien be granted voluntary departure at his own expense in lieu of deportation within such period of time or authorized extension thereof and under such conditions as the district director or officer in charge having administrative jurisdiction of the office in which the case is pending shall direct, with the further order that, if he fails to depart, he be deported, or (5) that such other action be taken in the proceedings as may be required for the appropriate disposition of the case. The special inquiry officer shall not have authority to designate at whose expense or to which country the alien shall be deported.

(d) *Notice of decision.* In any case in which the respondent has not waived service of a written decision, the district director or the officer in charge having administrative jurisdiction of the office in which the proceeding is pending shall cause a signed copy of the decision of the special inquiry officer to be served on the respondent, with the notice referred to in § 6.11 of this chapter.

(e) *Finality of order.* The order of the special inquiry officer shall be final except when:

(1) The case has been certified as provided in § 7.1 (b) or § 6.1 (c); or

(2) An appeal is taken to the Board of Immigration Appeals.

(f) *Appeals.* (1) The filing of a Notice of Appeal (Form I-290A) in accordance with paragraph (b) of this section shall constitute the taking of an appeal referred to in Part 6 of this chapter and this part.

(2) No appeal shall lie from an order of a special inquiry officer denying an application for voluntary departure as a matter of discretion, where:

(i) The special inquiry officer has found the alien statutorily eligible for voluntary departure, and

(ii) The alien has been in the United States for a period of less than five years at the time of the service of the warrant of arrest in deportation proceedings.

In all other cases (except those covered by paragraph (e) (1) of this section) an appeal shall lie from an order of the special inquiry officer under this part to the Board of Immigration Appeals. The reasons for the appeal shall be stated briefly in the Notice of Appeal

AR2022_200047

(Form I-290A). Where deportability is contested, the alien or his representative shall be required to indicate in the Notice of Appeal (Form I-290A), the particular findings of fact or conclusions of law with which he disagrees; and failure to do so may constitute a ground for dismissal of the appeal by the Board.

(3) An appeal shall be taken within ten days after receipt of the written decision of the special inquiry officer, or, if a written decision is waived, at the time of such waiver. All appeals shall be filed on Form I-290A.

§ 242.71 *Apprehension of alien.* An alien within the purview of section 242 (f) of the Immigration and Nationality Act shall be taken into custody in accordance with §§ 242.1, and 242.11 to 242.14, inclusive. The warrant of arrest shall charge the alien with deportability only under section 242 (f) of the said Act. The prior order of deportation, properly identified, shall constitute prima facie cause for deportation under section 242 (f) of the said Act.

§ 242.72 *Release from custody.* The provisions of § 242.3 (a) and (b) shall not be applicable to the case of any alien apprehended under § 242.71 unless specific authority to release thereunder has been granted by the Commissioner or the Assistant Commissioner, Detention, Deportation, and Border Patrol Division.

§ 242.73 *Conduct of hearing; decision; finality of order.* Except as hereafter provided in §§ 242.74 to 242.76 inclusive, all of the provisions of §§ 242.5, 242.51 to 242.54, 242.6 and 242.61 shall apply to the case of an alien apprehended in accordance with § 242.71.

§ 242.74 *Relief from deportation.* An alien who is prima facie deportable under the provisions of section 242 (f) of the Immigration and Nationality Act shall not be permitted to apply for voluntary departure in lieu of deportation or for suspension of deportation and shall not be granted such relief.

§ 242.75 *Scope of hearing.* The hearing referred to in § 242.73 shall be limited solely to a consideration and determination of the following issues:

(a) Identity of respondent, i. e., whether respondent is in fact a person who was previously deported or departed pursuant to an order of deportation.

(b) Whether the respondent was previously deported as a member of any of the classes described in paragraph (4), (5), (6), (7), (11), (12), (14), (15), (16), (17), or (18) of section 241 (a) of the Immigration and Nationality Act.

(c) Whether the respondent unlawfully reentered the United States. If during the course of such hearing it is ascertained that the respondent is not deportable under section 242 (f) of the said Act, the special inquiry officer shall if appropriate, lodge additional charges against the respondent, and further proceedings shall continue as provided in this part.

§ 242.76 *Scope of decision.* If, on the basis of the evidence presented, the special inquiry officer has determined that

the respondent is deportable under section 242 (f) of the Immigration and Nationality Act, he shall state for the record at the conclusion of the hearing and in the presence of the respondent his decision in the case, which shall consist of (a) a summary of the evidence adduced; (b), unless waived by the respondent, his findings of fact and conclusions of law as to the issues described in § 242.75; and (c) an order that the respondent be deported under the previous order of deportation in accordance with section 242 (f) of the Immigration and Nationality Act.

§ 242.77 *Appeal.* The order of the special inquiry officer that the respondent be deported under the previous order of deportation in accordance with section 242 (f) of the Immigration and Nationality Act may be appealed by the respondent to the Board in accordance with the provisions of § 242.61 (f).

§ 243.1 *Issuance of warrants of deportation; country to which alien shall be deported; cost of detention; care and attention of alien—(a) Issuance.* In any case in which an order of deportation becomes final a warrant of deportation shall be issued. District directors shall issue warrants of deportation.

(b) *Determination of place and cost of deportation, and necessity for attendants.* District directors shall exercise the authority contained in section 243 of the Immigration and Nationality Act to designate the country to which, and at whose expense an alien in the United States shall be deported, and to determine when an alien's mental or physical condition requires the employment of a person to accompany the alien.

§ 243.2 *Finality of decision.* No appeal shall lie from the decision of the district director in the exercise of the authority described in § 243.1.

§ 243.3 *Execution of warrants of deportation—(a) Taking alien into custody.* Upon the issuance of a warrant of deportation or as soon thereafter as the circumstances of the case require, the alien, if not in the physical custody of the Service, shall be taken into such

custody under the authority of such warrant of deportation and deported.

(b) *Stay of deportation.* Except as otherwise provided herein, the district director having administrative jurisdiction over the place where the alien is located may, in the exercise of his discretion, and for good cause shown, stay the execution of a warrant and order of deportation for such time and under such conditions as he may deem appropriate. He may grant such stay upon his own instance or upon request of the alien. A request for a stay by the alien shall be in writing, shall be filed with the district director, and shall be supported by an affidavit setting forth the reasons for the request and by such other evidentiary matter as may support the request. In any case in which the request for a stay of deportation is predicated upon a claim by the alien that he would be subject to physical persecution if deported to the country designated by the district director, the office receiving the request shall transmit it to the Commissioner for decision. Notice of disposition of the alien's request shall be served upon him but neither the making of the request nor the failure to receive a notice of decision thereon shall relieve or excuse the alien from presenting himself for deportation at the time and place designated for his deportation. No appeal shall lie from a denial of a request for a stay of deportation, but such denial shall not preclude the Board from granting a stay in connection with a motion to reopen or a motion to reconsider as provided in § 6.21 (a) of this chapter.

(c) *Voluntary departure under order of deportation.* Subject to the limitations and provisions of sections 242 (b) and 243 of the Immigration and Nationality Act, the district director having administrative jurisdiction over the place where the alien is located may, in his discretion, permit an alien who has been ordered deported to depart voluntarily from the United States under the order of deportation.

SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 243.11 *Special care and attention for aliens—(a) Duty of transportation line.* Whenever it is determined by the district director that an alien about to be deported requires special care and attention, the transportation line responsible for the expense of the alien's deportation shall provide for such care and attention as may be required by the alien's condition not only during the voyage from the United States to the foreign country to which the alien is to be deported but also during the foreign inland journey as hereinafter provided. Such alien shall be delivered to the master, commanding officer, or the officer in charge of the vessel or aircraft on which the alien is to be deported, who shall be given Form I-287 and duplicate carbon sheets A, B, and C thereof. Sheet A and the receipt attached thereto shall be filled out except as to signature by an immigration officer. The receipt attached to sheet A shall be signed by the officer of the vessel or aircraft to whom the alien has been delivered and returned forthwith to the

immigration officer making delivery. Sheets B and C shall be retained by the receiving officer and in due course filled out by the agents or persons therein designated and by them returned by mail as herein provided.

(b) *Procedure at foreign port of disembarkation.* The transportation line shall at its own expense forward the alien from the foreign port of disembarkation to his destination in charge of a proper attendant except only in cases where the foreign public officials decline to allow such attendant to proceed and themselves take charge of the alien, which fact shall be recorded by the transportation line by executing the form provided in the lower half of sheet C of Form I-287. If the foreign public officials do not take charge of the alien at the port of disembarkation, but at an interior frontier, both forms on sheet C shall be filled out, the former in relation to the inland journey as far as such frontier.

(c) *Failure of transportation line to provide special care.* Whenever a transportation line responsible for the expenses of the alien's deportation fails, refuses, or neglects to provide personal care and attention for such alien requiring such care and attention, or whenever such line fails, refuses, neglects to return sheets B and C of Form I-287, properly executed within 90 days after the departure of such alien, or otherwise fails, refuses, or neglects to comply with the provisions of this section, the district director shall thereafter and without notice employ suitable persons, at the expense of the transportation line, to accompany aliens requiring personal care and attention who are deported on any vessel or aircraft of such line.

§ 243.12 *Deportation of lepers.* Cases of aliens afflicted with leprosy shall be handled in accordance with the governing regulations and instructions issued by the Surgeon General, United States Public Health Service, Federal Security Agency.

§ 243.13 *Alien addict discharged from United States Public Health Service Hospital.* Any alien who has been sentenced to imprisonment and has been ordered deported and who has been transferred as an alien addict to a hospital of the United States Public Health Service provided for in the Public Health Service Act, as amended (58 Stat. 696; 42 U. S. C. 201 et seq.), shall be taken into custody upon his discharge from such narcotic farm and deported without requiring his return to the penal institution from which he came to such narcotic farm.

§ 243.14 *Notice to transportation line.* If an alien's deportation is to be effected by vessel or aircraft, notice of the proposed deportation shall be given to the transportation line concerned, together with a brief description of the alien and any other appropriate data, including the cause of deportation, the alien's physical and mental condition, and the place to which the alien is to be taken by such line. Any request from such line to defer the delivery of the alien for deportation shall be accompanied by a written agreement from the line

that it will be responsible for all detention expenses resulting from such deferment.

§ 243.15 *Deportation to foreign contiguous territory.* Aliens ordered deported to foreign contiguous territory shall be returned across the border at the nearest port unless humanitarian or other reasons make it advisable to effect deportation through some other port. Deportation to a seaport in such foreign territory shall be authorized whenever that appears advisable or more economical than deportation across a land boundary.

without the disclosure thereof to the applicant, if in the opinion of the officer or the Board making the determination the disclosure of such information would be prejudicial to the public interest, safety, or security.

SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 244.11 *Voluntary departure after issuance of warrant of arrest and prior to commencement of hearing—(a) Application.* The alien, if he believes that he is eligible for voluntary departure under section 244 (e) of the Immigration and Nationality Act, may, at any time subsequent to the issuance of a warrant of arrest and prior to the commencement of the hearing, apply therefor by filing an application with the district director or officer in charge having administrative jurisdiction over the office in which the deportation proceedings against such alien are pending.

SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 245.11 *Who may apply.* Any alien (including one admitted as a student under section 4 (e) of the Immigration Act of 1924) who entered the United States in good faith as a nonimmigrant, and who believes that he meets the eligibility requirements set forth in section 245 of the Immigration and Nationality Act, may apply for an adjustment of

status: *Provided,* That no alien who (a) has a nonimmigrant status under paragraph (15) (A), (15) (E), or (15) (G) of section 101 (a) of the Immigration and Nationality Act, or (b) has an occupational status which would, if he were seeking admission to the United States, entitle him to a nonimmigrant status under any of such paragraphs of section 101 (a) of the Immigration and Nationality Act, shall be eligible to apply for adjustment of status without first executing and submitting with his application the written waiver required by section 247 (b) of the Immigration and Nationality Act and Part 247 of this chapter.

§ 245.12 *Application.* Application for adjustment of status under this part shall be made on Form I-507, in duplicate. The application shall be completed in accordance with the instructions appearing thereon and shall be accompanied by (a) two photographs as described in Part 10 of this chapter, (b) the Form 557a, Form I-94C or other document issued to the applicant at the time of his entry as, or adjustment of status to, a nonimmigrant or as a student under section 4 (e) of the Immigration Act of 1924, and (c) documentary evidence establishing that the applicant meets the eligibility requirements set forth in section 245 of the Immigration and Nationality Act and § 245.11. Such documents shall include but shall not be limited to (1) any available official document showing the alien's police record, (2) any available official document showing the alien's prison record and military record in the United States or abroad, (3) record of the alien's birth, (4) a statement from the United States Department of State showing that a visa would be available to the alien on the date of his application for adjustment under this part, (5) if the alien is claiming non-quota status or preference quota status by reason of relationship to a United States citizen or alien lawfully admitted for permanent residence, official certifications establishing such relationship, including records of marriage, birth, and citizenship of the person with whom such relationship is claimed, (6) if claiming preference quota status under section 203 (a) (1) (A) of the Immigration and Nationality Act, a signed statement from the person, institution, firm, organization, or governmental agency for whom the alien is to perform the work, labor, or services, containing the information and accompanied by the documents required by Form I-129 and paragraph (a) of § 204.4 of this chapter, (7) a statement of the alien's net worth together with any employment records, bank records, copies of income tax returns or other evidence satisfactorily establishing that the alien is not likely to become a public charge, (8) statements from any institutions in which the alien may have been treated for a mental disease or disorder at any time, showing the nature and duration of such disorder and the result of the treatment, (9) documentary evidence, such as school records, employment records, business records, and the like, showing that the alien has continued to maintain his nonimmigrant

status. The applicant may submit photographic or typewritten copies of such documents, if such copies are by law permitted to be made, but in such case the original documents, if available, must be presented at the examination provided for in § 245.16.

§ 245.13 *Attorneys.* Attorneys or other persons authorized to practice before the Service who represent applicants shall be permitted to be present during the examination of the alien and the witnesses, to submit briefs and to review the record, either before it is forwarded to the district director, or thereafter, and prior to final decision.

§ 245.14 *Procedure upon acceptance of application.* Upon acceptance of an application, the applicant shall be requested to submit to an examination by a medical officer of the United States Public Health Service, whose report setting forth the findings of the mental and physical condition of the applicant shall be incorporated into the record. If an examination before such officer is impracticable and compliance therewith would cause the applicant undue hardship, a certificate from a civil surgeon having not less than four years' professional experience, and preferably one designated by the United States Public Health Service or Veterans' Administration, may, in the discretion of the district director, be accepted. Any applicant certified as insane or mentally defective may appeal to the Board of Medical Officers of the United States Public Health Service as provided in section 234 of the Immigration and Nationality Act. The applicant shall be given timely notice of the date and place of the examination provided for in § 245.16, and the case shall be assigned to an immigration officer for the purpose of conducting such examination.

§ 245.15 *Evidence; burden of proof.* All evidence adduced during an examination under this part may be used at any other proceeding, and the alien shall be duly informed of this fact. Any necessary changes in the application shall be consecutively numbered on the application form by such officer and acknowledged in writing by the applicant, or, in the case of a child, by his parent or guardian. The applicant shall at that time produce the available original documents, copies of which were submitted, or which he desires to be considered, in support of his application. Such copies or excerpts therefrom as are found to be pertinent shall be verified by the immigration officer from the originals, shall be appropriately marked and numbered for identification and made a part of the application. When no longer required

the original documents shall be returned to the applicant. The immigration officer shall then administer the oath or affirmation contained in Form I-507 and obtain the applicant's signature in the appropriate place on that Form. In cases in which the examining officer deems it necessary he shall conduct a further examination of the applicant or his parent or guardian by interrogation, under oath or affirmation. If the application, supporting documentary evidence, records of the Service, and the testimony adduced, established the applicant's eligibility for adjustment of status, no other witnesses shall be required, otherwise, such number of credible witnesses preferably citizens of the United States, as may be deemed necessary, shall be questioned under oath or affirmation by the officer concerning the applicant's eligibility for adjustment of status. If such witnesses cannot appear because of remoteness, physical disability, or any other cause which the officer deems satisfactory, their affidavits may be accepted in lieu of their personal appearance. The oral testimony given by the applicant, the parent or guardian, or the witnesses, shall not be reduced to writing in verbatim form or stenographically or mechanically recorded, but a résumé thereof shall be prepared and certified as true and correct by the immigration officer and made a part of the record. A verbatim record may be made of such testimony in any case in which the examining officer deems it advisable. If such verbatim record is made stenographically or mechanically recorded, it shall not be transcribed unless the district director denies the application.

(b) *Investigations.* Necessary investigations in other districts may, when feasible, be conducted by correspondence. If deemed necessary by the immigration officer, further investigations may be conducted by interview or by correspondence. The replies to such correspondence, and the reports of the investigation may be made a part of the record by the immigration officer.

If the officer is satisfied that the application should be granted, he shall so recommend. If the immigration officer is not satisfied that the application should be granted he shall recommend denial of the application. In any case he shall make a brief summary of the evidence and shall include in his report a statement as to the grounds and reasons for the recommendation. The application, record, supporting documents, photographs, and the report of the immigration officer shall then be transmitted to the district director having administrative jurisdiction over the office in which the examination was conducted. The district director shall approve or disapprove the recommendation of the immigration officer. If the dis-

trict director disapproves the recommendation, he shall state in writing his reasons for such disapproval.

(b) *Application denied.* If the district director denies the application, the applicant shall be notified in writing of such decision and of the reasons therefor and, at the same time, shall be advised of his right to appeal to the Assistant Commissioner, Inspections and Examinations Division, by filing a notice of appeal on Form I-290B. The notice of appeal shall be filed at the office of such district director within 10 days from the receipt of notification of such decision as provided in Part 7 of this chapter. The applicant may waive his right to appeal within the 10-day period. If an appeal is taken, the record shall be forwarded to the Assistant Commissioner, Inspections and Examinations Division for review and decision in accordance with Part 7 of this chapter. If appeal is waived or no appeal is taken within the time permitted, the decision of the district director shall thereupon become final.

(c) *Decision by Assistant Commissioner, Inspections and Examinations Division.* On appeal, the Assistant Commissioner, Inspections and Examinations Division may grant or deny the application for adjustment. The case shall then be returned to the office of origin. If the application has been denied, the district director shall so inform the applicant in writing. No appeal shall lie from the decision of the Assistant Commissioner, Inspections and Examinations Division.

(d) *Application granted; delivery of alien registration receipt card.* In any case in which the application for adjustment of status is granted, an alien registration receipt card, Form I-151, showing that the applicant has acquired the status of an alien lawfully admitted for permanent residence, shall be issued to the applicant. If the alien is in possession of any other documents evidencing compliance with the Alien Registration Act, 1940, or Chapter 7 of Title II of the Immigration and Nationality Act, he shall be required to surrender it.

(e) *Application denied; further action.* If no appeal is taken from the decision of the district director denying the application, or if the Assistant Commissioner on appeal denies the application, the district director shall take such action as is necessary under existing law and regulations to effect the alien's departure from the United States.

SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 246.11 *Investigation and report.* If, at any time within five years after the status of a person has been adjusted under any provision of law to that of an alien lawfully admitted for permanent residence, evidence becomes available that such person was not eligible for such adjustment, a complete report shall be submitted to the district director having administrative jurisdiction over such person's last known place of residence in the United States.

§ 246.12 *Notice.* If on the basis of the evidence presented, the district director receiving the report is satisfied that a prima-facie showing has been made that the person was not in fact eligible for the adjustment of status made in his case, he shall cause a notice to be served on such person informing him that it is intended to rescind the adjustment of status, and of the grounds upon which it is intended to base such rescission. The notice shall also inform the person to whom it is addressed that he may submit, within 30 days from the date of service of the notice, an answer in writing under oath, setting forth reasons why such rescission should not be made. The notice shall also advise the person to whom it is addressed that he may, within such period and upon his request have an opportunity to appear in person, in support or in lieu of his written answer, before such immigration officer as may be designated for that purpose. The person to whom the notice is addressed shall further be advised therein that he may have the assistance of counsel, without expense to the government of the United States, in the preparation of his answer or in connection with such personal appearance, and shall have opportunity to examine, at the appropriate office of the Service, the evidence upon which it is proposed to base such rescission.

(b) *Answer filed; personal appearance not requested.* Upon receipt of an answer asserting defense to the allegations in the notice, without request for an interview the case shall be assigned to an immigration officer for consideration. The immigration officer shall prepare a report of his findings and make a recommendation as to whether the adjustment of status should be rescinded. The record in the case, including the report and recommendation of the immigration officer, shall be forwarded to the district director who caused the notice to be served. The district director shall note on the report of the immigration officer whether he approves or disapproves the recommendation of the immigration officer. From the decision of the district director an appeal may be taken to the Assistant Commissioner, Inspections and Examinations Division, within 10 days from the receipt of notification of the decision, as provided in Part 7 of this chapter. At the conclusion of the interview the immigration officer shall prepare a report setting forth a summary of the evidence and findings of fact and conclusions of law based on such evidence. The report shall conclude with

The party affected may waive an appeal. If no appeal is taken, or if the appeal is waived, the decision of the district director shall be final.

§ 246.14 *Decision by Assistant Commissioner, Inspections and Examinations Division.* If the decision of the Assistant Commissioner, Inspections and Examinations Division, is that the adjustment of status be rescinded and such status was acquired through suspension of deportation, he shall cause further action to be taken as provided in section 246 of the Immigration and Nationality Act to present the case to the Congress. In any other case, the file and all of the papers in the matter shall be returned to the district director who shall inform the party affected of the decision. No appeal shall lie from the decision of the Assistant Commissioner, Inspections and Examinations Division.

SUBPART A—SUBSTANTIVE PROVISIONS

§ 247.1 *Adjustment of status of resident aliens to nonimmigrant status; authority.* Subject to the limitations provided in this part, the authority contained in section 247 of the Immigration and Nationality Act to adjust the status of certain resident aliens to nonimmigrant status may be exercised by district directors.

SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 247.11 *Investigation and report.* If at any time evidence becomes available that an alien who was lawfully admitted for permanent residence has an occupational status which, if he were seeking admission to the United States, would entitle him to a nonimmigrant status under paragraph 15 (A), 15 (E), or 15 (G), of section 101 (a) of the Immigration and Nationality Act, a complete report shall be submitted to the district director having administrative jurisdiction over such alien's place of residence.

§ 247.12 *Notice.* If on the basis of the evidence presented, the district director receiving the report is satisfied that a prima-facie showing has been made that the alien has an occupational status described in § 247.11 he shall cause a notice to be served on such alien informing him that it is proposed to adjust his status, unless (a) the alien requests that he be permitted to retain his status as a resident alien and executes and files with such district director a Form I-508 in duplicate (Waiver of all Rights, Privileges, Exemptions and Immunities) within 10 days from receipt of the notice; or (b) the alien, within such 10 day period, files with the district director a written answer under oath setting forth reasons why his status should not be adjusted. The notice shall also advise the person to whom it is addressed that he may, within such period and upon his request have an opportunity to appear in person, in support or in lieu of his written answer, before such immigration officer as may be designated for that purpose. office of the Service, the evidence upon which it is proposed to base such adjustment.

§ 247.13 *Disposition of case*—(a) *Allegations admitted or no answer filed*. If Form I-508 is not filed by the alien within the time prescribed, and (1) the answer admits the allegations in the notice, or (2) no answer is filed, the district director shall place a notation on the notice describing the alien's adjusted nonimmigrant status and shall cause a set of Forms I-94 to be prepared evidencing the nonimmigrant classification to which the alien has been adjusted. The Form I-94C shall be delivered to the alien and shall constitute notice to him of such adjustment. The alien's nonimmigrant status shall be for such time, under such conditions, and subject to such regulations as are applicable to the particular nonimmigrant status granted and shall be subject to such other terms and conditions, including the exaction of bond, as the district director may deem appropriate.

(b) *Answer filed; personal appearance not requested*. Upon receipt of an answer asserting a defense to the allegations made in the notice, without request for a personal appearance, the matter shall be assigned to an immigration officer for consideration. The immigration officer shall prepare a report of his findings and make a recommendation as to whether the status should be adjusted. The record and the report and recommendation of the immigration officer shall be forwarded to the district director who caused the notice to be served. The district director shall note on the report of the immigration officer whether he approves or disapproves the recommendation of the immigration officer. If the decision of the district director is that the matter be terminated, the party affected shall be informed of such decision. If the district director determines that the status of the alien should be adjusted to that of a nonimmigrant, his decision shall provide that unless the alien, within 10 days of receipt of notification of such decision, requests permission to retain his status as an immigrant and files with the district director Form I-508 in duplicate, the alien's immigrant status be adjusted to that of a nonimmigrant. The alien shall be informed of such decision, the reasons therefor, and that he has 10 days from the receipt of notification of such decision within which he may appeal to the Assistant Commissioner, Inspections and Examinations Division, in accordance with Part 7 of this chapter. The party affected may waive an appeal. If the appeal is waived or if no appeal is taken within the time allowed, the decision of the district director shall be final. If the alien does not request that he be permitted to retain status and file the Form I-508 within the period provided therefor, the district director, without further notice to the alien, shall cause a set of Forms I-94 to be prepared evidencing the nonimmigrant classification to which the alien has been adjusted. The Form I-94C shall be delivered to the alien. The alien's nonimmigrant status shall be for such time, under such condi-

tions, and subject to such regulations as are applicable to the particular nonimmigrant status created and shall be subject to such other terms and conditions, including the exaction of bond, as the district director may deem appropriate.

(c) *Answer filed; personal appearance requested or directed*. If the party affected has filed an answer asserting a defense to the allegations in the notice and containing a request for a personal appearance, or if at any time the district director or the Assistant Commissioner, Inspections and Examinations Division, so directs, the party shall be given an opportunity to be interviewed by an immigration officer for the purpose of presenting evidence as to whether his status shall be adjusted to that of an immigrant. The party may be represented at the interview by counsel of his own choice at no expense to the Government. All evidence pertinent to the matter, including the testimony of any witnesses, shall be incorporated into the record. At the conclusion of the interview the immigration officer shall prepare a report setting forth a summary of the evidence and findings of fact and conclusion of law based on such evidence. The report shall conclude with a recommendation which shall be either (1) that the status be adjusted, or (2) that the matter be terminated. The complete record, including the report and recommendation of the immigration officer, shall be forwarded to the district director. The district director shall note on the report of the immigration officer whether he approves or disapproves the recommendation of the immigration officer. If the decision of the district director is that the matter be terminated, the party affected shall be informed of such decision. If the district director determines that the status of the alien should be adjusted to that of a nonimmigrant, his decision shall provide that unless the alien, within 10 days of receipt of notification of such decision, requests permission to retain his status as an immigrant and files with the district director Form I-508 in duplicate, the alien's immigrant status be adjusted to that of a nonimmigrant. The alien shall be informed of such decision, the reasons therefor, and that he has 10 days from the receipt of notification of such decision within which he may appeal to the Assistant Commissioner, Inspections and Examinations Division, in accordance with Part 7 of this chapter. The party affected may waive an appeal. If the appeal is waived or if no appeal is taken within the time allowed, the decision of the district director shall be final. If the alien does not request that he be permitted to retain status and file the Form I-508 within the period provided therefor, the district director shall, without further notice to the alien, cause a set of Forms I-94 to be prepared evidencing the nonimmigrant classification to which the alien has been adjusted. The Form I-94C shall be delivered to the alien. The alien's nonimmigrant status shall be for such time, under such conditions, and subject to such regulations as

are applicable to the particular nonimmigrant status created and shall be subject to such other terms and conditions, including the exaction of bond, as the district director may deem appropriate.

§ 247.14 *Decision by Assistant Commissioner, Inspections and Examinations Division*. The Assistant Commissioner's decision shall be transmitted to the district director who shall advise the party affected of the decision. No appeal shall lie from the decision of the Assistant Commissioner, Inspections and Examinations Division. If the Assistant Commissioner determines that the status of the alien should be adjusted to that of a nonimmigrant, his decision shall provide that unless the alien, within 10 days of receipt of notification of such decision, requests permission to retain his status as an immigrant and files with the district director Form I-508 in duplicate, the alien's immigrant status be adjusted to that of a nonimmigrant. If the alien does not request that he be permitted to retain status and file the Form I-508 within the period provided therefor, the district director, without further notice to the alien, shall cause a set of Forms I-94 to be prepared evidencing the nonimmigrant classification to which the alien has been adjusted. The Form I-94C shall be delivered to the alien. The alien's nonimmigrant status shall be for such time, under such conditions, and subject to such regulations as are applicable to the particular nonimmigrant status created and shall be subject to such other terms and conditions, including the exaction of bond, as the district director may deem appropriate.

Otherwise, such number of credible witnesses preferably citizens of the United States, as may be deemed necessary, shall be questioned under oath or affirmation by the officer concerning the facts of the applicant's eligibility for removal. If such witnesses cannot appear because of remoteness, physical disability, or any other cause which the officer deems satisfactory, their affidavits may be accepted in lieu of their personal appearance. The oral testimony given by the applicant, the parent or guardian, or the witnesses, shall not be reduced to writing in verbatim form or stenographically or mechanically recorded, but a résumé thereof shall be prepared and certified as true and correct by the immigration officer and made a part of the record. A verbatim record may be made of such testimony in any case in which the examining officer deems it advisable. If such verbatim record is made stenographically or mechanically recorded, it shall not be transcribed unless the district director denies the application.

(b) *Investigations.* Necessary investigations in other districts may, when feasible, be conducted by correspondence. If deemed necessary by the immigration officer, further investigations may be conducted by interview or by correspondence. The replies to such correspondence, and the reports of the investigation may be made a part of the record by the immigration officer.

§ 250.16 *Disposition of case.* Upon completion of the examination the immigration officer shall prepare a report of his findings as to the essential facts prescribed by section 250 of the Immigration and Nationality Act and § 250.11, together with his recommendation. If the officer is satisfied that the application should be granted he shall so recommend. If the immigration officer is not satisfied that the application should be granted he shall recommend denial of the application. In any case he shall make a brief summary of the evidence and shall include a statement as to the grounds and reasons for the recommen-

The application, record, supporting documents, and the report of the immigration officer shall then be transmitted to the district director having administrative jurisdiction over the office in which the examination was conducted. The district director shall approve or disapprove the recommendation of the immigration officer. The applicant shall be notified in writing of the decision of the district director and, if the decision is that the application be denied, of the reasons therefor. No appeal shall lie from the decision of the district director.

§ 250.17 *Action subsequent to granting of application.* If the district director grants the application he shall issue authorization on Form I-202 for the alien's removal. Upon issuance of the authorization for removal, or as soon thereafter as practicable, the alien may be removed from the United States at government expense.

§ 251.3 *Listing of crewmen who are nationals of the United States.* In every case in which a crew list is required to be delivered upon arrival, crewmen of vessels or aircraft who are nationals of the United States shall be listed on the same form and the same information noted thereon as in the cases of alien crewmen.

§ 251.4 *Report of crewman on board certain vessels or aircraft.* The master, commanding officer or agent of a vessel or aircraft which arrives at a port in the continental United States or at a port in any other place under the jurisdiction of the United States without touching at a foreign port, on a voyage originating in Hawaii, Alaska, Guam, Puerto Rico, or the Virgin Islands of the United States, shall submit in writing to the United States immigration officer at the port of arrival the surname, given name, middle initial and nationality of each crewman on board such vessel or aircraft, and in addition, in the case of vessels, the residence of each such crewman.

SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 251.31 *Arrival crew lists for vessels other than Great Lakes vessels.* The lists required by section 251 (a) of the Immigration and Nationality Act and § 251.3 for vessels other than Great Lakes vessels shall be submitted on Form I-480 and shall be delivered to the United States immigration officer boarding the vessel at the first port of arrival in the United States, who, in the event the vessel has to call at any other port in the United States, shall give the master of the vessel a receipt therefor. Except as otherwise provided in this section for a vessel making voyages to and from the same port in the United States at regular or periodic intervals and returning resident alien crewman, the persons responsible for the delivery of the alien crew list and as a part thereof shall prepare a set of Forms I-95 for each arrival in the United States of an alien crewman on board a vessel and shall deliver them to such crewman for presentation by him, with any Foreign Service Forms 256, 257 or Immigration Forms I-132 or I-151 in his possession, to the United States immigration officer at the first port of arrival in the United States. If the crewman for whom a set of Forms I-95 is prepared has an immigrant or nonimmigrant visa the visa number shall be noted on all copies of the Form I-95 in the box entitled "Visa or Alien Registration number". If he is a returning resident alien crewman his alien registration receipt number shall be noted

on all copies of Form I-95 in the box entitled "Visa or Alien Registration number". In the case of a vessel making voyages to and from the same port in the United States at regular or periodic intervals, Forms I-95 shall be prepared for each alien crewman upon his first arrival in the United States on board such vessel after December 23, 1952. Within one year of such arrival, another set of Forms I-95 shall not be prepared for the same crewman provided he is serving aboard the same vessel, is arriving at the same port in the United States, and is in possession of the Form I-95A issued to him at the time of his first landing. In the case of a returning resident alien crewman, a set of Forms I-95 shall be prepared upon his first arrival in the United States after December 23, 1952. § 251.32 *Arrival crew lists for Great Lakes vessels—(a) International ferries.* On the first arrival of an international ferry in the United States after the opening of the navigation season, or, if operating year-round, on the first arrival after January 1, each year, the list required by section 251 (a) of the Immigration and Nationality Act and § 251.3 shall be submitted on Form I-481 and shall be delivered to the immigration officer boarding the vessel at the first port of arrival in the United States. Thereafter during the same calendar year a crew list shall not be required unless there is a change in the crew of the vessel, either by increase, decrease or substitution. If any such change occurs, there shall be submitted on its first arrival after the change occurs a supplemental crew list on Form I-481 containing only information relative to crewmen who have left the crew or who were engaged since the crew list was furnished. The provisions of this section are in addition to and not in substitution for the requirements of § 251.36. Except as otherwise specifically provided in this part all other provisions of the Immigration and Nationality Act and of this chapter applicable to vessels and crewmen generally shall apply to Great Lakes vessels and crewmen serving thereon.

(b) *Great Lakes vessels other than international ferries.* On every arrival in the United States of a Great Lakes vessel other than an international ferry, a crew list on Form I-481 shall be delivered to the immigration officer boarding the vessel at its first port of arrival in the United States.

(c) *Preparation of Forms I-95.* On the first arrival of a Great Lakes vessel in the United States after December 23, 1952, the persons responsible for the delivery of the alien crew list, and as a part thereof, shall prepare a set of immigration Forms I-95 for each alien crewman on board the vessel and shall deliver them to such crewman for presentation by him, with any Foreign Service Forms 256 or 257 or immigration Forms I-132 or I-151 in his possession, to the United States immigration officer at

the first port of arrival in the United States. If the crewman for whom a set of Forms I-95 is prepared has an immigrant or nonimmigrant visa, the visa number shall be noted on all copies of the Forms I-95 in the box entitled "Visa or Alien Registration number". If he is a returning resident alien crewman, his alien registration receipt number shall be noted on all copies of the Forms I-95 in the box entitled "Visa or Alien Registration number". Within one year of such arrival, another set of Forms I-95 shall not be prepared for the same crewman so long as he continues to be a crewman of a Great Lakes vessel and is in possession of the Form I-95A issued to him at the time of his first landing.

(d) *Notification of arrivals.* The master of Great Lakes vessels shall immediately notify the officer in charge of the office having administrative jurisdiction over the port of arrival in the United States of every arrival of his vessel at such port except where such arrival is pursuant to a published schedule.

(e) *Designation of international ferries.* The district director of each of the districts of the Service having jurisdiction over ports of entry located on the bodies of water listed in § 251.1 (a) may in his discretion designate a Great Lakes vessel as an international ferry in his district. The district director may revoke the designation of international ferry with respect to vessels so designated by him. The district director shall notify the company or master by letter of such designation and of any revocation thereof. Request for designation as an international ferry shall be made by letter addressed to the district director having administrative jurisdiction over the port or ports at which the vessel is to arrive in the United States. Designation as an international ferry may be granted for such time and under such conditions as the district director deems appropriate.

§ 251.33 *Arrival crew lists for aircraft.* The lists required by section 251 (a) of the Immigration and Nationality Act and § 251.3 shall be submitted on Customs Form 7507 in the space provided for the listing of the crew, shall contain the information indicated on the form and shall be delivered to the immigration officer inspecting the aircraft at the international airport or other place of first landing in the United States. Except as otherwise provided in this section for aircraft making voyages to and from the United States at regular or periodic intervals and returning resident alien crewman, the persons responsible for the delivery of the alien crew list and as a part thereof shall prepare a set of Forms I-95 for each arrival in the United States of an alien crewman on board the aircraft and shall deliver them to such crewman for presentation by him, with any Foreign Service Forms 256, 257 or immigration Forms I-122 or I-151 in his possession, to the United States immigration officer at the first airport of arrival in the United States. If the crewman for whom a set of Forms I-95 is prepared has an immigrant or nonimmigrant visa the visa number shall be noted on all copies of the Form I-95 in

the box entitled "Visa or Alien Registration number". If he is a returning resident alien crewman his alien registration receipt number shall be noted on all copies of Form I-95 in the box entitled "Visa or Alien Registration number". In the case of an aircraft making flights to and from the United States at regular or periodic intervals, Forms I-95 shall be prepared for each alien crewman upon his first arrival in the United States on board such aircraft after December 23, 1952. Within one year of such arrival, another set of Forms I-95 shall not be prepared for the same crewman provided he is serving as a crewman aboard the same aircraft or an aircraft of the same transportation line and is in possession of the Form I-95A issued to him at the time of his first landing. In the case of a returning resident alien crewman, a set of Forms I-95 shall be prepared upon his first arrival in the United States after December 23, 1952. Within one year of such arrival, another set of Forms I-95 shall not be prepared for the same crewman provided he is in possession of the Form I-95A issued to him at the time of such first arrival.

§ 251.34 *Arrival crew list for certain aircraft not required.* Aircraft coming directly to the continental United States or Alaska on a trip which originated in Canada or the French islands of St. Pierre or Miquelon shall not be regarded as arriving in the United States from any place outside the United States for the purposes of section 251 (a) of the Immigration and Nationality Act and § 251.3, and the provisions of those sections and of § 251.33 shall not apply to such aircraft. Nothing in this section shall be regarded as exempting any crewman from any of the applicable documentary requirements of the Immigration and Nationality Act or of this chapter. Upon the first arrival in the United States after December 23, 1952, of an aircraft within the scope of this section, the commanding officer or agent of such aircraft shall prepare a set of Forms I-95 for each alien crewman serving on board such aircraft. Within one year of such arrival, another set of Forms I-95 shall not be prepared for the same alien crewman provided he is in possession of the Form I-95A issued to him at the time of such first landing and he continues to be employed as an alien crewman by the same transportation line.

§ 251.35 *Illegal landing of alien crewman; notice.* The notice required by section 251 (b) of the Immigration and Nationality Act to be furnished regarding any alien crewman who may have landed illegally in the United States from a vessel or aircraft shall be in writing, shall contain the information required by that section of the Immigration and Nationality Act, and shall be delivered promptly by mail or in person to the officer in charge of the port where the illegal landing occurred. The notice shall also contain the alien's name, number of any document issued to him, nationality, description, and any photograph or other available documents which might aid in locating and apprehending such crewman.

§ 251.36 *Listing of change in crew of vessel or aircraft.* The list required by section 251 (c) of the Immigration and Nationality Act shall be submitted on Form I-489. Except with respect to international ferries, if no change in crew occurs that fact shall be noted on Form I-489. For the purposes of section 251 (c) of the Immigration and Nationality Act and this section, aircraft shall not be regarded as departing from a port in the United States if such aircraft departs from the continental United States or Alaska and is destined directly to Canada or the French islands of St. Pierre or Miquelon. The persons responsible for the delivery of Form I-489 shall attach to and make a part of the Form I-489 all Forms 257a and I-95A surrendered to the master or commanding officer by departing members of the crew, as provided in § 252.11 of this chapter, after recording thereon the name or identification marks of the vessel or aircraft, respectively, and the date and port of its departure from the United States.

(3) If admitted under section 252 (a) (1) of the Immigration and Nationality Act, the crewman agrees to leave the United States and each port of the United States at which permitted to land on board the vessel or aircraft which brought him to the United States.

(b) *Period of time allowed.* The period of time for which an immigration officer may permit the temporary landing of a crewman who is qualified therefor under the provisions of paragraph (a) of this section is the applicable period provided in section 252 (a) (1) or in section 252 (a) (2) of the Immigration and Nationality Act.

(c) *Landing under section 252 of the Immigration and Nationality Act.* The immigration officer authorizing an alien crewman's landing under section 252 of the Immigration and Nationality Act shall note the crewman's set of immigration Forms I-95 to show the date and port of landing, the name or identification marks of the vessel or aircraft on which the crewman arrived and whether landing was authorized under clause (a) (1) or clause (a) (2) of section 252 of that Act. The Form I-95A shall be placed in the crewman's passport and shall constitute his conditional permit to land. Any Foreign Service Form 257a presented by the alien crewman and which bears a valid nonimmigrant visa issued to the alien as a crewman pursuant to section 101 (a) (15) (D) of the Immigration and Nationality Act shall be appropriately noted and returned to the crewman for presentation on subsequent arrivals in the United States.

§ 252.2 *Arrest and deportation of certain crewmen landed under section 252 (a) (1) of the Immigration and Nationality Act—(a) Violation of landing privilege.* An alien permitted to land conditionally as a crewman under section 252 (a) (1) of the Immigration and Nationality Act shall, within the period for which he was permitted to land, be taken into custody by an immigration officer without a warrant of arrest and made the subject of further proceedings under the provisions of section 252 (b) of the Immigration and Nationality Act and § 252.31 if:

(1) It is determined that such alien crewman is not a bona fide crewman; or

(2) Such alien crewman does not intend to depart on the vessel or aircraft which brought him to the United States.

(b) *When not considered a bona fide crewman.* For the purposes of this section, an alien crewman shall be considered not to be a bona fide crewman if:

(1) He violates or fails to fulfill any of the conditions of his admission imposed at the time of his landing; or

(2) He evidences in any way an intention to violate or fail to fulfill any of the conditions of his admission imposed at the time of his landing; or

(3) He engages in any activity inconsistent with the status of a crewman; or

(4) He was not entitled under the Immigration and Nationality Act to land as a crewman at the time of such landing.

(c) *When deemed not to intend to depart.* For the purposes of this section

an alien crewman shall be deemed not to intend to depart on the vessel or aircraft which brought him to the United States if:

(1) He evidences orally, by writing, or by conduct an intention not to depart on the vessel or aircraft on which he arrived; or

(2) He is found at such a distance from the port of landing that it is not possible for him to return to the vessel or aircraft prior to its departure from such port; or

(3) By reason of his own conduct it is or will be impossible for him to depart on the vessel or aircraft on which he arrived.

(d) *Other grounds for deportation.* Nothing in this section shall be construed as setting forth the sole grounds on which it may be determined that an alien crewman is not a bona fide alien crewman or that an alien crewman does not intend to depart on the vessel or aircraft which brought him to the United States or to depart on a vessel or aircraft within the period for which he was permitted to land temporarily, or as setting forth the sole grounds of deportation.

§ 252.3 *Arrest and deportation of crewmen not within the purview of § 252.2—(a) Violation of status; determination of deportability.* The question of the deportability of an alien crewman not within the purview of § 252.2 who is believed to be subject to deportation shall be determined in accordance with the procedure set forth in section 242 of the Immigration and Nationality Act and Part 242 of this chapter. Such an alien crewman shall, within the meaning of section 241 (a) (9) of the Immigration and Nationality Act, be deemed to have failed to maintain his nonimmigrant status under sections 101 (a) (15) (D) and 252 of the Immigration and Nationality Act and under this part if:

(1) It is determined that he is not a bona fide crewman; or

(2) He does not intend to depart on a vessel or aircraft within the period for which he was permitted to land.

(b) *When not considered bona fide.* For the purposes of this section, an alien crewman shall be considered not to be a bona fide crewman under any of the circumstances listed and described in § 252.2 (b).

(c) *When deemed not to intend to depart.* For the purposes of this section, an alien crewman shall be deemed not to intend to depart on a vessel or aircraft within the period for which he was permitted to land temporarily if:

(1) He evidences orally, by writing, or by conduct an intention not to depart on a vessel or aircraft within the period of time for which he was permitted to land temporarily; or

(2) By reason of his own conduct it is or will be impossible for him to depart on a vessel or aircraft within the period for which he was permitted to land; or

(3) He remains in the United States after the expiration of the time for which he was permitted to land.

(d) *Other grounds for deportation.* Nothing in this section shall be construed as setting forth the sole grounds on

which it may be determined that an alien crewman is not a bona fide alien crewman, or that an alien crewman does not intend to depart on the vessel or aircraft which brought him to the United States or to depart on a vessel or aircraft within the period for which he was permitted to land temporarily, or as setting forth the sole grounds of deportation.

§ 252.4 *Request for change of period of landing.* An alien crewman permitted to land for the period set forth in section 252 (a) (1) of the Immigration and Nationality Act who is maintaining his status but who desires to depart as a member of the crew of a vessel or aircraft other than the one on which he arrived, may, within the period for which permitted to land, apply in person to an immigration officer to have his landing changed to that authorized under section 252 (a) (2) of the Immigration and Nationality Act.

§ 252.5 *Crewmen seeking admission other than in pursuit of calling.* An alien crewman applying for admission to the United States in a status other than that described in section 101 (a) (15) (D) of the Immigration and Nationality Act shall be required to comply with all of the provisions of the immigration laws to the same extent as though he were a passenger. Nothing in this section shall be deemed to exempt the transportation line on whose vessel or aircraft such alien crewman arrived in the United States from any of the responsibilities or liabilities imposed upon it by the immigration laws with respect to alien crewmen.

§ 252.6 *Special provisions applicable to crewman of Great Lakes vessels—(a) Definitions.* The definitions of the terms contained in § 251.1 of this chapter shall apply to this section.

(b) *Crew inspection: first trip of vessel of year or season—(1) By whom conducted.* A full time immigration officer shall conduct the immigration examination of the crew of every Great Lakes vessel on the occasion of its first arrival each year or season in the United States. In addition to the notation required by § 252.1 (c), the immigration officer authorizing the landing of a crewman of a Great Lakes vessel shall note the words "Great Lakes" on all copies of the Form I-95.

(2) *Extent of immigration examination.* A crewman aboard a Great Lakes vessel shall be examined in accordance with the provisions of the immigration laws applicable to crewmen generally upon the vessel's first arrival of year or season.

(3) *Medical examination.* At the time of the immigration examination of the crew of a Great Lakes vessel arriving for the first time during a year or season, the medical examination required by the Immigration and Nationality Act shall be given each member of the crew. The examining immigration officer shall not permit the crewman to land until and unless he has been medically examined and passed. The medical officer shall place on all copies of the Form I-95 an appropriate dated notation stating that

the alien has been medically examined and passed, if that is the case.

(c) *Crew inspection; subsequent arrival of vessel during year or season.*—(1) *By whom conducted.* Whenever an international ferry operating year-round makes its second or later arrival after January 1 each year, or whenever any other Great Lakes vessel operating seasonally makes its second or later arrival after the season's opening, the examination of the crew shall be conducted by a full-time immigration officer if one can conveniently be assigned; otherwise the examination of the crew shall be conducted by an immigration officer (excepted). An immigration officer (excepted) shall have authority to permit a crewman of a Great Lakes vessel to land for the period set forth in section 252 of the Immigration and Nationality Act only if such crewman presents the Form I-95A previously issued to him at the time of his first arrival during the year or season provided he has no reason to believe that such crewman is inadmissible to the United States. A crewman making his first arrival of the year or season in the United States aboard a Great Lakes vessel which is making its second or later arrival shall not be permitted to land until he is examined by a full time immigration officer. The provisions of paragraph (b) shall be applicable to such a crewman.

(2) *Extent of subsequent immigration examination.* A crewman of a Great Lakes vessel shall be examined as provided in the Immigration and Nationality Act and this section each time he arrives from Canada, except that in the case of international ferries the crew examination after the initial trip of the year or season shall consist only of whatever inquiry is necessary to determine that there has been no unreported change in the crew and that all members of the crew have been properly documented for landing. A crewman of a Great Lakes vessel shall meet whatever documentary requirements apply to his case each time he applies for permission to land in the United States.

(3) *Medical examination.* A crewman of a Great Lakes vessel who has been given a medical examination during the navigation season, or during the calendar year if employed on an international ferry operating year-round, and whose Form I-95A bears the medical notation stating that the alien has been medically examined and passed, shall not be subject to medical reexamination during the same year or season unless the examining immigration officer believes that such reexamination might disclose grounds for exclusion or the denial of landing privilege. If any medical reexamination results in certification which renders the alien inadmissible, the medical officer shall invalidate any favorable medical endorsement previously noted on the Form I-95A.

(4) *Revocation of Form I-95A.* If a crewman of a Great Lakes vessel in possession of a Form I-95A previously issued to him is subsequently found to be inadmissible to the United States, an immigration officer shall take up such Form I-95A.

SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 252.11 *Disposition of entry documents of aliens departing as crewmen.* Except in those cases in which Forms 257a, I-94C, I-95A, or I-100a are not required to be surrendered by aliens departing from the United States as provided in §§ 221.2 (b), and 221.3 (d) of this chapter and this section, an alien departing from the United States as a crewman aboard a vessel or aircraft shall surrender to the master or commanding officer any Form 257a, I-94C, I-95A, or I-100a issued to him at the time of his arrival in the United States. For each alien crewman who departs with the vessel or aircraft, who is required, but fails, to surrender any of the forms enumerated in this paragraph, the master or commanding officer shall prepare a Form I-424. The master or commanding officer shall attach the Forms 257a, I-94C, I-95A, I-100a or I-424 to the Form I-439 or, if a Form I-439 is not required to be submitted, shall surrender such forms to the United States immigration officer at the port of departure from the United States. Form 257a need not be surrendered if it bears a valid nonimmigrant visa issued pursuant to section 101 (a) (15) (D) of the Immigration and Nationality Act with enough of the period of validity remaining to enable the alien to use the visa for an additional voyage or voyages to the United States as a crewman. Form I-95A need not be surrendered until one year from the date in which it was issued in any of the following cases and shall, provided the crewman is found otherwise admissible under the Immigration laws and such form is noted by the examining immigration officer on each subsequent arrival, constitute the crewman's conditional permit to land upon subsequent arrivals during such year:

(1) A crewman of a vessel making voyages to and from the same port in the United States at regular or periodic intervals provided he departs as a crewman within the period for which he was permitted to land aboard the same vessel and on the same voyage on which he arrived.

(2) A resident alien crewman.

(3) A crewman of an aircraft making flights to and from the United States at regular or periodic intervals, for such time as he continues to be employed as a crewman by the same transportation line, provided he departs as a crewman, within the period for which he was permitted to land, on the aircraft on which he arrived or on another aircraft of the same transportation line.

(4) A crewman who departs as a member of the crew of a Great Lakes vessel.

(5) A crewman of an aircraft described in § 251.34 of this chapter, for such time as he continues to be employed as a crewman by the same transportation line, provided he departs as a crewman within the period for which he was permitted to land, on the aircraft on which he arrived or another aircraft of the same transportation line.

§ 252.21 *Procedure for arrest and deportation of certain crewmen landed*

under section 252 (a) (1) of the Immigration and Nationality Act. If, after investigation, an immigration officer determines that under § 252.2 (a) an alien crewman should be arrested and deported, he shall, if the alien is not confined in a penal or mental institution, and without obtaining a warrant of arrest, take such alien into custody and shall then and there fully advise him of the cause of his apprehension. If the alien is confined in a penal or mental institution he shall not be taken into physical custody until released from confinement, whether on parole or otherwise, but in such case the institution shall be advised of the interest of the Service in the case so that the Service may be informed prior to any release of the alien. Immediately upon taking the alien into custody the immigration officer shall satisfy himself as to (a) the identity, (b) alienage, and (c) deportability of the alien as a member of any of the classes enumerated in § 252.2 (a). If the immigration officer determines that the person apprehended is an alien crewman within one of the classes enumerated in § 252.2 (a), he shall revoke the crewman's conditional permit to land by writing thereon the word "Revoked" and the date of revocation, and if the conditional permit to land is a Form 257a or Form I-95A, such form shall be taken up by such officer. If prosecution under section 252 (c) of the Immigration and Nationality Act is not contemplated, the alien crewman shall be returned immediately to the vessel or aircraft on which he came to the United States and deported thereon. If prosecution is contemplated, or, if the crewman is confined in a penal or mental institution, the crewman shall not be so returned for deportation until after trial, imprisonment (if sentenced thereto), or until release from the penal or mental institution, respectively. If it is not practicable to deport a crewman on the vessel or aircraft on which he came to the United States, he shall be deported on another vessel or aircraft of the same transportation line. If that is not practicable, the crewman shall be deported in any other manner at the expense of the transportation line which brought him to the United States. A notice to detain and deport on Form I-259 shall be served on the master or commanding officer of the vessel or aircraft on which the alien crewman is to be deported. The procedure prescribed by section 242 of the Immigration and Nationality Act and Part 242 of this chapter shall not apply to an alien crewman who is within the purview of § 252.2. No appeal by an alien crewman shall lie from the revocation of his conditional permit to land and his deportation under this part.

§ 252.41 *Change in period of landing; procedure by immigration officer.* If the immigration officer to whom an alien crewman applies for change of his landing is satisfied that the alien will depart as a member of the crew of a vessel or aircraft other than the one on which he arrived, he may, in his discretion, grant the alien crewman's request and permit him to remain in the United States for

SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

Under no circumstances shall hospital bills incurred on account of such a returned alien be paid from the appropriation for the enforcement of the immigration laws. Maintenance expenses incurred pending final determination of the status of such alien may be paid from said appropriation.

An alien so brought to the United States whose occupational status as a seaman or airman is found by the examining immigration officer to be bona fide, who seeks to enter the United States solely in pursuit of his calling as a seaman or airman, but who arrives other than as a member of the crew, may be admitted, if found to be otherwise admissible, as a nonimmigrant visitor for business for a period not to exceed 29 days and under the conditions enumerated in § 252.1 (a) (1) and (2) of this chapter. The latter officer shall proceed in the manner hereinbefore provided upon the arrival of the vessel or aircraft at such port of call to have the alien removed for observation. If the vessel or aircraft having such alien suspected of being afflicted on board arrives at a port at which there are no proper facilities for observation, if no arrangements elsewhere therefor are practicable and the vessel or aircraft is not proceeding to another port in the United States possessing such facilities or is proceeding directly to a foreign port, an order to deport shall be served as provided in Part 254 of this chapter.

vided in this part, any alien in the United States who was registered under Title III of the Alien Registration Act, 1940, who for any reason has not been issued an alien registration receipt card or in whose case such card remains undelivered, shall be furnished with an alien registration receipt card on the appropriate form prescribed in this part as soon as practicable. If the identity of any such alien or the mailing address is unknown, such action shall be initiated upon the receipt of that information from any source.

(c) *Forms constituting alien registration receipt cards under the Immigration and Nationality Act.* In addition to any form specifically stated elsewhere in this chapter to be an alien registration receipt card issued pursuant to section 264 (d) of the Immigration and Nationality Act, the forms listed in this paragraph shall, under the conditions specified, also constitute alien registration receipt cards.

(1) *Form I-151.* When an alien with an unexpired immigrant visa is lawfully admitted to the United States as an immigrant for permanent residence he shall be issued Form I-151 as an alien registration receipt card and as evidence of such immigration status. Any alien who in any manner becomes a lawful permanent resident of the United States and who is registered in the United States also shall be furnished such Form I-151. An alien lawfully admitted for permanent residence who re-registers in the United States within 30 days after attaining his 14th birthday shall be entitled to and shall be issued a new Form I-151 bearing his photograph if the Form I-151 originally issued to him was without such photograph.

(2) *Form 257a.* In the case of an alien who, in connection with his visa application, has been registered under section 261 of the Immigration and Nationality Act or section 30 of the Alien Registration Act, 1940, any Form 257a returned to him and endorsed by the admitting officer, pursuant to § 221.2 of this chapter, to show the data as to admission shall constitute an alien registration receipt card.

(3) *Form I-94C.* Except as otherwise provided in this part, an alien registered on Forms I-94, I-94-AR and (when applicable) AR-4 as provided in § 264.11 shall be given Form I-94C endorsed to show such registration and that form shall then be the alien's registration receipt card.

(d) *Prohibition against issuance of more than one alien registration receipt card; requirement of surrender of receipt card.* An alien registration receipt card shall not be issued to any person who previously has obtained one unless he surrenders such previously issued card which is in his possession. No person shall use an alien registration receipt card relating to any other person except in behalf of his minor child or ward. If an alien is naturalized, dies, permanently departs, or is deported from the United States, or an alien registration receipt card is found by a person other than the one to whom it was issued, the person in possession of the card shall surrender it

to an immigration officer or it shall be lifted by an immigration officer, and such officer shall forward the card to the office of the Service maintaining the file of the alien to whom the card was issued. If doubt arises as to the location of the alien's file, the alien registration receipt card shall be forwarded to the Central Office for appropriate disposition.

(e) *Carrying and possession of proof of alien registration.* The provisions of section 264 (e) of the Immigration and Nationality Act shall be applicable to every receipt card, certificate, or other document or paper referred to in § 264.1 as constituting evidence of alien registration.

(f) *Limited effect of issuance of alien registration receipt card.* The issuance of an alien registration receipt card or its equivalent shall not relieve the alien, or his parent or guardian, from full compliance with any and all laws and regulations of the United States now existing or hereafter made concerning aliens; nor shall it be construed to confer upon the alien or his parent or guardian immunity from any liability, penalty or punishment incurred by the alien or his parent or guardian for violation of any law of the United States occurring either before or after the issuance of such card.

§ 264.2 *Registration officers.* Immigration officers and any officer or employee of the United States selected by the Commissioner are designated registration officers and authorized to register aliens under Chapter 7 of Title II of the Immigration and Nationality Act. Any registration officer may prepare any registration form required to be executed by an alien upon the basis of information furnished by such alien.

§ 264.3 *Place of registration.* Any alien in the United States who is required to apply for registration under the provisions of section 262 of the Immigration and Nationality Act shall do so at any office in which any person designated in § 264.2 as a registration officer is serving as such, except as otherwise indicated in § 263.3 of this chapter, and except that the district director may make such special arrangements as he deems necessary for the registration of aliens in his district who are aged, infirm, or incapacitated.

§ 264.4 *Registration records confidential.* All registration and fingerprint records made under the provisions of Title III of the Alien Registration Act, 1940, or under Chapter 7 of Title II of the Immigration and Nationality Act shall be confidential. Information from such records shall be made available only to such persons or agencies as may be designated by the Commissioner. Persons or agencies designated to receive such information prior to the effective date of the Act whose designation was outstanding and unrevoked upon that date are hereby designated to continue to receive such information under the authority contained in section 264 (b) of the Immigration and Nationality Act.

§ 264.5 *Replacement of alien registration receipt cards; aliens lawfully admitted for permanent residence.* Any alien

lawfully admitted to the United States for permanent residence whose alien registration receipt card has been lost, mutilated, or destroyed, shall immediately apply for a new alien registration receipt card, and upon approval of his application shall be issued a new alien registration receipt card. Any alien lawfully admitted to the United States for permanent residence whose name has been changed after registration by order of court or marriage, or who is in possession of an alien registration receipt card that does not constitute prima facie evidence of his lawful admission for permanent residence (such as Forms AR-3 and AR-103) may apply for a new alien registration receipt card. In either case, the application shall be made and disposed of as provided in § 264.51.

§ 264.6 *Reregistration; aliens other than those lawfully admitted for permanent residence whose alien registration receipt cards have been lost, mutilated or destroyed.* Any alien other than one within the provisions of § 264.5 whose alien registration receipt card has been lost, mutilated, or destroyed immediately shall apply to the nearest office of the Service for a new alien registration receipt card. If it is determined that the alien will remain in the United States more than 29 days after the loss, destruction, or mutilation of the card came to his attention, the alien shall be re-registered as if he were being initially registered under the provisions of this part and a new alien registration receipt card shall be issued to him as provided in § 264.1 (c) (3).

SUBPART E—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 264.11 *Form of registration.* Any alien required to be registered in the United States shall except as otherwise provided in this chapter be registered on Forms I-94 and I-94-AR except that an alien who is a lawful permanent resident shall be registered on Form AR-2 and in an appropriate case on Form AR-2a [supplemental information to be made a part of Form AR-2]. Except as provided in § 263.3 (a) of this chapter, in either instance, the alien shall be fingerprinted on Form AR-4 and when the alien is registered on Form AR-2, the registration officer shall take an imprint of the alien's right index finger in the space provided therefor on Form AR-2.

§ 264.12 *Manner of registration—(a) Duties of registration officers.* The registration officer shall complete the registration forms prescribed by this part in the English language from information furnished by the alien and all fingerprints shall be taken by such officer. When an alien is registered on Forms I-94 and I-94-AR, the registration officer shall endorse the Form I-94C to show that the alien has registered under the Immigration and Nationality Act.

(b) *Information required for registration.* The information which the alien or his parent or legal guardian must furnish under oath shall be such as is required by the forms prescribed in this part or as may be required hereafter under the authority of the Immigration and Nationality Act. Name or names

shall be given in the English alphabet and the date of birth shall be stated by giving the month, day and year in that sequence.

(c) *Persons who believe themselves not subject to registration.* If any person indicates to the registration officer that he does not believe himself subject to registration under the Immigration and Nationality Act but is registering for his own protection, the registration officer shall make the following notation on the margin of the registration form at the conclusion of the registration: "Applicant doubts need for registration."

(d) *Registration in behalf of insane or incompetent aliens.* Any alien who is insane or otherwise incompetent or of unsound mind may be registered by his legal guardian, trustee, or committee or by such other person as may be charged by law with his care and custody. Any person registering in behalf of an alien herein described, shall answer to the best of his knowledge and ability the questions required to be put to the registering alien and shall swear or affirm to the best of his knowledge and belief that such alien is incompetent. Such alien, if 14 years of age or older, shall be fingerprinted if possible.

(e) *Signing of registration forms.* Except as otherwise provided in this part the registration forms provided for herein must be signed and sworn to before a registration officer by the alien in person or by his parent or legal guardian. The alien being registered or his parent or guardian or the person furnishing the information in behalf of an incompetent alien, if unable to write, shall make his mark in the signature space on the registration forms and his mark shall be witnessed by a witness other than the registration officer. The witness shall sign his name and address on the registration forms near the mark made and the words "witnessed by" shall precede the witness' signature.

§ 264.51 *Replacement of alien registration receipt cards; procedure—(a) Form of application.* Application for a new alien registration receipt card shall be made on Form I-90 under oath or affirmation. If the alien is under 14 years of age, the application shall be made by his parent or legal guardian. If a parent or legal guardian is not available the matter should be reported to the district director of the district in which the alien resides who shall take such steps as he deems necessary with regard to the issuance of a new card.

(b) *Disposition of application.* An application for a new alien registration receipt card shall be submitted to the officer in charge of the office of the Service having administrative jurisdiction over the applicant's place of residence. The application shall be accompanied by two photographs of the alien as described in Part 10 of this chapter and by a fee of \$5.00 and, if the application is for the issuance of a new receipt card in a changed name, by appropriate documentary evidence of such change including any court order effecting such change. If the applicant is in possession of an immigration identification card, a mutilated receipt card, a Form AR-3 or AR-103 receipt card, or any other alien regis-

tration receipt card, such card must be surrendered before a new receipt card may be issued to him. The officer in charge receiving an application shall cause such investigation and inquiry to be conducted as he deems necessary to determine whether the application should be granted. Such officer in charge shall submit the application and the accompanying documents to the district director together with a report in writing and his recommendation as to whether the application should be granted or denied. If after consideration of the application and the record the district director is satisfied that the applicant was lawfully admitted for permanent residence and that the original receipt card has been lost, mutilated, or destroyed he shall issue a new receipt card on Form I-151. If after such consideration he is satisfied that the applicant was so admitted and that (1) the applicant's name has been changed after registration by order of court or by marriage, or that (2) the applicant's original receipt card is not prima facie evidence of his lawful admission for permanent residence (such as Form AR-3 or AR-103), the district director may issue a new receipt card on Form I-151. The new card shall bear the alien's registration number, the alien's photograph and notation that it is a replacement of a prior receipt card. The new receipt card Form I-151 shall be mailed directly to the alien or if the alien is less than 14 years of age, to his parent or legal guardian. If the district director is not satisfied that the application should be granted, he shall deny the application and take whatever action he deems appropriate to the case. Upon the denial of any application, the fee accompanying the application shall be refunded to the applicant. No appeal may be taken from the decision of the district director.

Nothing in this subchapter shall affect, restrict, or prevent the institution of a civil suit, in the discretion of the Attorney General, under the authority contained in section 280 of the Immigration and Nationality Act.

§ 280.2 *Special provisions relating to aircraft.* In any case in which the imposition of a fine is predicated upon an alleged violation of a regulation promulgated under authority of section 239 of the Immigration and Nationality Act, the procedure prescribed in this part shall be followed, and the aircraft involved shall not be granted clearance pending determination of the question of liability to the payment of any fine, or while the fine remains unpaid; but clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine or of a bond with sufficient surety to secure the payment thereof, approved by the collector of customs. SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 280.11 *Notice of intention to fine; procedure.*—Notice of Intention to Fine, Form I-79, shall be prepared in triplicate, with one additional copy for each additional person on whom the service of such Notice is contemplated. The Notice shall be addressed to any or all of the available persons subject to fine. A copy of the Notice shall be served on each such person by (a) delivering it to him in person, or (b) leaving it at his office, or (c) mailing it to him at his office whenever the district director or officer in charge ascertains that the other two methods of service are inconvenient or impossible. If the Notice is served personally, the person upon whom it is served shall be requested to acknowledge such service by signing his name to the duplicate and triplicate copies. The officer effecting such service shall attest to the service by signing his name thereon and shall indicate thereon the date and place of service. If the person so served refuses to acknowledge service, or if service is made by leaving it at an office or mailing it, the person making such service shall indicate the method and date on the duplicate and triplicate copies of Form I-79, and shall sign his name upon such copies. The duplicate copy shall be retained by the district director or officer in charge and the triplicate copy shall be delivered directly to the collector of customs for the dis-

trict in which the vessel or aircraft is located, and the collector shall withhold clearance until deposit is made or bond furnished as provided in the Immigration and Nationality Act. If the vessel or aircraft is located in a customs district which is outside the jurisdiction of the office of the Service having jurisdiction over the matter, the triplicate copy shall be forwarded to the office of the Service nearest such customs district for delivery to the collector of customs.

§ 280.12 *Answer and request or order for interview.* Within 30 days following the service of the Notice of Intention to Fine (which period the district director or officer in charge may extend for an additional period of 30 days upon good cause being shown), any person upon whom a notice under this part has been served may file with the district director or officer in charge a written defense, in duplicate, under oath setting forth the reasons why a fine should not be imposed, or if imposed, why it should be mitigated or remitted if permitted by the Immigration and Nationality Act, and stating whether a personal appearance is desired. Documentary evidence shall be submitted in support of such defense and a brief may be submitted in support of any argument made. If a personal interview is requested, the evidence in opposition to the imposition of the fine and in support of the request for mitigation or remission may be presented at such interview. An interview shall be conducted if requested by the party as provided hereinabove or, if directed at any time by the Board, the Commissioner, or the district director.

§ 280.13 *Disposition of case—(a) Allegations admitted or no answer filed.* If a request for personal appearance is not filed and (a) the answer admits the allegations in the Notice, or (b) no answer is filed, the district director shall enter such order in the case as he deems appropriate and no appeal from his decision may be taken.

(b) *Answer filed; personal appearance not requested.* Upon receipt of an answer asserting a defense to the allegations in the Notice without request for a personal appearance, the case shall be assigned to an immigration officer for consideration. The immigration officer shall prepare a report of his findings and make a recommendation as to whether a fine has been incurred and if so, what mitigation or remission, if any, should be granted if an application therefor has been made. The record in the case and the report and recommendation of the immigration officer shall be forwarded to the district director. The district director shall endorse the report indicating whether he approves or disapproves the recommendation of the immigration officer. The party affected shall be informed in writing of the decision of the district director and, if his decision is that a fine shall be imposed or that the requested mitigation or remission shall not be granted, of the reasons for such decision. From the decision of the district director an appeal may be taken to the Board within 10 days of the receipt of notification

of the decision, as provided in Part 6 of this chapter. If no appeal is taken the decision shall be final and the fine imposed shall be collected.

(c) *Interview requested or directed.* If the party affected requests a personal appearance, or if at any time the district director, the Commissioner, or the Board so directs, the party shall be given an opportunity to be interviewed by an immigration officer for the purpose of presenting evidence concerning the alleged violation and, where the particular section of law provides for mitigation or remission of the penalty, evidence of any mitigating circumstances. The party may be represented by counsel at the interview. All evidence pertinent to the case, including the testimony of any witnesses, shall be incorporated into the record. At the conclusion of the interview the immigration officer shall prepare a report setting forth a summary of the evidence adduced as to imposition of fine, mitigation or remission, and findings of fact and conclusions of law based on such evidence. The decision shall conclude with a recommendation which shall be either (1) that a fine in a specified amount be imposed, or (2) that the proceedings be terminated. If the recommendation is that a fine be imposed there shall be a further recommendation with respect to any application for remission or mitigation which shall be either (1) that the application be denied, or (2) that it be granted. If the recommendation is that the application be granted, the immigration officer shall also recommend the amount of the fine to be remitted or mitigated, and the amount of the remaining fine to be collected. The complete record, including the recommendation of the immigration officer shall be forwarded to the district director. The district director shall note his decision on the report of the immigration officer which shall be (1) that a fine in a specified amount be imposed, or (2) that the proceedings be dismissed, and, if an application for remission or mitigation has been made (1) that the application be denied or (2) that it be granted. If the decision is that the application be granted, the district director shall also include in his decision a statement as to the amount of the fine to be remitted or mitigated, and the amount of the remaining fine to be collected. The party affected shall be informed in writing of the decision of the district director and, if his decision is adverse to the party affected, of the reasons for such decision. From the decision of the district director an appeal may be taken to the Board within 10 days of receipt of notification of the decision as provided in Part 6 of this chapter. If an appeal is not taken, the decision shall be final and the fine imposed shall be collected.

§ 280.14 *Record.* The record made under § 280.13 shall include the request for the interview or a reference to the order directing the interview; the medical certificate, if any; a copy of any record of hearing before a Board of Special Inquiry, Hearing Examiner, Hearing Officer, or Special Inquiry Officer which is relevant to the fine proceedings; the

duplicate copy of the Notice of Intention to Fine; the evidence upon which such Notice was based; the duplicate of any notices to detain, deport, deliver, or remove aliens; notice to pay expenses; evidence as to whether any deposit was made or bond furnished in accordance with the Immigration and Nationality Act; reports of investigations conducted; documentary evidence and testimony adduced at the interview; the original of any affidavit or brief filed in opposition to the imposition of fine; the application for mitigation or remission; and any other relevant matter.

§ 280.15 *Notice of final decision to collector of customs.* At such time as the decision under this part is final, the collector of customs who was furnished with a copy of the Notice of Intention to Fine shall be informed by the district director of the final decision made in the case. Such information need not be furnished in any case in which the district director has been previously furnished with a notice of collection of the amount of the penalty by the collector of customs.

§ 280.21 *Seizure of aircraft.* Seizure of an aircraft under the authority of section 239 of the Immigration and Nationality Act, and § 280.2 will not be made if such aircraft is damaged to an extent that its value is less than the amount of the fine which may be imposed. Immediately upon the seizure of an aircraft, or prior thereto, if circumstances permit, a full report of the facts in the case shall be submitted by the district director to the United States Attorney for the district in which the seizure was made. The report shall include the cost incurred in seizing and guarding the aircraft and an estimate of the further additional cost likely to be incurred.

§ 280.51 *Application for mitigation or remission—(a) When application may be made.* An application for mitigation or remission shall be filed (a) within 30 days after the service of the Notice of Intention to Fine and, if an answer is filed as provided in § 280.12, with such answer, for consideration in the event a fine is found to have been incurred, or (b) within 30 days after receipt of the final decision with respect to the fine.

(b) *Form and contents of application.* An application for mitigation or remission shall be filed in duplicate under oath and shall include information, supported by documentary evidence, as to the basis of the claim to mitigation or remission, and as to the action, if any, which may have been taken by the applicant, or as to the circumstances present in the case which, in the opinion of the applicant, justified the granting of his application.

(c) *Disposition of application.* The application, if filed with the answer, shall be disposed of as provided in § 280.13. In any other case, the application shall be considered and decided by the district director from whose decision an appeal may be taken to the Board within 10 days from receipt of notification of such decision, as provided in Part 6 of this chapter.

SUBPART A—SUBSTANTIVE PROVISIONS

§ 287.1 *Definitions—(a) Reasonable distance from the United States.* The phrase "within a reasonable distance from any external boundary of the United States" as used in section 287 of the Immigration and Nationality Act means within a distance of not exceeding 100 air miles from any external boundary of the United States or any shorter distance which may be fixed by the district director, or, so far as the power to board and search aircraft is concerned, any distance fixed pursuant to paragraph (b) of this section.

(b) *Reasonable distance; fixing by district directors.* In fixing reasonable distances of less than 100 air miles pursuant to paragraph (a) of this section, district directors shall take into consideration topography, confluence of arteries of transportation leading from external boundaries, density of population, possible inconvenience to the traveling public, types of conveyances used, and reliable information as to movements of persons effecting illegal

entry into the United States: *Provided*, That whenever in the opinion of a district director a distance in his district of more than 100 air miles from any external boundary of the United States would because of unusual circumstances be reasonable, such district director shall forward a complete report with respect to the matter to the Commissioner of Immigration and Naturalization, who may, if he determines that such action is justified, declare such distance to be reasonable.

(c) *Powers of immigration officers.* The term "officer or employee of the Service" as used in section 237 of the Immigration and Nationality Act means an immigration officer.

(d) *Patrolling the border.* The phrase "patrolling the border to prevent the illegal entry of aliens into the United States" as used in section 237 of the Immigration and Nationality Act means conducting the customary activities reasonable and necessary to prevent the illegal entry of aliens into the United States.

§ 237.2 *Criminal violations; investigation and action.* Whenever a district director or an officer in charge has reason to believe that there has been a violation punishable under any criminal provision of the laws administered or enforced by the Service, he shall cause an investigation to be made immediately of all the pertinent facts and circumstances and shall take or cause to be taken such further action as the results of such investigation warrant.

§ 237.3 *Disposition of cases of aliens arrested without warrant.* An alien arrested without a warrant of arrest under the authority contained in section 237 (a) (2) of the Immigration and Nationality Act shall be examined as therein provided by an officer other than the arresting officer, unless no other qualified officer is readily available and the taking of the alien before another officer would entail unnecessary delay, in which event the arresting officer, if the conduct of such examination is a part of the duties assigned to him, may examine the alien. If such examining officer is satisfied that there is prima facie evidence establishing that the arrested alien was entering or attempting to enter the United States in violation of the immigration laws, he shall refer the case to a special inquiry officer for further inquiry in accordance with Parts 235 and 236 of this chapter or take whatever other action may be appropriate or required under the laws or other regulations applicable to the particular case. If the examining officer is satisfied that there is prima facie evidence establishing that the arrested alien is in the United States in violation of the immigration laws, further action in the case shall be taken as provided in Part 242 of this chapter.

§ 237.4 *Subpoena—(a) Who may issue.* Except as provided in § 335.11 of this chapter, subpoenas requiring the attendance of witnesses or the production of documentary evidence, or both, may be issued upon his own volition by a district director, officer in charge, or special inquiry officer in any proceeding pend-

ing before him, or upon application of an officer of the Service, or upon written application of the alien or other party affected. If an alien or other party affected by a proceeding before the Service requests that a witness be subpoenaed to testify or to produce books, papers or documents in such proceeding before the Service, he shall be required as a condition precedent to the issuance of the subpoena to state in writing what he expects to prove by such witness or the books, papers, or documents and to show affirmatively that the proposed evidence is relevant and material and that he has made diligent efforts without success to produce the same. Upon determining that a witness whose evidence is desired either by the Service officer or the alien or other party affected will not appear and testify or produce documentary evidence unless commanded to do so and that the testimony and evidence of such witness is essential, the district director, officer in charge, or a special inquiry officer in any proceeding pending before him, shall issue a subpoena. If the witness is at a distance of more than 100 miles from the place of hearing, the subpoena shall provide for the witness' appearance at the field office nearest to him to respond to oral or written interrogatories, unless the Service indicates that there is no objection to bringing the witness the distance required to enable him to testify in person at the hearing.

(b) *Form.* Every subpoena issued under the provisions of this section shall state the title of the proceeding and shall command the person to whom it is directed to attend and give testimony at a time and place therein specified. A subpoena may also command the person to whom it is directed to produce the books, papers or documents designated therein. A subpoena may also direct the making of a deposition before an officer of the Service. Subpoenas shall be issued on Form I-138.

(c) *Service.* A subpoena issued under this section may be served by any person over 18 years of age not a party to the case designated to make such service by the district director or officer in charge having administrative jurisdiction over the office in which the subpoena is issued. Service of the subpoena shall be made by delivering a copy thereof to the person named therein and by tendering to him the fee for one day's attendance and the mileage allowed by law by the United States District Court for the district in which the testimony is to be taken. When the subpoena is issued on behalf of the Service, fee and mileage need not be tendered at the time of service. A record of such service shall be made and attached to the original copy of the subpoena.

(d) *Invoking aid of court.* If a witness neglects or refuses to appear and testify as directed by the subpoena served upon him in accordance with the provisions of this section, the district director issuing the subpoena shall request the United States Attorney for the proper district to report such neglect or refusal to the appropriate United States District Court and to request such court to issue an order requiring the witness to appear

and testify and to produce the books, papers or documents designated in the subpoena. If the subpoena was issued by an officer in charge or a special inquiry officer, the officer issuing the subpoena shall request the district director having administrative jurisdiction over such officer to take the action referred to in the previous sentence in the event the witness neglects or refuses to appear and testify as directed by the subpoena served upon him.

§ 292.1 *Admission to practice required.* (a) No person shall be permitted to practice before the Service or the Board until he has been admitted to practice by the Board in accordance with § 292.3. (b) Notwithstanding paragraph (a) of this section:

(1) A district director, an officer in charge, the Commissioner, any other officer of the Central Office authorized by the Commissioner to do so, or the Board may permit an attorney or representative to file an appearance in behalf of a party in any case prior to the approval of his application for admission if such attorney or representative files the application concurrently with filing his appearance in the case. If the application is subsequently denied, such attorney or representative shall not thereafter be permitted to practice, in that or any other case, unless and until his admission to practice has been authorized by the Board and subject to such conditions as the Board shall direct.

(2) In any case in which, under the Immigration and Nationality Act, a party is entitled to be represented by counsel, he may be represented by any reputable individual of good moral character, whether or not admitted to practice in accordance with § 292.3, if such individual is appearing without monetary or other material remuneration and files a written declaration to that effect, and if such representation is permitted by the Special Inquiry Officer having the case under consideration, the district director or the officer in charge

having administrative jurisdiction over the office in which the case is pending, the Commissioner, or the Board.

(3) Any alien may be represented by an accredited official, in the United States, of the government to which the alien owes allegiance, if such official appears solely in his official capacity, and with the consent of the alien.

(4) An attorney, other than one described in § 1.1 (a) (3) of this chapter, residing outside the United States and licensed to practice law and in good standing in a court or courts of the country in which he resides and who is engaged in such practice may be permitted by any district director or officer in charge, the Commissioner, or any officer of the Central Office designated by him, or the Board, to file his appearance and be heard in any individual case. The district director shall have authority to withhold granting permission to such attorney to appear before an officer under his jurisdiction, and may refer the application for permission to appear to the Board for its decision.

(5) No person who is a party to a case shall be denied the privilege of presenting oral argument in his own behalf before the Board if it has his case under consideration.

(6) Any person desiring to be heard as *amicus curiae* shall apply therefor to the Board; and the Board may grant such application if it deems it to be in the public interest.

(c) No person previously in the employ of the Department of Justice may be permitted to practice in a case in which he participated during the period of such employment.

§ 292.2 *Qualifications for admission to practice.* (a) Admission to practice shall be limited to persons who are citizens of the United States, who are of good moral character, and who are attorneys in good standing in the court or courts in which they are licensed to practice, or who are representatives of organizations of the character described in § 1.1 (a) (12) of this chapter.

(b) No person within any category set forth in § 292.6 may be admitted to practice.

§ 292.3 *Applications for admission to practice; decision.* (a) Applications for admission to practice may be filed with a district director, the Commissioner, or the Chairman of the Board, at the option of the applicant. Such application shall be made in triplicate upon Form G-27. An application by an attorney shall be supported by a current certificate from a judge or clerk of the court in which the applicant is licensed to practice, or by a written statement of the district director or officer in charge of the local office of the Service certifying that upon inquiry he has ascertained and has personal knowledge that the applicant is so licensed. An application by the representative of an organization shall be supported by a statement of the appropriate officer or officers thereof, certifying that the applicant is its accredited representative and authorized to appear in its behalf in any case.

(b) The original application shall be transmitted to the Board by the district

director or the Commissioner, if filed with them, and shall be permanently retained in the files of the Board. The duplicate shall be retained in the files of the Commissioner, and the triplicate in the files of the district director having jurisdiction over the applicant's place of residence.

(c) As soon as practicable after receipt of the application the Board shall give consideration thereto. If the application is approved, written notation to that effect shall be made on the application and a certificate of admission to practice shall be issued to the licensee. If the conclusion is that the application shall be denied, the Board shall prepare a proposed order of denial, in which shall be stated the reasons for denying the application. The Board shall serve the proposed order on the applicant, either personally or by registered mail and obtain a return receipt therefor. The applicant shall be allowed a reasonable time, not less than ten days, in which to file exceptions to the proposed order and to submit a brief if desired. After receipt of the exceptions, or if none are received within three days after expiration of the period specified for filing of exceptions, the Board shall make such order as it may then determine appropriate, including authorizing a hearing for presentation of evidence or oral argument. If no exceptions are filed, the order of the Board shall be final, subject to review by the Attorney General under any of the circumstances described in § 6.1 (h) of this chapter. If exceptions have been filed and the order of the Board is that the application shall be denied, the Board shall refer the record to the Attorney General for review of its order. (d) Admission of a representative shall terminate upon discontinuance of his authority to represent the organization named in his application.

§ 292.4 *Roster of attorneys.* The Board shall maintain an alphabetical roster of attorneys and of representatives of organizations. A copy of the roster shall be supplied to the Commissioner, and he shall be advised from time to time of changes therein.

§ 292.5 *Appearances; availability of records.* (a) An appearance shall be filed in writing on Form G-28 by attorneys or representatives appearing in each individual case. When an appropriate appearance has been filed in a case, substitution of attorneys or representatives may be permitted upon the written withdrawal of the attorneys or representatives of record or upon notice by the party to the case of his designation of new attorneys or representatives. If any attorney or representative of record authorizes another attorney or representative to act for him as an associate in a case, the latter will be heard if satisfactory evidence of his authorization is presented and if he has been admitted to practice under this part.

(b) During the time a case is pending, the attorney or representative of record, or his associate, shall be permitted to review the record and, upon request, be

lent a copy of the testimony adduced. The attorney or representative shall give his receipt for such copy and pledge that no copy thereof will be made, that he will retain it in his possession and under his control, and that it will be surrendered upon final disposition of the case or upon demand by the Service or the Board.

§ 292.6 *Suspension and disbarment.* With the approval of the Attorney General, the Board may suspend or bar from further practice an attorney or representative, if it shall find that suspension or disbarment is in the public interest. The suspension or disbarment of an attorney or representative who is within one or more of the following categories shall be deemed to be in the public interest, for the purpose of this part, but the enumeration of such categories herein shall not be construed as establishing the exclusive grounds for suspension or disbarment in the public interest:

(a) Who charges or receives, either directly or indirectly, any fee or compensation for services which may be deemed to be grossly excessive in relation to the services performed by him in the case;

(b) Who, with intent to defraud or deceive, bribes, attempts to bribe, coerces, or attempts to coerce, by any means whatsoever, any person, including a party to a case, or an officer or employee of the Service or Board, to commit an act or to refrain from performing an act in connection with any case;

(j) Who wilfully made false and material statements in his application for admission to practice or in his appearance in any case;

(k) Who engages in contemptuous or otherwise unprofessional conduct with respect to a case in which such attorney acts in a representative capacity, which in the opinion of the Board, would constitute cause for suspension or disbarment were the case pending before a court, or which, in such a judicial proceeding, would constitute a contempt of court;

SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 292.11 *Service upon and action by attorney, representative, or alien.* Except where specific provision is otherwise made in this chapter, whenever a person is required by any of the provisions of this chapter (a) to give or be given notice; (b) to serve or be served with any paper other than a warrant of arrest or a subpoena; (c) to make a motion; (d) to file or submit an application or other document; or (e) to perform or waive the performance of any act, such notice, service, motion, filing, submission, performance, or waiver shall be given by or to, served by or upon, made by, requested of (1) the attorney or representative who has filed an appearance in the case as provided in § 292.5, or (2) the person himself, if there is no attorney or representative in the case.

§ 292.12 *Service of decision and other papers.* Except where specific provision is otherwise made in this chapter, whenever a decision, notice or other paper is required to be given or served, it shall be done by personal service or registered mail upon the person designated in § 292.11.

§ 292.61 *Procedure for suspension or disbarment; effect.* (a) The Commissioner may cause to be investigated any complaint or circumstance which establishes a prima facie case for the suspension or disbarment of any enrolled attorney or representative. If such investigation establishes to the satisfaction of the Commissioner that suspension or disbarment proceedings should be instituted, he shall cause written charges to be preferred. A copy of such charges shall be served upon the respondent, either personally or by registered mail, with notice to show cause within a specified time, not less than 30 days, why he should not be suspended or disbarred from further practice. Such notice shall also advise the respondent that after answer has been made and the matter is at issue, if he so requests he will be given opportunity for a hearing before a representative of the Commissioner. If hearing is requested, the Commissioner will specify the time and place therefor and specially designate the officer who shall preside and the officer who shall present the evidence in support of the charges. The nonreceipt of answer within three days after expiration of the period prescribed to show cause shall be held a waiver of defense to the charges. If no hearing is requested in the answer, the Commissioner may conduct any further required investigation to complete the record, and without the necessity of any additional notice to the respondent, forward the completed record to the Board with his recommendation.

(b) The respondent, either with or without counsel, and the Commissioner, or any officer designated by him for the purpose, shall have the privilege of appearing before the Board for oral argument at a time specified by the Board.

(c) The Board shall consider the record as presented by the Commissioner as soon as practicable after its receipt and render its decision thereon. The order of the Board shall constitute the final disposition of the proceeding: *Provided, however,* That if the order would suspend or disbar the respondent, or if any one of the circumstances described in § 6.1 (h) of this chapter be present, the Board shall refer the record to the Attorney General for review of its decision and in such case the order of the Attorney General shall be the final determination of the proceeding.

(d) In case the final order against the respondent is for suspension or disbarment, the attorney or representative shall not thereafter be permitted to practice unless and until authorized so to do by the Board; and if disbarred, he shall surrender the certificate of his admission to the Board for cancellation.

Subchapter C—Nationality Regulations

Note: Explanation of numbering system utilized in this subchapter. Each part of this subchapter has been given the same number as the section of the Immigration and Nationality Act to which it relates. For example, Part 330 concerns only section 330 of the Immigration and Nationality Act. Each part of this subchapter is divided into two subparts: Subpart A—Substantive Provisions, and Subpart B—Procedural and Other Nonsubstantive Provisions. Each section of

Subpart A bears a number consisting of the part number followed by a decimal point and by a single digit beginning with "1" and continuing to "9", using as many as required. For example, § 330.1 is the first substantive section of Part 330 and § 330.9 is the ninth substantive section of Part 330, assuming there existed nine substantive sections in Part 330. When a substantive section is required to be implemented by one or more procedural sections, the relating procedural section or sections bear the same number as the substantive section to which it relates plus one additional digit to the right of the decimal point beginning with "1" for the first procedural section and continuing to "9", if that many are required. For example, § 330.11 is the first procedural section implementing the first substantive section of Part 330 and § 330.87 is the seventh procedural section implementing the eighth substantive section of Part 330. If a substantive section does not require procedural sections, no procedural section numbers will appear for that particular substantive section.

SUBPART A—SUBSTANTIVE PROVISIONS

§ 331.1 *Alien enemy defined.* An alien who is a native, citizen, subject, or denizen of any country, state, or sovereignty with which the United States is at war shall be considered an alien enemy for the purposes of the naturalization laws. A native of such an enemy country, state, or sovereignty, who subsequent to birth has become stateless or who has become a citizen, subject or denizen of a nation with which the United States is not at war shall nevertheless be considered an alien enemy.

§ 331.2 *Termination of status of alien enemy.* An alien enemy as defined in § 331.1 shall cease to be an alien enemy within the meaning of this part upon the official determination in the manner prescribed by section 331 (d) of the Immigration and Nationality Act that hostilities between the United States and the enemy country, state, or sovereignty have ended.

§ 331.3 *Revocation of exception from classification of alien enemy.* If subsequent to the filing of a petition for naturalization, and prior to admission to citizenship, evidence becomes available to the Service that exception from the classification of alien enemy was illegally or fraudulently obtained from or was granted through illegality or by fraud practiced upon the district director or the Commissioner, or a Deputy Commissioner, or Assistant Commissioner, action to cancel the exception granted may be taken in accordance with the provisions of Part 5 of this chapter, in which case a motion shall be made to the court to defer final hearing until such proceedings have been concluded. If the exception is cancelled by the district director or the Commissioner, or a Deputy Commissioner, it shall be considered a nullity from the date of the granting thereof, and the petitioner shall be subject to all the provisions of this part to the same extent as though the exception had never been granted. Written notice of the cancellation shall be furnished by the district director to the clerk of the naturalization court for inclusion in the naturalization record.

§ 331.4 *Naturalization under special provisions of the Immigration and Nationality Act.* An alien enemy, as defined in § 331.1, who is applying for naturalization under the provisions of

section 306 (a) (1), 324 (c), 329, or 402 (j) of the Immigration and Nationality Act may be naturalized, if otherwise qualified, notwithstanding the provisions of this part.

**SUBPART B—PROCEDURAL AND OTHER
NONSUBSTANTIVE PROVISIONS**

§ 331.11 *Petition for naturalization pending; notice of and objection to final hearing on petition.* Subject to the conditions stated in this section, an alien enemy, as defined in § 331.1, whose petition for naturalization was pending at the beginning of the state of war, may, if otherwise eligible, be naturalized after his loyalty has been fully established upon investigation by the appropriate district director. The petition for naturalization shall not be called for a hearing or heard, except after ninety-days' notice by the clerk of court to the appropriate district director or officer in charge. Such notice shall be given on Form N-435, in duplicate, and the ninety-day period shall commence on the date of its receipt. The district director or officer in charge shall mail a receipted copy of Form N-435 to the clerk of court within two business days after receipt. The district director or officer in charge may, at any time prior to final hearing, object to such hearing. Such objection shall be made on Form N-434, in duplicate, and filed with the clerk of court. The filing of such objection shall cause the petition to be continued until such time as the objection is withdrawn. The clerk of court shall mail a receipted copy of Form N-434 to the district director or officer in charge within two business days after receipt.

§ 331.12 *Waiver of 90-day notice.* A petitioner for naturalization embraced within this part may request the district director or officer in charge, in writing, to waive the ninety-day notice referred to in § 331.11. Such waiver may be granted at any time after the petition has been filed and either before or after the clerk's notice has been given and the ninety-day period has commenced. The district director or officer in charge shall cause a full and complete investigation to be conducted and if such investigation satisfactorily establishes the petitioner's loyalty to the United States the district director or officer in charge may, in his discretion, grant the waiver. If the waiver is granted, notice thereof shall be given to the clerk of court by the district director or officer in charge on Form N-434, in duplicate, a copy of which shall be retained in the Service file.

§ 331.13 *Exception from classification of alien enemy.* An alien enemy, as defined in § 331.1, who did not have a petition for naturalization pending at the beginning of the state of war, shall not be eligible to file a petition for naturalization, unless and until the district director has excepted such alien from the classification of alien enemy. Application for such exception shall be made on Form N-436 and submitted to the Service with the application to file a petition for naturalization. The district director shall thereupon cause a full and complete investigation to be made of the

loyalty of such applicant. If, after such investigation, the district director is satisfied as to the applicant's loyalty to the United States, he may, in his discretion, except the applicant from the classification of alien enemy by the execution of Form N-438, in duplicate, the original of which shall be filed with the clerk of the naturalization court at the time of or prior to the filing of the petition for naturalization, and the copy retained in the Service file. The exception so granted on Form N-438 shall not be effective for the purpose of filing a petition for naturalization unless and until such form is filed with the clerk of court. Form N-438 need not be filed with and made a part of the petition but shall be filed with the naturalization record by the clerk of court. If the district director is not satisfied as to the applicant's loyalty, he shall deny the application. The applicant shall be notified in writing of the denial of his application with the reasons therefor and, at the same time, shall be advised that he has ten days from the date of the notification in which he may appeal to the Assistant Commissioner, Inspections and Examinations Division, in accordance with the provisions of Part 7. If the Assistant Commissioner approves the application, the district director shall except the applicant from the classification of alien enemy, in the manner provided in this section. An applicant who has been excepted from the classification of alien enemy under this section shall be entitled to a hearing upon his petition for naturalization without regard to the provisions of § 331.11.

**SUBPART B—PROCEDURAL AND OTHER
NONSUBSTANTIVE PROVISIONS**

§ 332.11 *Interrogation preliminary to filing petition for naturalization—(a) Scope of interrogation.* Whenever practicable, each applicant for naturalization and his witnesses shall appear in person before an officer of the Service authorized to administer oaths, prior to the filing of a petition for naturalization, and give testimony under oath concerning the applicant's mental and moral qualifications for citizenship, attachment to the principles of the Constitu-

tion, and disposition to the good order and happiness of the United States, the qualifications of the witnesses, and the other qualifications to become a naturalized citizen as required by law. The interrogation shall be uniform throughout the United States.

(b) *Conduct of interrogation.* The Service officer, prior to the beginning of the interrogation, shall make known to the applicant and the witnesses the official capacity in which he is conducting the interrogation. The applicant and each witness shall be questioned under oath separately and apart from one another and apart from the public. The applicant shall be interrogated as to each assertion made by him in his application to file a petition and in any supplemental form. Whenever necessary, the written answers in the forms shall be corrected by the officer to conform to the oral statements made under oath. The examining officer, in his discretion, may have a stenographic transcript made, or prepare affidavits covering testimony of the applicant or witnesses. The questions to the applicant and the witnesses shall be repeated in different form and elaborated if necessary, until the officer conducting the interrogation is satisfied that the person being interrogated fully understands them. At the conclusion of the interrogation all corrections made on the application form and supplements thereto shall be consecutively numbered and recorded in the space provided therefor in the applicant's affidavit contained in the form. The affidavit shall then be subscribed and sworn to by the applicant and signed by the examining officer. The witnesses shall be questioned to develop their own credibility and competency as well as the extent of their personal knowledge of the applicant's qualifications to become a naturalized citizen. If the applicant is exempted from the requirement of reading and writing, and speaking English, the interrogation, including the examination of the applicant's knowledge and understanding of the Constitution, history, and form of Government of the United States, may be conducted through an interpreter.

§ 332.12 *Certificate by examiner whenever petitioner is entitled to immediate hearing.* The officer or employee conducting the preliminary interrogation shall execute a certificate of examination on Form N-440 in duplicate, for attachment to the original and duplicate petitions for naturalization, in any case in which the petitioner, under the provisions of the Immigration and Nationality Act applicable to his case, is entitled to an immediate hearing following examination by a representative of the Service.

§ 332.13 *Use of record of preliminary interrogation.* The record of the preliminary interrogation, including the executed and corrected application form and supplements thereto, affidavits, transcripts of testimony, documents and other evidence, and the reports of any investigations conducted, shall, in those cases in which a preliminary examination is to be held under Part 335 of this chapter, be submitted to the examiner

designated to conduct such examination, for his use in examining the petitioner and witnesses. In those cases in which no preliminary examination is held the recommendation to the naturalization court shall be based upon the record of the preliminary interrogation and such other evidence as may be available.

§ 332.14 *Notice of proposed recommendation of denial; findings, conclusion, and recommendation.* In those cases in which the recommendation to the court is for denial of the petition, and no preliminary examination under Part 335 of this chapter is held, an officer of the Service shall, as soon as practicable after the preliminary interrogation and investigations have been concluded, prepare a memorandum in behalf of the Service in the manner described in § 335.12, and subject to review by the Commissioner, for presentation to the court at the final hearing. The petitioner shall be given written notice on Form N-429 advising him of the recommendation which will be made to the court and the specific reasons therefor. The notice and a copy of the memorandum shall be sent the petitioner by registered mail, return receipt requested, after review of the recommendation by the Commissioner, if made, and at least thirty days prior to final hearing. The hearing before the court may be held less than thirty days after such notification, if the petitioner agrees thereto.

§ 334.1 *Right to file petition or application for naturalization.* No person shall be denied the right to apply for naturalization in accordance with the procedure prescribed in this subchapter to any court authorized to exercise naturalization jurisdiction.

§ 334.2 *Oath or affirmation of petitioner and witnesses.* The petition for naturalization shall be executed under the following oath (or affirmation): "You do swear (affirm) that you know the contents of this petition for naturalization subscribed by you, and that the same are true to the best of your knowledge and belief."

The following oath (or affirmation) shall be administered to each of the witnesses who verify the petition: "You do swear (affirm) that the statements of fact you have made in the affidavits to this petition for naturalization subscribed by you are true to the best of your knowledge and belief."

§ 334.3 *Petitions for naturalization; numbering, indexing, binding.* Petitions for naturalization shall be numbered consecutively in the order in which they are filed, shall be filed chronologically in separate volumes, indexed, and made a part of the records of the naturalization court. Each such volume shall, upon completion, be permanently bound by an employee of the Service. Whenever a petitioner's name has been changed by order of court the original and the changed name shall be entered by the clerk of court in the index of petitions for naturalization.

SUPPORT B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 334.11 *Petition for naturalization and preliminary application.* Except as otherwise provided in this subchapter, a person who has attained the age of eighteen years and who desires to apply for naturalization, shall make and file, in accordance with the provisions of this part, a sworn petition for naturalization, in duplicate. Such person shall, before filing the petition for naturalization, execute and submit to the Service preliminary application to file a petition for

naturalization, Form N-400, in accordance with the instructions contained therein.

§ 334.12 *Notification to appear for preliminary interrogation and to file petition for naturalization.* Following the submission of the preliminary application, the applicant shall be notified when and where to appear with his witnesses for preliminary interrogation, as described in Part 332 of this chapter, and to file the petition for naturalization.

§ 334.13 *Filing of petition for naturalization.* The petition for naturalization and the duplicate copy thereof shall be filed by the petitioner, in person, with the clerk of the court or his authorized deputy and only in the office of the clerk, except that an applicant for naturalization who satisfactorily establishes that he is prevented by sickness or other disability from appearing in the office of the clerk, may file the petition for naturalization at such other place as may be designated by the clerk of court or his authorized deputy. Except as otherwise provided in this subchapter, the petition shall be on Form N-405 and shall contain an averment that it is the intention of the petitioner to reside permanently in the United States. The petition shall be signed by the petitioner in the English language, if physically able to write, unless the petitioner on December 24, 1952 was over fifty years of age and had been living in the United States for at least twenty years, in which case the petitioner may sign his name in any language. When the petition has been so filed, the clerk shall furnish to the petitioner an acknowledgment of the filing of the petition on Form N-414. The petitioner shall pay the clerk of the naturalization court, at the time the petition is filed, a fee of \$10, unless the petitioner is exempt therefrom by section 344 (h) of the Immigration and Nationality Act.

§ 334.14 *Investigation and report if applicant is sick or disabled.* Whenever it appears that an applicant for naturalization may be unable, because of sickness or other disability, to present himself in the office of the clerk of a naturalization court to file a petition for naturalization, the district director or officer in charge shall cause an investigation to be conducted to determine the circumstances, and shall report the condition of the applicant to the clerk of court for the purpose of aiding the court to determine whether the clerk of court shall designate another place to file a petition for naturalization. The report shall show whether the sickness or disability is of a nature which so incapacitates the applicant as to prevent him from appearing personally in the office of the clerk of court.

§ 334.15 *Void petitions for naturalization.* If a petition for naturalization filed with the clerk of court is materially defective on its face, it shall nevertheless remain a part of the records of the court and the duplicate thereof disposed of, and the fee accounted for, in accordance with the provisions of Part 339 of this chapter. The Service shall inform the petitioner of the defect and the desirability of having the petition marked

"Void" in order that the fee may be refunded or credited to the filing of another petition. If the petitioner desires to have the defective petition submitted to the court for a judicial ruling in lieu of having it marked "Void", no refund of the fee shall be made. A request by the petitioner that his petition be marked "Void" shall be made on Form N-403, in duplicate, and submitted to the district director. If the request is approved by the district director the original shall be furnished the clerk of court for attachment to the petition and the clerk of court shall mark the petition "Void". The duplicate shall be retained in the field office file.

§ 334.16 *Amendment of petition or application for naturalization.*—(a) *During pendency of petition or application.* An application to amend a petition or application for naturalization, while such application or petition is pending, shall be made by the petitioner or applicant on Form N-410, with copies thereof equal to the number of copies of the petition or application for naturalization, and presented to the court at the hearing on the petition or application for naturalization. When the court orders the petition or application amended, the original order shall be filed with the original petition or application and the copies attached to the respective copies of the petition or application.

(b) *After final action on petition or application.* Whenever an application is made to the court to amend a petition or application for naturalization after final action thereon has been taken by the court, a copy of the application shall be served upon the district director or officer in charge having administrative jurisdiction over the territory in which the court is located, in the manner and within the time provided by the rules of court in which application is made. A representative of the Service may appear at the hearing upon such application and be heard in favor of or in opposition thereto. When the court orders the petition amended, the clerk of court shall transmit a copy of the order to the district director or officer in charge for inclusion in the Service file.

§ 334.17 *Transfer of petition for naturalization.*—(a) *Application for transfer.* A petitioner for naturalization who removes from the jurisdiction of the court in which his petition for naturalization is pending, may make application to the court on Form N-455, in quadruplicate, for transfer of the petition to a naturalization court having jurisdiction over his place of residence, or, if the petition was not required to be filed in a naturalization court having jurisdiction over his place of residence, to any other naturalization court exercising naturalization jurisdiction. The application shall be submitted, in accordance with the instructions contained therein, to the district director or officer in charge exercising administrative jurisdiction over the place where the court in which the petition is filed is located.

(b) *Action by district director or officer in charge.* If the district director or officer in charge consents to the trans-

fer, he shall so indicate on each copy of Form N-455, which shall be filed with the clerk of court in which the petition is pending. If the district director or officer in charge does not consent to the transfer he shall so indicate on each copy of Form N-455 which shall be filed with the clerk of court, with a memorandum of the district director or officer in charge setting forth the reasons for the denial. The applicant shall be notified by the district director or officer in charge of the filing of Form N-455 with the clerk of court, and whether consent has been given by the district director or officer in charge.

(c) *Action by court in which petition is filed.* The court in which the petition is filed shall enter an order on Form N-455, in quadruplicate, approving or disapproving the application. If the application is approved, the original Form N-455 shall be filed with the naturalization record in the office of the clerk of court, the duplicate and triplicate copies, duly attested and certified, transmitted to the court to which the petition is to be transferred, and the quadruplicate copy transmitted to the district director or officer in charge. If the application is disapproved, the original Form N-455 shall be filed with the naturalization record in the office of the clerk of court and the remaining copies transmitted to the district director or officer in charge, who shall notify the applicant of the disapproval.

(d) *Action by court to which petition is transferred.* The court to which the petition is to be transferred shall enter an order on the duplicate and triplicate copies of Form N-455, approving or disapproving the transfer. The duplicate copy shall be filed with the clerk of the court to which the petition is to be transferred, and the triplicate copy, duly attested and certified, transmitted to the clerk of the court in which the petition is filed. If the application is disapproved, the clerk of court receiving the triplicate copy shall notify the district director or officer in charge, who shall notify the applicant of the disapproval.

(e) *Transfer of petition and record.* If the court to which the petition is to be transferred approves the transfer, the clerk of court in which the petition is filed shall file the triplicate copy of Form N-455 with the naturalization record and forward a certified copy of the petition, and the originals of all documents filed relating thereto, to the court to which the petition is being transferred, and notify the district director having administrative jurisdiction over the place in which the petition is filed, of the action taken. Upon receipt of the certified copy and record, the clerk of court to which the petition is transferred shall index it, number it consecutively in the order in which it is received, prefixed by the letters TR, and in a series separate from petitions originally filed in the court. The petition shall be made a part of the record of the naturalization court. No fee shall be charged by the clerk of the court to which the petition is transferred for the filing of the transferred petition or the issuance of a certificate of naturalization.

§ 334.18 *Withdrawal of petition and failure to prosecute.* (a) A petitioner who desires to withdraw his petition for naturalization after the filing thereof shall make request for withdrawal on Form N-404, in duplicate. The original shall be filed with the clerk of court and the duplicate with the office of the Service exercising administrative jurisdiction over the district in which the court is located. At the final hearing upon the petition, the officer in attendance shall inform the court whether the district director or officer in charge consents to the withdrawal of the petition. In cases in which such officer does not consent to the withdrawal, the court shall determine the petition on its merits.

(b) At the final hearing upon a petition for naturalization which the petitioner has failed to prosecute, the officer in attendance shall inform the court whether the district director or officer in charge consents to dismissal of the petition for lack of prosecution. In cases in which such officer does not move that the petition be dismissed for lack of prosecution, the court shall determine the petition on its merits.

§ 334.21 *Verification of petition for naturalization; administration of oath.* Every petition for naturalization shall, before it is filed, be verified by the petitioner, and by the affidavits of two credible witnesses, citizens of the United States, who shall appear in person either before a designated examiner or before the clerk of the court or his authorized deputy. Any such officer shall administer the required oaths to the petitioner and the witnesses. The witnesses shall sign the affidavits. The witnesses shall have and aver knowledge of the petitioner as to each place of his residence in the State where he is residing during the period of at least six months immediately prior to the filing of the petition unless the petitioner is exempted from the usual State residence requirement. If the petitioner has resided at two or more places in the State during the required six-month period and for this reason two witnesses cannot be procured to verify the petition as to all such residence, additional witnesses may be used and their affidavits shall be executed, in duplicate, on Form N-451, one copy of which shall be attached to the original petition and the other to the duplicate petition at the time of filing the petition. The witnesses shall state in their affidavits that they personally know that the petitioner is and has been a resident at such place for such period, the length of the petitioner's physical presence in the United States during such period, and that the petitioner is and has been during all such period of residence a person of good moral character, attached to the principles of the Constitution of the United States, well disposed to the good order and happiness of the United States, and in all respects qualified to become a citizen of the United States. If the petitioner is exempted from the usual State residence requirement, the witnesses shall state in their affidavits the period of time that they have personally known the petitioner to have been resident and physi-

cally present in the United States, and that such petitioner is, and, for the period required by the naturalization provisions applicable to the case, has been, a person of good moral character, attached to the principles of the Constitution of the United States, well disposed to the good order and happiness of the United States, and in all respects qualified to become a citizen of the United States.

PART 335—PRELIMINARY EXAMINATION ON PETITIONS FOR NATURALIZATION

SUBPART A—SUBSTANTIVE PROVISIONS [RESERVED]

SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

- Sec.
335.11 Preliminary examination pursuant to section 335 (b) of the Immigration and Nationality Act.
335.12 Recommendations of the designated examiner and the Commissioner; notice.
335.13 Notice of recommendation of designated examiner.

AUTHORITY: §§ 335.11 to 335.13 issued under sec. 103, 66 Stat. 173. Interpret or apply secs. 332, 335, 66 Stat. 252, 255.

SUBPART A—SUBSTANTIVE PROVISIONS [RESERVED]

SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 335.11 *Preliminary examination pursuant to section 335 (b) of the Immigration and Nationality Act—(a) When held.* Preliminary examinations shall be open to the public, and shall, where practicable, be held immediately after the petition for naturalization is filed with the clerk of the court unless, in the opinion of the district director or officer in charge, the interests of good administration would be better served by holding such examinations prior to the filing of the petition in the office of the clerk of court, but in no event shall such examinations be held before the petition has been properly executed by the petitioner and his verifying witnesses.

(b) *Conduct of examination.* Preliminary examinations shall be held before an employee of the Service, designated by the district director to conduct such proceedings and to make findings and recommendations thereon to the naturalization court, who shall be known as the "designated examiner." The petitioner and his witnesses and the witnesses produced on behalf of the Government shall be present. The designated examiner shall, prior to the commencement of the examination, make known to the petitioner his official capacity and that of any other officer of the Service who may participate in the proceeding. The designated

examiner shall have before him the entire record of the preliminary interrogation, including the petitioner's application to file a petition for naturalization (Form N-400) and any other evidence or data that may be relevant or material to the inquiry. All testimony taken at the examination shall be under oath or affirmation administered by the designated examiner. The designated examiner may interrogate the petitioner and witnesses produced in behalf of the petitioner or the Government, and present evidence touching upon the petitioner's admissibility to citizenship. He shall regulate the course of the examination, rule upon applications for the issuance of subpoenas and issue such subpoenas in proper cases, grant or deny continuances, and rule on all objections to the introduction of evidence, which rulings shall be entered on the record. Evidence held by the designated examiner to be inadmissible shall nevertheless be received into the record subject to the ruling of the court. The petitioner and the Government shall have the right to present such oral or documentary evidence and to conduct such cross-examination as may be required for a full and true disclosure of the facts. If the petitioner is not represented by an attorney or representative, the designated examiner shall assist the petitioner in the introduction of all evidence available in his behalf. All documentary or written evidence shall be properly identified and introduced into the record as exhibits by number, unless read into the record.

(c) *Assignment of examining officer at preliminary examination.* The district director or officer in charge may in his discretion assign an employee of the Service to act as examining officer at the preliminary examination. Such employee shall examine and cross-examine witnesses produced in behalf of the Government or the petitioner and present evidence pertinent to the petitioner's admissibility to citizenship. The designated examiner may take such part in the interrogation of the petitioner and witnesses and the introduction of evidence as he may deem necessary.

(d) *Stenographic reporting of proceedings; mechanical recording equipment.* A stenographer shall be in attendance whenever, in the opinion of the designated examiner, such attendance is desirable, and in every case to which an examining officer is assigned. The stenographer shall record verbatim the entire proceedings, including the oaths administered and rulings on objections, but shall not record arguments in support of objections, or statements made off the record with the consent of the petitioner. The stenographer shall certify that the transcribed minutes constitute a complete and accurate record of the examination. Whenever, in the opinion of the designated examiner the use of mechanical recording equipment in lieu of a stenographer is deemed desirable, the proceedings may be recorded by such equipment.

(e) *Issuance of subpoenas; attendance and mileage fees.* Subpoenas requiring the attendance of witnesses or the production of documentary evidence, or

both, may be issued by the designated examiner, upon his own volition or upon written application of the petitioner or his attorney or representative, the examining officer, or the Service. Such written application shall specify, as nearly as may be, the relevance, materiality, and scope of the testimony or documentary evidence sought and show affirmatively that the testimony or documentary evidence cannot otherwise be produced. Subpenas shall be issued on Form I-138 and due record shall be made of their service. The subpoena may be served by any person over 18 years of age, not a party to the case, designated to make such service by the district director or officer in charge. Mileage and fees for witnesses subpoenaed under this section shall be paid by the party at whose instance the subpoena is issued at rates allowed and under conditions prescribed by the naturalization court in which the petition is pending. Before issuing a subpoena the designated examiner may require a deposit of an amount adequate to cover the fees and mileage involved. If the witness subpoenaed neglects or refuses to testify or produce documentary evidence as directed by the subpoena, the district director or the officer in charge shall request the United States Attorney for the proper district to report such neglect or refusal to any court exercising naturalization jurisdiction and to file a motion in such court for an order directing the witness to appear and testify and to produce the documentary evidence described in the subpoena.

(f) *Briefs.* At the conclusion of the preliminary examination the petitioner or his attorney or representative, and the examining officer if one was assigned, may submit briefs in support of arguments made or issues raised at the examination.

(g) *Representation by attorney or representative; absence of representative; advice to petitioner.* The petitioner may be represented by an attorney or a representative who has, where required, been admitted to practice before the Service in accordance with Part 292 of this chapter. If at any stage of the preliminary examination it appears to the designated examiner that he may recommend denial of the petition, or granting thereof with the facts to be presented to the court, he shall advise the petitioner of his right to be represented by an attorney or representative. A continuance of the examination shall be granted upon the petitioner's motion for the purpose of obtaining an attorney or representative. The petitioner's attorney or a representative shall be permitted to be present at all times during the preliminary examination or at any subsequent examinations and the petitioner shall not in any such examination or subsequent examinations be interrogated in the absence of his attorney or representative, unless the petitioner waives such appearance. The attorney or a representative shall be permitted to offer evidence to meet any evidence presented or adduced by the Government or the designated examiner. A petitioner who is not represented by an attorney or a representative shall be

entitled to all the benefits and the privileges provided for in this section.

(h) *Designation of Service employees to conduct preliminary examinations.* All employees of the Service who have been designated to conduct preliminary examinations upon petitions for naturalization to any naturalization court and to make findings and recommendations thereon to such courts under the provisions of section 333 of the Nationality Act of 1940, as amended, and whose designations are still in force on December 24, 1952, are hereby designated under the provisions of section 335 of the Immigration and Nationality Act to conduct preliminary examinations upon petitions for naturalization to any naturalization court and to make findings and recommendations thereon to such courts. Designations under this paragraph and under paragraph (b) of this section shall remain in force until revoked.

§ 335.12 *Recommendations of the designated examiner and the Commissioner; notice.* The designated examiner shall, as soon as practicable after conclusion of the preliminary examination, prepare an appropriate recommendation thereon for the court. If the designated examiner is of the opinion (a) that the petition should be denied, or (b) that the petition should be granted but the facts should be presented to the court, he shall prepare a memorandum containing a summary of the evidence adduced at the examination, findings of fact and conclusions of law, and his recommendation as to the final disposition of the petition by the court, and shall before final hearing, in those cases designated by the Commissioner, submit the memorandum to him for his views and recommendation. No evidence dehors the record or evidence that would not be admissible in judicial proceedings under recognized rules of evidence shall be considered in the preparation of the memorandum. The Commissioner shall return the designated examiner's memorandum, the record, and any memorandum prepared by the Commissioner containing his own views and recommendation for presentation to the court.

§ 335.13 *Notice of recommendation of designated examiner.*—(a) *Recommendation that petition be denied.* When the designated examiner proposes to recommend denial of the petition, the petitioner or his attorney or representative shall be notified thereof, on Form N-425, and furnished a copy of the designated examiner's memorandum. The notice shall be sent by registered mail, with return receipt requested, after any review made by the Commissioner and at least thirty days prior to final hearing. The petitioner shall inform the Service in writing within thirty days from the date of the notice whether he desires a hearing before the court.

(b) *Recommendation that petition be granted.* When the designated examiner proposes to recommend granting of the petition and to present the facts and issues to the court, the petitioner or his attorney or representative shall be notified of the recommendation and fur-

nished a copy of the designated examiner's memorandum prior to the date of the hearing, and after any review made by the Commissioner.

(c) *Disagreement between recommendations of designated examiner and Commissioner.* In those cases reviewed by the Commissioner in which his views and recommendation do not agree with those of the designated examiner, the notice required by paragraphs (a) and (b) of this section shall also advise the petitioner of the recommendation of the Commissioner and that both recommendations will be presented to the court. There shall also be enclosed with such notice a copy of the Commissioner's memorandum.

SUBPART A—SUBSTANTIVE PROVISIONS

§ 335b.1 *Proof of residence and other qualifications.*—(a) *Whenever State residence is required.* At the preliminary examination upon the petition for naturalization before a designated examiner, or if no preliminary examination is held, at the final hearing before the court, residence in the State in which the petitioner resides at the time of filing the petition, for at least six months immediately preceding the date of filing the petition and the other qualifications required by section 316 (a) of the Immigration and Nationality Act during such residence, shall be proved only by the oral testimony of two credible witnesses, citizens of the United States. Residence and other qualifications required by section 316 (a) of the Immigration and Nationality Act, for the period prior to such six-month period shall be proved either by depositions taken in accordance with § 335b.12 or by the oral testimony of at least two credible witnesses, citizens of the United States. If oral testimony is taken from witnesses who did not verify the petition, affidavits on Form N-451 shall be executed by such other witnesses, in duplicate, before the clerk of the court

AR2022_200083

or the designated examiner, one copy of which shall be attached to the original petition and the other to the duplicate petition.

(b) *Whenever State residence is not required.* In any case in which State residence is not required to be established, the petitioner shall, at the preliminary examination before the designated examiner, or if no preliminary examination is held, at the final hearing before the court, prove his residence within the United States and the other qualifications required by section 316 (a) of the Immigration and Nationality Act, for such period as they have known the petitioner, by the oral testimony of two credible witnesses, citizens of the United States. That portion of the time during which the petitioner is required to establish residence within the United States and the other qualifications required by section 316 (a) of the Immigration and Nationality Act, which is not covered by the oral testimony of such witnesses, shall be proved either by depositions taken in accordance with § 335b.12, or by the oral testimony of at least two credible witnesses, citizens of the United States. If oral testimony is taken from witnesses who did not verify the petition, affidavits on Form N-451 shall be executed by them and filed in the manner described in paragraph (a) of this section.

(c) *Whenever petitioner is absent from the United States.* A petitioner who has been granted the benefits of section 316 (b) of the Immigration and Nationality Act or section 307 (b) of the Nationality Act of 1940 to cover his absence from the United States for the purposes specified in that section shall not be required to establish his qualifications under section 316 (a) of the Immigration and Nationality Act for the period of his absences by the testimony of witnesses, as required by this part. The qualifications during such period may be established by any evidence satisfactory to the naturalization court.

(d) *Witnesses excused from final hearing.* If the testimony of the witnesses is heard at a preliminary examination under Part 335 of this chapter the witnesses may be excused by the designated examiner from appearance before the court at the final hearing, unless the petitioner otherwise demands or the court otherwise requires.

SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 335b.11 *Substitution of witnesses; procedure.* If the witnesses who verified the petition have not been excused from appearance at the final hearing and the petitioner is unable to produce such witnesses, other witnesses may be presented in their stead, upon notice given by the petitioner on Form N-450 to the district director or officer in charge, within a reasonable time in advance of the date set for final hearing. If any of the verifying witnesses appear to be incompetent and the petitioner has acted in good faith in producing such witnesses, other witnesses may be substituted upon notice on Form N-450 given in the manner described in this section. In no case shall a final hearing be held until after the substitute witnesses have been examined

by the representative of the Service and an affidavit on Form N-451 has been executed in duplicate by the witnesses before such representative or the clerk of the court in the manner described in § 335b.1 (a).

§ 335b.12 *Depositions; procedure—*
(a) *In the United States.* Depositions may be used to prove compliance with the requirements for naturalization during any period except the minimum period of State residence. A request to take depositions shall be made by the petitioner on Form N-460. Such depositions shall be taken only upon written interrogatories on Form N-462. Except as otherwise provided in this section they shall be made in the United States before an employee of the Service authorized to administer oaths and take depositions under Part 332d of this chapter, unless there is a likelihood of unusual delay or hardship, in which case the district director or officer in charge may authorize such depositions to be taken before a postmaster, without charge, or before a notary public or other person authorized to administer oaths for general purposes, and the authorization to take such depositions shall be filed in the naturalization court with the depositions. In cases in which the depositions are taken other than before an employee of the Service or a postmaster, the alien shall be informed of the name and title of the officer designated to take the depositions and the petitioner shall arrange with him independently of the Service to defray all costs and expenses incident thereto. When depositions are taken by the Service, the time and place shall be fixed so as to be as convenient as possible to all concerned, consistent with good administration. The petitioner or his attorney or representative may be present when the depositions are taken. Depositions taken under this section shall be sent to the officer in charge having administrative supervision over the territory in which the petition is pending and by him forwarded to the clerk of the naturalization court prior to the final hearing, for filing with the petition.

(b) *Outside the United States.* Petitioners for naturalization who, under sections of the Immigration and Nationality Act applicable to their cases, are exempt from the usual requirement of residence and physical presence in the United States, but who are required to establish good moral character, attachment to the principles of the Constitution, and favorable disposition to the good order and happiness of the United States for the period applicable to their cases, and who were absent from or were not residents of the United States during such period, may establish their qualifications during the periods of absence by depositions taken outside the United States in the manner described in paragraph (a) of this section. Such depositions shall be taken before any employee of the United States designated for that purpose by the Commissioner. does not agree with that of the designated examiner, a member of the Service other than the person who conducted the preliminary examination shall, whenever practicable, represent the Service before the court. Such representative may cross-examine the petitioner and his witnesses and may call other witnesses and produce evidence concerning any matter affecting the petitioner's eligibility for naturalization. In cases in which it appears to be necessary, the representative in attendance at the proceedings, shall have a stenographic report made of the testimony given in the proceedings.

§ 336.12 *Written report in lieu of personal representation.* In any case in which a preliminary interrogation or preliminary examination has been conducted pursuant to Part 332 or Part 335 of this chapter, and it is impracticable thereafter for a representative of the Service to be present at the final naturalization hearing, written notice of that fact shall be given by the Service to the court. The petitions set down for hearing shall be listed on the appropriate form prescribed by § 336.13. The grounds for objection, if any, shall be supported by the memoranda required by §§ 335.12 and 332.14 of this chapter. If continuance of the petition is desired, the basis therefor shall be set forth. The forms and memoranda shall be transmitted to the clerk of court, who shall submit the appropriate lists and orders to the court, in accordance with the procedure described in § 336.13.

§ 336.13 *Preparation of lists and orders of court for presentation at final hearing.* (a) At or prior to the final naturalization hearing the representative attending the hearing shall submit to the court lists and orders of court, in duplicate, on Forms N-480, N-480A, N-481, N-485, N-490, or N-492, as appropriate, for petitions recommended to be granted; on Form N-483 for petitions recommended to be continued; and on Forms N-484, N-484A, N-486, N-491, or N-493, as appropriate, for petitions recommended to be denied. The Commissioner's list on Form N-492 or Form N-493, as appropriate, shall be signed by the district director. After the final hearing, and after any required amendments therein have been made, the presiding judge shall sign the orders of court.

(b) In any case in which a petitioner is not permitted to take the oath of allegiance until a fixed date following a general election, the order of court granting the petition shall be amended by striking therefrom the words "and each having taken the oath of allegiance required by the naturalization laws and regulations" and inserting immediately following the word "America" the words "as of the date of and upon the taking of the oath of allegiance required by the naturalization laws and regulations at a date subsequent to 19____." Following the taking of the oath of allegiance after a general election, pursuant to such amended order, the clerk of court shall prepare a list, in duplicate, on Form N-489, certifying that such oath was taken.

(c) When the court waives the taking of the oath of allegiance in the case of a child, the order of court granting the petition shall be amended by striking therefrom the words "each having taken" and inserting immediately following the word "regulations", a comma and the words "having been waived."

(d) The originals of all court orders and lists specified herein shall be filed permanently in the court, and the duplicates forwarded by the clerk of court to the appropriate field office of the Service for retention by such office. The same disposition shall be made of any list presented to, but not approved by, the court.

§ 336.14 *Presentation of designated examiner's and Commissioner's recommendation at final hearing.* At the final hearing or prior thereto, in addition to the lists prepared under § 336.13, there shall be presented to the court and made a part of the record in the case, the memoranda of the designated examiner and the Commissioner, prepared pursuant to provisions of Part 332 or Part 335 of this chapter.

The report shall show whether the sickness or other disability is of a nature which so incapacitates the person as to prevent him from appearing in open court.

§ 336.16 *Final hearing: waiver of 30-day period.* A petitioner for naturalization may request the district director or officer in charge, in writing, to waive the thirty-day period following the filing of the petition referred to in section 336 (c) of the Immigration and Nationality Act. Such request may be made at any time after an application to file a petition for naturalization has been filed with the service. The district director or officer in charge shall cause a full and complete investigation to be conducted and if such investigation satisfactorily establishes that such waiver will be in the public interest and will promote the security of the United States, he may, in his discretion, grant the waiver. Notice of granting of the waiver shall be given to the clerk of court in writing.

SUBPART A—SUBSTANTIVE PROVISIONS
[RESERVED]

SUBPART B—PROCEDURAL AND OTHER
NONSUBSTANTIVE PROVISIONS

§ 338.11 *Execution and issuance.* When a petitioner for naturalization has duly taken and subscribed to the oath of allegiance and a final order admitting petitioner to citizenship has been duly signed by the court, a certificate of naturalization shall be issued by the clerk of the court on Form N-550, in duplicate. The certificates and the stub of the original thereof shall be signed by the petitioner. The certificate shall show under "former nationality" the name of the country of which the petitioner was last a citizen, as shown in the petition, even though petitioner may have been stateless at the time of admission to citizenship. The clerk or a deputy clerk shall sign the certificate in his own handwriting and enter on the stub thereof all the essential facts set forth in the certificate. Both copies of the certificate, including the stubs, shall be prepared in one operation on a typewriter with the use of carbon paper. Photo-

graphs shall be affixed to the original and duplicate certificates in the manner provided by Part 333 of this chapter. The stub of the original shall be removed and retained by the clerk of court and filed in an upright card file, or in a three by five inch card drawer by trimming the stub to that size. The original certificate shall be delivered to the petitioner. The duplicate copies of the certificates shall not be separated from their stubs and shall be forwarded to the appropriate office of the Immigration and Naturalization Service with all other duplicate papers in accordance with Part 339 of this chapter.

§ 338.12 *Endorsement in case name is changed.* Whenever the name of a petitioner has been changed by order of court as a part of a naturalization, the clerk of court shall make, date, and sign the following endorsement on the reverse side of the original and duplicate of the certificate of naturalization: "Name changed by decree of court from _____, as a part of the naturalization," inserting in full the original name of the petitioner. A similar notation shall be made on the stubs of the original and duplicate certificate. The certificate of naturalization shall be issued and the stub of the original thereof signed by the petitioner in the name as changed.

§ 338.13 *Spoiled certification.* Whenever a certificate of naturalization is damaged, mutilated, defaced or otherwise spoiled before delivery by the clerk, the original and duplicate, with stubs intact, shall be marked "Spoiled" and transmitted to the appropriate immigration and naturalization office, in the manner described in § 339.2 of this chapter, with the monthly report of the clerk on Form N-4.

§ 338.14 *Delivery of certificates; surrender of alien registration receipt card.* No certificate of naturalization shall be delivered by the clerk of court unless and until the naturalized person has surrendered his Alien Registration Receipt Card, unless the district director or officer in charge authorizes delivery without the card. The number of the card shall be endorsed by the clerk on the stubs of the original and duplicate certificate. The clerk shall forward the receipt card to the appropriate immigration and naturalization office with the duplicate certificate in accordance with § 339.2 of this chapter.

§ 338.15 *Signing of certificate.* If a child, who has been admitted to citizenship under section 322 or section 323 of the Immigration and Nationality Act is unable to sign his name, the certificate of naturalization shall be signed by the petitioning parent or parents, whether natural or adoptive, as may be appropriate, and the signature shall read "(insert name of petitioning parent or parents) in behalf of (insert name of naturalized child)." A naturalized person whose petition was signed by him in a foreign language may sign his certificate of naturalization in the same manner.

§ 338.16 *Correction of certificates.* Whenever a certificate of naturalization has been delivered which does not con-

form to the facts shown on the petition for naturalization, or a clerical error was made in preparing the certificate, an application on Form N-458 may be made by the naturalized person to the district director exercising jurisdiction over the place in which the court is located to authorize the correction of the certificate. If the district director finds that a correction is justified and can be made without mutilating the certificate, he shall authorize the clerk of the issuing court on Form N-459, in duplicate, to make the necessary correction and to place a dated endorsement on the reverse of the certificate, over his signature and the seal of the court, explaining the correction. The authorization shall be filed with naturalization record, the corrected certificate returned to the naturalized person and the duplicate Form N-459 shall be endorsed to show the date and nature of the correction and endorsement made, and returned to the district director. No fee shall be charged the naturalized person for the correction. The district director shall forward such duplicate to the Central Office. When a correction would or does result in mutilation of the certificate, the district director may authorize the clerk of court on Form N-459, in duplicate, with the consent of the naturalized person, to issue without fee a new certificate from his supply, upon surrender of the incorrect certificate and submission of photographs. The surrendered certificate shall be marked "Spoiled" and transmitted to the district director with the duplicate copy of the new certificate and the duplicate Form N-459 appropriately endorsed, with the monthly report of the clerk on Form N-4. The original of the new certificate shall be delivered to the naturalized person. Objection shall be made by the Service to any application to the court for the alteration of a certificate of naturalization which would cause it to vary from the record on which the naturalization was granted.

SUBPART A—SUBSTANTIVE PROVISIONS

§ 475.1 *Definitions.* As used in this part:

(a) The term "agricultural worker" means a native-born citizen of Mexico who is and has been a bona-fide resident of Mexico for at least one year immediately preceding the date of application for admission and who seeks to enter the United States temporarily under the provisions of Title V of the Agricultural Act of 1949, as amended (63 Stat. 1051, Pub. Law 78, 82nd Cong.), for the sole purpose of engaging in agricultural employment as defined herein, and who is legally admitted to the United States for temporary employment in agriculture in accordance with the terms of the Migrant Labor Agreement of 1951, as amended, entered into between the Governments of the United States and Mexico.

(b) The term "agricultural employment" means:

(1) Cultivation and tillage of the soil, planting, production, cultivation, growing, and harvesting of any agricultural or horticultural commodities and any practices (including any forestry or lumbering operations) performed by a farmer or on a farm as an incident to or in conjunction with such farming operations, including preparations for market, delivery to storage, or to market, or to a carrier for transportation to market; or

(4) Handling, drying, packing, packaging, processing, freezing, grading or storing, in its unmanufactured state any agricultural or horticultural commodity for the operator of a farm; but only if such operator produced more than one-half of the commodity with respect to which the service is performed; or

(5) All of the activities described in subparagraph (4) of this paragraph for a group of operators of farms but only if such operators produced the commodities with respect to which such activities are performed. *Provided*, That the provisions of this subparagraph and subparagraph (4) of this paragraph shall not be applicable with respect to services performed in connection with commercial canning or commercial freezing, or in connection with any agricultural or horticultural commodities, after their delivery to a terminal market for distribution or consumption.

(c) The term "employer" means:

(1) The operator of agricultural property who is engaged in agricultural employment, as defined in this section;

(2) An association or other group of employees but only if those of its mem-

bers for whom Mexican workers are being obtained are bound, in the event of its default, to carry out the obligations undertaken by it pursuant to the provisions of the Migrant Labor Agreement of 1951, as amended, unless the Secretary of Labor of the United States determines that such individual liability is not necessary to assure performance of such obligations; or

(3) A processor, shipper or marketer of agricultural products when the Mexican workers whom he obtains are employed by him in agriculture or crops purchased by him.

§ 475.2 *Period for which admitted.* An agricultural worker may be admitted to the United States as a nonimmigrant pursuant to section 101 (a) (15) (H) of the Immigration and Nationality Act; *Provided*:

(c) That the period of temporary admission shall be subject to immediate revocation, without notice, by the district director of the district having jurisdiction over the place of the alien's employment upon—

(2) Withdrawal of the employer's certification because of violation of Title V of the Agricultural Act of 1949, as amended, or the Migrant Labor Agreement of 1951, as amended, or individual work contract made thereunder, as specified in § 475.4 (b); or

(3) Determination and notification by the Secretary of Labor that sufficient domestic workers who are able, willing, and qualified are available at the time and place needed to perform the work for which such workers are employed, or that the employment of such workers is adversely affecting the wages and working conditions of domestic agricultural workers similarly employed, or that reasonable efforts have not been made to attract domestic workers for such employment at wages and standard hours of work comparable to those offered to foreign workers; or

(4) Termination of the Migrant Labor Agreement of 1951, as amended, prior to December 31, 1953.

(d) Establish to the satisfaction of the examining immigration officer that, if admitted, he will comply with all of the conditions of such admission.

§ 475.4 *Compliance by employer.* (a) No agricultural workers shall be made available to, nor shall any such workers made available be permitted to remain in the employ of, any employer who has in his employ any Mexican alien when such employer knows or has reasonable grounds to believe or suspect or by reasonable inquiry could have ascertained that such Mexican alien is not lawfully within the United States. Whenever it shall appear that a Mexican alien not lawfully in the United States is so employed, an investigation shall be made and a report submitted to the district director having jurisdiction over the place of the alien's employment.

(b) Upon notification from the Secretary of Labor that an employer fails or refuses to comply with the provision of Title V of the Agricultural Act of 1949, as amended, or the Migrant Labor Agreement of 1951, as amended, or individual work contract made thereunder, the temporary admission of all agricultural workers employed by such employer may be revoked in the same manner as provided in § 475.2 (c).

(c) If a Mexican agricultural worker leaves his employment without proper authorization, the employer shall report such departure immediately or within five days thereof to the district director having jurisdiction over the reception center at which the worker was recruited. Such notification shall contain (1) the individual worker's name, as shown in the employer's copy of the contract; (2) the worker's Form I-100a number; (3) the location of the reception center at which the worker was originally contracted, and (4) the date the worker left the employer.

§ 475.5 *Extension of stay; conditions.* After an alien has been admitted to the United States as an agricultural worker under the provisions of this part or of prior regulations pertaining to Title V of the Agricultural Act of 1949, as amended, he may be granted an extension or extensions of the period of his temporary admission by the district director or the officer in charge having jurisdiction over the place of the alien's employment, subject to the same limitations as are placed on original admission by § 475.2.

§ 475.6 *Readmission after temporary visits to Mexico.* (a) An agricultural worker who has been admitted to the United States under the provisions of this part or of prior regulations pertaining to Title V of the Agricultural Act of 1949, as amended, may be readmitted after temporary visits to Mexico on presentation of Form I-100a, Alien Laborer's Permit and Identification Card, if he is still maintaining the status of an agricultural worker in the United States.

(b) An agricultural worker who is granted a furlough shall be furnished by the employer with a letter stating the time for which the furlough is granted and that all contractual obligations will be reassumed upon the alien's return to his employment after the furlough. The

letter shall be appropriately endorsed to show approval of the furlough by a representative of the United States Employment Service and the appropriate Mexican Consul if the furlough:

- (1) Is for more than 15 days, or
- (2) Is to take place during the last 15 days of a six-week contract, or
- (3) Is to take place during the last 30 days of a contract of more than six weeks.

§ 475.7 *Previous removal, deportation; permission to reapply.* An alien who established that he is in all respects entitled to admission as an agricultural worker under the provisions of this part, except that he has been previously removed at Government expense pursuant to section 242 (b) of the Immigration and Nationality Act, or excluded or arrested and deported, on not more than one occasion solely because of illegal entry or absence of required documents, is hereby granted permission to reapply for admission to the United States as an agricultural worker.

§ 475.8 *Arrest and deportation of agricultural workers.* (a) An alien admitted to the United States as an agricultural worker shall be deemed to have failed to maintain his nonimmigrant status within the meaning of section 241 (a) (9) of the Immigration and Nationality Act if:

- (1) He remains in the United States after the expiration of the time for which he was temporarily admitted or after the expiration of any authorized extension of such period; or
- (2) He violates or fails to fulfill any of the other conditions of his admission to or extended stay in the United States; or

(3) He evidences orally or in writing or by conduct an intention to violate or to fail to fulfill any of the conditions of his temporary admission to or extended stay in the United States; or

(4) He remains in the United States after the period of his temporary admission or extended stay is revoked pursuant to § 475.2 (c).

(b) Any alien to whom paragraph (a) of this section is applicable shall be subject to being taken into custody and made the subject of further proceedings under the applicable provisions of the Immigration and Nationality Act and the regulations in this chapter.

SUBPART B—PROCEDURAL AND OTHER NONSUBSTANTIVE PROVISIONS

§ 475.21 *Recruitment centers; preliminary inspection.* To the extent possible under the circumstances, all immigration inspections and medical examinations of the agricultural workers at recruitment centers in Mexico shall be similar to those regularly conducted at ports of entry on the border. If the immigration officer at the recruitment center in Mexico determines that the alien is admissible as an agricultural worker he shall so note and initial the conditional permit which is issued to the alien by the Secretary of Labor when the alien is recruited. Such endorsement shall not be construed as a guarantee that the alien will be admitted to the United States nor shall the alien be entitled to accept employment in the United States unless and until he has

been issued Form I-100a as prescribed in § 475.22. Aliens who have been issued conditional permits, which have been noted by immigration officers, will be conveyed directly from the recruitment center to a reception center at or near a port of entry under the supervision of representatives of the Secretary of Labor for completion of immigration inspection and registration pursuant to Chapter 7 of Title II of the Immigration and Nationality Act. The conveyance of an agricultural worker to a reception center shall not constitute an admission to the United States. Such alien shall be considered to have been admitted to the United States only after he has been inspected and issued Form I-100 as prescribed in § 475.22. If the immigration officer at the recruitment center in Mexico determines that the alien is inadmissible as an agricultural worker, he shall refuse to note the alien's conditional permit and such decision by the immigration officer shall not be subject to appeal to a special inquiry officer.

§ 475.22 *Immigration inspection at reception centers; authority to admit; hearings before special inquiry officer.* (a) Any alien who presents the conditional permit described in § 475.21, duly noted by an immigration officer at a recruitment center, who is found to be admissible under this part as an agricultural worker may be so admitted by the examining immigration officer, at which time he shall—

- (1) Be fingerprinted as follows:
 - (i) By placing the rolled impression of the right index finger on the reverse side of the original Form I-100a, Alien Laborer's Permit and Identification Card, which shall be prepared in duplicate in each such case;
 - (ii) By placing complete fingerprints of both hands on one copy of Form AR-4; and
 - (iii) By executing the obverse of Form AR-4 and placing thereon the serial number of the Form I-100a and a stamped notation reading "Admitted as agricultural worker"; the executed form shall be mailed direct to the Federal Bureau of Investigation, Washington 25, D. C.

(2) Be given the Form I-100a bearing his photograph and stating his name, place of birth and citizenship, duly noted by an immigration officer to show the date, place, and period of his admission into the United States and signed by said immigration officer across the bottom of the photograph, partly on the photograph and partly on the card. Such noted card shall constitute an alien registration receipt card pursuant to section 264 (d) of the Immigration and Nationality Act and shall be the sole documentation required for admission to the United States under the provisions of this part. The Form I-100 shall be forwarded to and retained by the district director of the district having jurisdiction over the port of the alien's entry.

(3) The foregoing shall be deemed to be in compliance with the provisions of Chapter 7 of Title II of the Immigration and Nationality Act relating to the registration of aliens.

(b) Any alien seeking admission under this part in whose case the examining

If alleged new evidence is offered which was not available at the time of original appeal, the Board will consider whether the evidence is actually new and of such material consequence that the case should be remanded to the office of original jurisdiction. If the case is remanded the appeal will begin anew in the office of original jurisdiction. In exceptional cases the Board may in its discretion receive and consider new evidence without remanding the case and may afford the parties an opportunity to produce witnesses and cross-examine witnesses.

(b) *Approval; extension agreements; consent of surety; collateral security*. Regardless of the section of law or regulations under which a bond is required, district directors are authorized, either directly or through officers or employees designated by them, to approve bonds which are prepared on a form approved by the Commissioner. Such officers are also authorized to approve formal agreements by which a surety consents to an extension of his liability on any such bond and to approve any power of attorney executed on Form I-312 or Form I-313 which purports to authorize the delivery after its release of collateral deposited to secure the performance of any such bond to some person or concern other than the depositor thereof. Unless otherwise specifically provided in this chapter or by the Commissioner in any case or class of cases, bonds prepared on forms approved by the Commissioner, all agreements of extension of liability relating thereto, and all powers of attorney for delivery of collateral security deposited in connection therewith shall be retained at the office of the Service where approved. Bonds prepared on any form other than one approved by the Commissioner, agreements of extension of liability relating thereto, and any powers of attorney to receive back collateral deposited in connection therewith, shall be submitted to the regional commissioner for approval. Regardless of the form on which the bond is prepared, any power of attorney not executed on Form I-312 or Form I-313, purporting to authorize the delivery after its release of any deposit of collateral security to some person or concern other than the depositor thereof, shall be forwarded, together with the bond and all appurtenant documents, to the regional commissioner for approval. (c) *Violation of conditions; cancellation*. (1) Whenever it shall appear that a condition of a bond executed in connection with the administration of the immigration laws may have been violated, or when a request for release from

If the obligors are adversely affected by the decision of the district director, they shall be notified by him in writing on Form I-323 of his decision. No appeal shall lie from the decision of the district director.

(2) If all the conditions of a bond executed in connection with the administration of the immigration laws have been complied with and the obligation has thereby been discharged by its own terms, the district director shall so notify the obligors on Form I-391. Similar notice may be given if all the conditions of the bond have been complied with and (i) the alien has departed from the United States or, being the sole obligor on the bond or holding an approved power of attorney from the obligor, is about to depart from the United States, (ii) the alien has died, (iii) the alien has been naturalized as a citizen of the United States, (iv) a new bond has been furnished to replace the existing bond, or (v) in the case of a delivery bond, the warrant of arrest or deportation has been cancelled, or the alien's application for suspension of deportation has been approved, or the alien has been imprisoned, or inducted into the armed forces of the United States.

§ 5.13 *Answer filed; personal appearance; notice.* Upon receipt of an answer asserting a defense to the allegations in a notice served pursuant to § 5.11, the district director shall designate an officer of the Service to consider and, if a request for a personal appearance was made, to interview the party affected. If a personal appearance was requested, such officer shall notify the subject of the time, date and place, to appear for interview and of the subject's right to be represented by counsel or representative at no expense to the Government. At the conclusion of the interview, the subject or his attorney or representative shall be given a reasonable time not to exceed 10 days for the submission of briefs. The officer shall, after consideration of the case if no personal appearance was requested, or after completion of the interview and the consideration of any brief submitted, prepare a report summarizing the evidence and containing his findings and recommendation. The report shall be forwarded to the district director, with the record in the case. If the district director finds that the certificate, document, or record was not obtained through illegality or fraud, he shall order the matter terminated, and the subject shall be so notified. If the district director finds that the certificate, document, or record was obtained or created through illegality or fraud, he shall order that it be cancelled ab initio. Notice of such action and the reasons therefor shall be given to the subject or his attorney or representative, and the subject shall be informed of his right to appeal within 10 days from the receipt of such notification in accordance with Part 7 of this chapter.

§ 5.14 *Surrender of documents.* Upon the cancellation of any document under this part, the subject shall be requested by the district director, in writing, to surrender the document to the district director.

AUTHORITY: §§ 6.1 to 6.21 issued under sec. 103, 66 Stat. 173; 8 U. S. C. 1103.

§ 6.1 *Board of Immigration Appeals—(a) Organization.* There shall be in the

office of the Attorney General a Board of Immigration Appeals. It shall be under the supervision and direction of the Attorney General and shall be responsible solely to him. The Board shall consist of a chairman and four other members and shall have attached to it an executive assistant-chief examiner who shall have authority to act as an alternate member. It shall also have attached to it such number of attorneys and other employees as the Attorney General upon recommendation of the Board, shall from time to time direct. In the absence of the chairman, a member designated by him shall act as chairman.

(b) *Appellate jurisdiction.* Appeals shall lie to the Board of Immigration Appeals from the following:

(1) Decisions of special inquiry officers in exclusion cases, as provided in Part 236 of this chapter;

(2) Decisions of special inquiry officers in deportation cases, as provided in Part 242 of this chapter;

(3) Decisions of district directors on applications for the advance exercise of the discretionary authority contained in section 212 (e) of the Immigration and Nationality Act, as provided in Part 212 of this chapter;

(4) Decisions of district directors involving administrative fines and penalties, including mitigation thereof, as provided in Part 280 of this chapter;

(6) Decisions of district directors or the Assistant Commissioner, Examinations Division, on applications for the advance exercise of the discretionary authority contained in section 212 (d) (3) of the Immigration and Nationality Act, as provided in Part 212 of this chapter;

(7) Determinations of regional commissioners or district directors relating to bond, parole, or detention of an alien as provided in Part 242 of this chapter.

(c) *Jurisdiction by certification.* The Commissioner, an assistant commissioner, a regional commissioner, or the Board may in any case arising under paragraph (b) (1) through (6) of this section require certification of such case to the Board.

(d) *Powers of the Board—(1) Generally.* Subject to any specific limitation prescribed by this chapter, in considering and determining cases before it as provided in this part the Board shall exercise such discretion and authority conferred upon the Attorney General by law as is appropriate and necessary for the disposition of the case, except that the Board shall have no authority to consider or determine the manner, at whose expense, or to which country an alien shall be deported.

(2) *Finality of decision.* The decision of the Board shall be final except in those cases reviewed by the Attorney General in accordance with paragraph (h) of this section. The Board may re-

RULES AND REGULATIONS

turn a case to the Service for such further action as may be appropriate to the case, without entering a final decision on its merits.

(3) *Admission to practice.* The Board shall have authority, with the approval of the Attorney General, to promulgate rules of practice governing the proceedings before it, and to determine the admission, conduct, and disbarment, of attorneys, representatives, and other persons authorized to practice before the Board or the Service.

(e) *Oral argument.* Oral argument shall be heard by the Board upon request, in any case over which the Board acquires jurisdiction by appeal or certification as provided in this part. If an appeal has been taken, request for oral argument if desired shall be included in the Notice of Appeal. The Board shall have authority to fix any date or change any date upon which oral argument is to be heard. The Service may be represented in argument before the Board by any officer designated by the Commissioner. The Board shall convene for the purpose of hearing oral argument at its offices in Washington, D. C., at 2:00 p. m. or such other time as it may designate on every day except Saturdays, Sundays, and legal holidays.

(f) *Service of Board decisions.* The decision of the Board shall be in writing and copies shall be transmitted by the Board to the Service and a copy served upon the alien or party affected as provided in §§ 292.11 and 292.12 of this chapter.

(g) *Board's decisions as precedents.* Except as they may be modified or overruled by the Board or the Attorney General, decisions of the Board shall be binding on all officers and employees of the Service in the administration of the Immigration and Nationality Act, and selected decisions designated by the Board shall serve as precedents in all proceedings involving the same issue or issues.

(h) *Referral of cases to the Attorney General.* (1) The Board shall refer to the Attorney General for review of its decision all cases which:

(i) The Attorney General directs the Board to refer to him.

(ii) The chairman or a majority of the Board believes should be referred to the Attorney General for review.

(iii) The Commissioner or an assistant commissioner requests be referred to the Attorney General for review.

(2) In any case in which the Attorney General shall review the decision of the Board, his decision shall be stated in writing and shall be transmitted to the Board for transmittal and service as provided in paragraph (f) of this section.

§ 6.2 *Reopening or reconsideration.* Reconsideration or reopening of any case in which a decision has been made by the Board, whether requested by the Commissioner, an assistant commissioner, a regional commissioner, or by the party affected by the decision, shall be only upon written motion to the Board. A motion to reopen or a motion to reconsider shall not be made by or in behalf of a person who is the subject of deportation

proceedings subsequent to his departure from the United States. Any departure of such person from the United States occurring after the making of a motion to reopen or a motion to reconsider shall constitute a withdrawal of such motion. For the purpose of this section, any final decision made by the Commissioner prior to the effective date of the Immigration and Nationality Act and of this chapter with respect to any case within the classes of cases enumerated in § 6.1 (b) (1), (2), (3), (4), and (5) shall be regarded as a decision by the Board.

§ 6.11 *Notice of appeal.* A party affected by a decision who is entitled under this chapter to appeal to the Board shall be given notice of his right to appeal. An appeal is taken by filing Notice of Appeal, Form I-290A, in triplicate, with the district director having administrative jurisdiction over the case, within the time specified in the governing sections of this chapter. The regional commissioner, district director, or the Board, in their discretion, for good cause shown, may extend the time within which to submit a brief in support of such appeal. The certification of a case as provided in this part shall not relieve the party affected from compliance with the provisions of this section in the event he is entitled, and desires, to appeal from an initial decision, nor shall it serve to extend the time specified in the applicable parts of this chapter for the taking of an appeal. Departure from the United States of a person under deportation proceedings, prior to the taking of an appeal from a decision in his case, shall constitute a waiver of his right to appeal.

§ 6.12 *Withdrawal of appeal.* In any case in which an appeal has been taken, the party taking the appeal may file a written withdrawal of such appeal with the officer with whom the notice of appeal was filed. If the record in the case has not been forwarded to the Board on appeal in accordance with § 6.13 the decision made in the case shall be final to the same extent as though no appeal had been taken. If the record has been forwarded on appeal, the withdrawal of the appeal shall be forwarded to the Board and, if no decision in the case has been made on the appeal, the record shall be returned and the initial decision shall be final to the same extent as though no appeal had been taken. If a decision on the appeal was made by the Board in the case, further action shall be taken in accordance therewith. Departure from the United States of a person who is the subject of deportation proceedings subsequent to the taking of an appeal but prior to a decision thereon shall constitute a withdrawal of the appeal and the initial decision in the case shall be final to the same extent as though no appeal had been taken.

§ 6.13 *Forwarding of record on appeal.* If an appeal is taken from a decision, as provided in this chapter, the entire record of the proceeding shall be forwarded to the Board by the district director having administrative jurisdiction over the case upon timely receipt of the brief in support of the appeal, or

upon expiration of the time allowed for the submission of the brief.

§ 6.14 *Stay of execution of decision.* The decision in any proceeding under this chapter from which an appeal to the Board may be taken shall not be executed during the time allowed for the filing of an appeal unless a waiver of the right to appeal is filed, nor shall such decision be executed while an appeal is pending or while a case is before the Board by way of certification.

§ 6.15 *Notice of certification.* Whenever in accordance with the provisions of § 6.1 (c) a case is required to be certified to the Board, the alien or other party affected shall be given notice of certification. A case shall not be certified until an initial decision has been made and no appeal has been taken. If it is known at the time of making the initial decision that the case will be certified, the notice of certification shall be included in such decision and no further notice of certification shall be required. If it is not known until after the initial decision was made that the case will be certified, the district director having administrative jurisdiction over the case shall cause a Notice of Certification (Form I-290C) to be served upon the party affected. In either case the notice shall inform the party affected that the case is required to be certified to the Board and of the right to make representation before the Board, including oral argument and submission of brief, if desired. The brief shall be submitted to such district director for transmittal to the Board within 10 days from receipt of the notice of certification, unless for good cause shown the district director or the Board extends the time within which the brief may be submitted. The party affected may waive the submission of such brief. The case shall be certified and forwarded to the Board by the district director upon receipt of the brief, or the expiration of the time within which the brief may be submitted, or upon receipt of a written waiver of the right to submit a brief.

§ 6.16 *Fees.* Except as otherwise provided in this section, a notice of appeal or a motion filed under this part by any person other than an officer of the Service shall be accompanied by a fee specified by, and remitted in accordance with, the provisions of Part 2 of this chapter. In any case in which an alien or other party affected is unable to pay the fee for an appeal or a motion, he shall file with the notice of appeal or the motion his affidavit stating the nature of the motion or appeal, the affiant's belief that he is entitled to redress, his inability to pay the required fee, and request permission to prosecute the appeal or motion without prepayment of such fee. If such an affidavit is filed with the officer of the Service from whose decision the appeal is taken or with respect to whose decision the motion is addressed, he shall, if he believes that the appeal or motion is not taken or made in good faith, certify in writing his reasons for such belief for consideration by the Board. The Board may, in its discretion, authorize the prosecution

of any appeal or motion without prepayment of fee.

§ 2.21 *Motion to reopen or motion to reconsider*—(a) *Form*. Motions to reopen and motions to reconsider shall be submitted in triplicate. A request for oral argument if desired shall be incorporated in the motion. The Board in its discretion may grant or deny oral argument. Motions to reopen shall state the new facts to be proved at the reopened hearing and shall be supported by affidavits or other evidentiary material. Motions to reconsider shall state the reasons for reconsideration and shall be supported by such precedent decisions as are pertinent. In any case in which a deportation order is in effect, there shall be included in the motion to reopen or reconsider that order a statement by or on behalf of the moving party declaring whether or not the subject of the deportation order is also the subject of any pending criminal proceeding under section 242 (e) of the Immigration and Nationality Act and, if so, the current status of that proceeding. If the motion to reopen or reconsider is for the purpose of seeking discretionary relief, there shall be included in the motion a statement by or on behalf of the moving party declaring whether or not the alien for whose relief the motion is filed is subject to any pending criminal prosecution and, if so, the nature and current status of that prosecution. The filing of a motion to reopen or a motion to reconsider shall not serve to stay the execution of any decision made in the case. Execution of such decision shall proceed unless a stay of execution is specifically granted by the Board or the district director having administrative jurisdiction over the case.

(b) *Distribution of motion papers when alien is moving party*. In any case in which a motion to reopen or a motion to reconsider is made by the alien or other party affected, the three copies of the motion papers shall be submitted to the district director having administrative jurisdiction over the place where the proceedings were conducted, who shall retain one copy, forward one copy to the officer of the Service who made the initial decision in the case, and submit the third copy with the case to the Board.

(c) *Distribution of motion papers when the Commissioner, an assistant commissioner, or a regional commissioner is the moving party*. Whenever a motion to reopen or a motion to reconsider is made by the Commissioner, an assistant commissioner, or a regional commissioner, he shall cause one copy of the motion to be served upon the alien or party affected, as provided in §§ 292.11 and 292.12 of this chapter, and shall cause the record in the case and one copy of the motion to be filed directly with the Board, together with proof of service upon the alien or other party affected. Such alien or party shall have a period of ten days from the date of service upon him of the motion within which to submit a brief in opposition to the motion. Two copies of such brief shall be filed directly with the Board and one copy directly with the Commissioner. The submission of such brief may be

waived. The Board, in its discretion, for good cause shown may extend the time within which such brief may be submitted.

(d) *Ruling on motion*. Rulings upon motions to reopen or motions to reconsider shall be by written order. If the order directs a reopening, the record shall be returned to the district director having administrative jurisdiction over the place where the reopened proceedings are to be conducted. If the motion to reconsider is granted, the decision upon such reconsideration shall affirm, modify, or reverse the original decision made in the case.

In any other case, he may enter such decision as he deems appropriate, and further action shall be taken in accordance with such decision.

RULES AND REGULATIONS

vided in this chapter, that such appeal must be taken within ten days from the receipt of notification of decision. The forms I-290B shall be enclosed with the written notice to the alien. The party taking the appeal may file with the Notice of Appeal a brief in support of his appeal. The party affected may waive the submission of such brief. The district director or the regional commissioner, in his discretion, for good cause shown, may extend the time within which the brief may be submitted. One copy of the Notice of Appeal shall be retained in the office where the proceedings are pending and two copies shall be placed in the file relating to the case. The certification of a case as provided in this part shall not relieve the party affected from compliance with the provisions of this section in the event such party is entitled, and desires, to appeal from an initial decision, nor shall it serve to extend the time specified in the applicable parts of this chapter for the taking of an appeal.

§ 7.12 Withdrawal of appeal. In any case in which an appeal has been taken, the party taking the appeal may file a written withdrawal of such appeal with the officer with whom the Notice of Appeal was filed. If the record in the case has not been forwarded to the regional commissioner on appeal in accordance with § 7.13, the decision made in the case shall be final to the same extent as though no appeal had been taken. If the record in the case has been forwarded on appeal, the withdrawal of the appeal shall be forwarded to the regional commissioner and if no decision in the case has been made on the appeal, the record shall be returned to the office in which the proceedings are pending and the decision in the case shall be final to the same extent as though no appeal had been taken. If a decision on the appeal was made in the case, further action shall be taken in accordance therewith.

§ 7.13 Forwarding of record on appeal. If an appeal is taken from a decision, either written or oral, as provided in this chapter, the entire record of the proceedings shall be forwarded by the district director having administrative jurisdiction over the case to the regional commissioner:

(d) Upon receipt of a written waiver of the right to submit a brief.

§ 7.14 Stay of execution of decision. The decision of any proceeding under this chapter from which an appeal to the regional commissioner may be taken shall not be executed during the time allowed for the filing of an appeal unless a waiver of the right to appeal is filed, nor shall such decision be executed while an appeal is pending or while a case is before the regional commissioner by way of certification.

§ 7.15 Notice of certification. When the regional commissioner in accordance with the provisions of § 7.1 (b) directs that a case (other than one falling within the classes enumerated in § 6.1 (b) of this chapter) be certified to him for review, the alien or other party affected shall be given notice of such certification. Except as otherwise provided in this chapter, a case shall not be certified until an initial decision has been made and no appeal has been taken. If it is known at the time of making the initial decision that the case will be certified, the notice of certification shall be included in such decision and no further notice of certification shall be required. If it is not known until after the initial decision was made that the case will be certified, the district director having administrative jurisdiction over the case shall cause a notice of certification (Form I-290C) to be served upon the party affected. In either case the notice shall inform the party affected that the case is required to be certified to the regional commissioner and of the right to submit a brief, if desired, for consideration by the regional commissioner. The brief shall be submitted to such district director for transmittal to the regional commissioner within ten days from receipt of the notice of certification, unless, for good cause shown, the district director or the regional commissioner extends the time within which the brief may be submitted. The party affected may waive the submission of such brief. The record of the case shall be certified and forwarded to the regional commissioner by the district director upon receipt of the brief, or the expiration of the time within which the brief may be submitted, or upon receipt of a written waiver of the right to submit a brief.

§ 7.16 Fees. Except as otherwise provided in this section, a notice of appeal filed under this part shall be accompanied by a fee of \$10 as prescribed by, and remitted in accordance with, the provisions of Part 2 of this chapter. In any case in which an alien or other party affected is unable to pay the fee for an appeal, he shall file with the notice of appeal his affidavit stating the nature of the appeal, the affiant's belief that he is entitled to redress, his inability to pay the required fee, and requesting permission to prosecute the appeal without prepayment of such fee. If such an affidavit is filed, the officer of the Service from whose decision the appeal is taken shall, if he believes that the appeal is not taken in good faith, certify in writing his reasons for such belief for consideration by the regional commissioner. The regional commissioner may, in his discretion, authorize the prosecution of any such appeal without prepayment of fee.

PART 8—REOPENING AND RECONSIDERATION

Sec.

8.1 Reopening and reconsideration.

8.2 Reopening of suspension cases pending in Congress.

8.11 Motion to reopen or reconsider.

AUTHORITY: §§ 8.1 to 8.11 Issued under sec. 103, 66 Stat. 173; 8 U. S. C. 1103.

§ 8.1 Reopening and reconsideration. Except as provided in § 6.2 of this chapter, a hearing or examination in any proceeding provided for in this chapter may be reopened or the decision made therein reconsidered for proper cause at the instance of, or upon motion made by the party affected and granted by the regional commissioner, if the decision in the case was made by him, or if the case is before him for review; or the district director, if the decision in the case was made by such officer, unless the record in the case previously was forwarded to the Board or to the regional commissioner; or the special inquiry officer, if he has ordered suspension of deportation and the regional commissioner has approved the granting of suspension but final action in the case has not been taken by Congress; or the special inquiry officer, in any other case in which the decision was made by him, unless the record in the case previously was forwarded to the Board or to the regional commissioner. A motion to reopen or a motion to reconsider shall not be made by or in behalf of a person who is the subject of deportation proceedings subsequent to his departure from the United States. Any departure of such person from the United States occurring after the making by him of a motion to reopen or a motion to reconsider shall constitute a withdrawal of such motion.

§ 8.2 Reopening of suspension cases pending in Congress. Any deportation proceeding in which a special inquiry officer has ordered suspension of deportation, the regional commissioner (or the Assistant Commissioner, Inspections and Examinations Division, prior to January 3, 1955) has approved the granting of suspension, and final action in the case has not been taken by Congress, may be reopened by the special inquiry officer for proper cause upon motion made by the district director having administrative jurisdiction over the place where the proceeding was conducted. A motion to reopen which is granted by the special inquiry officer in a suspension case pending before Congress shall be conditioned upon withdrawal of the case from the list of suspension cases referred to Congress.

§ 8.11 Motion to reopen or reconsider—(a) Filing. When the alien is the moving party, a motion to reopen or to reconsider shall be filed in duplicate with the district director of the place where the proceeding was conducted for transmittal to the officer having jurisdiction to act on the motion, as provided in § 8.1. In any case in which an examining officer has appeared before a special inquiry officer, the district director shall immediately forward a copy of the alien's motion to such examining officer. When an officer of the Service is the moving party, a copy of the motion shall be served on the alien or other party in interest, as provided in §§ 292.11 and 292.12 of this chapter, and the motion, together with proof of service, shall be filed directly with the officer having jurisdiction to act on the motion. The party opposing the motion shall have ten days from the date of service thereof within which he may submit a brief. In his discretion, for good cause

Friday, December 6, 1957

FEDERAL REGISTER

9775

shown, the officer having jurisdiction to act on the motion may extend the time within which such brief may be submitted. If the officer who originally decided the case is unavailable, the motion may be referred to another officer in the district or region having jurisdiction over the subject matter and authorized to act in such cases. Motions to reopen shall state the new facts to be proved at the reopened hearing and shall be supported by affidavits or other evidentiary material. Motions to reconsider shall state the reasons for reconsideration and shall be supported by such precedent decisions as are pertinent. A motion not complying fully with this section shall not be accepted and shall be returned to the moving party with a brief statement of the reason for its return. The filing of a motion to reopen or a motion to reconsider under this part shall not serve to stay the execution of any decision made in the case. Execution of such decision shall proceed unless a stay is specifically granted by the district director of the place where the proceeding was conducted.

(b) *Ruling on motion.* Rulings upon motions to reopen or motions to reconsider shall be by written decision. If the decision directs a reopening, the record shall be returned to the district director having administrative jurisdiction over the place where the reopened proceedings are to be conducted. If the motion to reconsider is granted, the original decision shall be reconsidered at the time of, and by the officer, granting such motion. The decision upon such reconsideration shall affirm, modify, or reverse the original decision made in the case.

(c) *Notice of reopened hearing or examination.* In any case in which a hearing or examination is reopened as provided in Part 6 of this chapter or this part, a notice of hearing or examination shall be served on the party affected in the same manner and form as the notice required for the original hearing or examination.

(d) *Reopened hearing or examination.* The reopened hearing or examination shall be conducted and further action taken in the proceedings as provided in this chapter for the conduct of the original hearing or examination.

(e) *Appeal.* The decision upon a motion to reopen or a motion to reconsider shall be final, subject to the limitations imposed by § 6.1 (b) (2) of this chapter.

(f) *Fees.* Except as otherwise provided in this paragraph, a motion filed under this part by any person other than an officer of the Service shall be accompanied by a fee specified by, and remitted in accordance with, the provisions of Part 2 of this chapter. In any case in which an alien or other party affected is unable to pay the fee for a motion, he shall file with the motion his affidavit stating the nature of the motion, the affiant's belief that he is entitled to redress, his inability to pay the required fee, and request permission to prosecute the motion without prepayment of such fee. If such an affidavit is filed, the district director having administrative jurisdiction over the place where the

proceedings were conducted shall, if he believes that the motion is not made in good faith, certify in writing his reasons for such belief for consideration by the officer having jurisdiction to act on the motion as provided in § 8.1. The officer having jurisdiction to act on the motion may, in his discretion, authorize the prosecution of any such motion without prepayment of fee.

(c) The applicant shall be notified of the decision and, if the application is denied, of the reasons therefor and of his right to appeal within 10 days from the receipt of such notification in accordance with Part 7 of this chapter.

§ 212.7 *Request by certain resident aliens for permission to reenter the United States.* An alien who has been lawfully admitted for permanent residence and who is or believes himself to be inadmissible to the United States under any paragraph of section 212 (a) of the Immigration and Nationality Act other than paragraph (27), (28) or (29), may, prior to or after his temporary departure from the United States, apply for permission to reenter the United States under the authority contained in section 212 (c) of the Immigration and Nationality Act notwithstanding any such ground of inadmissibility.

§ 212.8 *Request by certain nonimmigrant aliens for permission to enter the United States temporarily.* (a) An alien who desires to enter the United States temporarily as a nonimmigrant and who is or believes himself to be inadmissible under any paragraph of section 212 (a) of the Immigration and Nationality Act other than paragraph (27) or (29), may apply for permission to enter the United States temporarily under the authority contained in section 212 (d) (3) of the Immigration and Nationality Act notwithstanding any such ground of inadmissibility.

(b) Pursuant to the authority contained in section 212 (d) (3) of the Immigration and Nationality Act, the ground of inadmissibility contained in section 212 (a) (24) of the act is waived in the case of an alien, otherwise admissible under the immigration laws, who is in possession of appropriate documents or has been granted a waiver thereof and is seeking admission to the United States as a nonimmigrant.

§ 212.9 *Parole of aliens into the United States.* Subject to the provisions of section 212 (d) (5) of the Immigration and Nationality Act, the district director having administrative jurisdiction over the port of entry may, in his discretion, parole into the United States temporarily any alien who applies for admission to the United States at such port, under such terms and conditions, including the exaction of a bond on Form I-324, as such officer shall deem appropriate.

§ 212.11 *Nonresident alien Mexican border crossing card—(a) Form.* Form I-186 is a nonresident alien's border crossing identification card when it is in the possession of and presented by the rightful holder thereof as provided in this part.

(b) *Use.* The rightful holder of a nonresident alien Mexican border crossing card may present such card in lieu of a nonimmigrant visa when arriving direct from Mexico and applying for admission to the United States at a port of entry situated along the border between the United States and Mexico. The presentation of such card shall not otherwise relieve the holder from establishing his admissibility to the United States under the applicable provisions of the act.

(c) *Form I-186; who may apply.* A nonresident alien Mexican border crossing card may be issued to any alien who, upon application therefor, (1) submits satisfactory evidence that he is a citizen and resident of Mexico, (2) presents a valid unexpired passport required of nonimmigrants, unless a passport is not required to be presented under the provisions of this part, (3) desires temporary admission into the continental United States for a period or periods of not more than 72 hours each, (4) is admissible to the United States as a bona fide nonimmigrant, and (5) has been fingerprinted.

(e) *Validity of Form I-186.* A nonresident alien Mexican border crossing card shall be valid until declared void. Any immigration or consular officer may, without notice, void a nonresident alien Mexican border crossing card. Such action shall be without prejudice to the alien making application to an American consul for a nonimmigrant or immigrant visa, or to the Service for admission into the United States. No appeal shall lie from the decision of an immigration or consular officer declaring void a nonresident alien Mexican border crossing card.

(f) *Surrender and replacement.* A void nonresident alien Mexican border crossing card shall be immediately surrendered to any immigration or consular officer. A nonresident alien's border crossing identification card issued prior to November 1, 1956, shall be invalid after July 1, 1957. (g) *Previous removal, deportation; permission to reapply.* An alien who establishes that he is in all respects entitled to admission as a visitor for business or pleasure or as a student when in possession of a nonresident alien Mexican border crossing card, except that he has been previously removed at Government expense pursuant to section 242 (b) of the act, or excluded or deported solely because of entry without inspection or absence of required documents, is hereby granted permission to reapply for admission to the United States.

If the case has been referred to a special inquiry officer, the application shall be made during the proceedings before the special inquiry officer in accordance with the provisions of section 235 (b) of the act. If the application is denied by the district director, he shall return the case to the examining immigration officer for further proceedings in accordance with sections 235 and 236 of the act. The special inquiry officer, in his discretion, may, in his decision provided for in Part 236 of this chapter, grant or deny any such application which is submitted to him. In any case in which an appeal may not be taken from a decision of a special inquiry officer excluding an alien but in which the alien has applied for the exercise of discretion under the provisions of section 212 (c) of the act, the alien may appeal to the Board from a denial of such application in accordance with the provisions of § 236.15 of this chapter.

§ 212.81 *Application for permission to enter the United States temporarily; prior to application for admission at a port of entry.* When a visa is not required, an application for the exercise of discretion under section 212 (d) (3) (B) of the act made prior to the alien's application for admission shall be on Form I-192 and submitted to the district director having jurisdiction over the intended port of entry. When Form I-192 is not readily available and the case is one of unforeseen emergency, a written application containing all the information required by such form may be made. The applicant shall be notified of the decision and if the application is denied, of the reasons therefor and of his right to appeal to the Board within 10 days

from the receipt of such notification in accordance with Part 6 of this chapter.

If the case has not been referred to a special inquiry officer for further inquiry, the application shall be made to the immigration officer conducting the examination of the alien who shall refer it for decision to the district director having administrative jurisdiction over the place where the examination is being conducted. If the case has been referred to a special inquiry officer, the application shall be made during the proceedings before the special inquiry officer in accordance with the provisions of section 235 (b) of the act. If the application is denied by the district director, he shall return the case to the examining immigration officer for further proceedings in accordance with sections 235 and 236 of the act. The special inquiry officer, in his discretion, may, in his decision provided for in part 236 of this chapter, grant or deny any such application which is submitted to him. In any case in which an appeal may not be taken from a decision of a special inquiry officer excluding an alien but in which the alien has applied for the exercise of discretion under the provisions of section 212 (d) (3) of the act, the alien may appeal to the Board from a denial of such application in accordance with the provisions of § 236.15 of this chapter.

(a) In the case of a trader:

(1) The termination of the treaty on which the status of trader has been based; or

(2) A change by a trader from the activities specified in clause (i) of section 101 (a) (15) (E) of the Immigration and Nationality Act to the activities specified in clause (ii) of said section or vice versa unless, prior to making such change, he obtains consent to do so from the district director having administrative jurisdiction over the district in which the trader resides.

(3) A processor, shipper or marketer of agricultural products when the Mexican workers whom he obtains are employed by him in agriculture or crops purchased by him.

§ 214k.2 *Period for which admitted.* An agricultural worker may be admitted to the United States temporarily as a nonimmigrant pursuant to the provisions of Title V of the Agricultural Act of 1949, as amended, *Provided:*

(3) Determination and notification by the Secretary of Labor that sufficient domestic workers who are able, willing, and qualified are available at the time and place needed to perform the work for which such workers are employed, or that the employment of such workers is adversely affecting the wages and working conditions of domestic agricultural workers similarly employed, or that reasonable efforts have not been made to attract domestic workers for such employment at wages and standard hours of work comparable to those offered to foreign workers; or

(4) Termination of the Migrant Labor Agreement of 1951, as amended.

§ 214k.3 *Conditions of admission.* Any alien who applies for admission into the United States under the provisions of Title V of the Agricultural Act of 1949, as amended, and the provisions of this part, must:

§ 214k.4 *Compliance by employer.* (a) No agricultural workers shall be made available to, nor shall any such workers made available be permitted to remain in the employ of, any employer who has in his employ any Mexican alien when such employer knows or has reasonable grounds to believe or suspect or by reasonable inquiry could have ascertained that such Mexican alien is not lawfully within the United States. Whenever it shall appear that a Mexican alien not lawfully in the United States is so employed, an investigation shall be made and a report submitted to the district director having jurisdiction over the place of the alien's employment. If the district director determines that the employer has employed such Mexican aliens in violation of this section, he may require that other agricultural workers be removed from said place of employment, either by transfer to an eligible employer or by return to Mexico.

(b) Upon notification from the Secretary of Labor that an employer fails or refuses to comply with the provision of Title V of the Agricultural Act of 1949, as amended, or the Migrant Labor Agreement of 1951, as amended, or individual work contract made thereunder, the temporary admission of all agricultural workers employed by such employer may be revoked in the same manner as provided in § 214k.2 (c).

(c) If a Mexican agricultural worker leaves his employment without proper authorization, the employer shall report such departure immediately or within five days thereof to the immigration officer in charge of the reception center where the worker was admitted. Such notification shall contain the individual worker's name, as shown in the employer's copy of the contract; the worker's Form I-100C number; the date the worker left the employer; and the present whereabouts of the worker, if known.

§ 214k.5 *Extension of stay; conditions.* After an alien has been admitted to the United States as an agricultural worker under the provisions of this part or of prior regulations pertaining to

§ 214k.6 *Readmission after temporary visits to Mexico.* (a) An agricultural worker who has been admitted to the United States under the provisions of this part or of prior regulations pertaining to Title V of the Agricultural Act of 1949, as amended, may be readmitted after temporary visits to Mexico on presentation of Form I-100C, Alien Laborer's Permit, if he is still maintaining the status of an agricultural worker in the United States.

The letter shall be appropriately endorsed to show approval of the furlough by a representative of the United States Employment Service and the appropriate Mexican Consul.

§ 214k.7 *Previous removal, deportation; permission to reapply.* An alien who establishes that he is in all respects entitled to admission as an agricultural worker under the provisions of this part, except that he has been previously removed at Government expense pursuant to section 242 (b) of the act or excluded or arrested and deported solely because of illegal entry or absence of required documents, is hereby granted permission to reapply for admission to the United States as an agricultural worker.

§ 214k.8 *Arrest and deportation of agricultural workers.* (a) An alien admitted to the United States as an agricultural worker shall be deemed to have failed to maintain his nonimmigrant status within the meaning of section 241 (a) (9) of the Immigration and Nationality Act if:

(2) He violates or fails to fulfill any of the other conditions of his admission to or extended stay in the United States; or

(3) He evidences orally or in writing or by conduct an intention to violate or to fail to fulfill any of the conditions of his temporary admission to or extended stay in the United States; or

(4) He remains in the United States after the period of his temporary admission or extended stay is revoked pursuant to § 214k.2 (c).

made the subject of further proceedings under the applicable provisions of the Immigration and Nationality Act and the regulations in this chapter.

§ 214k.21 Recruitment centers; preliminary inspection. To the extent possible under the circumstances, all immigration inspections and medical examinations of the agricultural workers at recruitment centers in Mexico shall be similar to those regularly conducted at ports of entry on the border. If the immigration officer at the recruitment center in Mexico determines that the alien is admissible as an agricultural worker he shall so note and initial the conditional permit which is issued to the alien by the Secretary of Labor when the alien is recruited. Such endorsement shall not be construed as a guarantee that the alien will be admitted to the United States nor shall the alien be entitled to accept employment in the United States unless and until he has been issued Form I-100C as prescribed in § 214k.22. Aliens whose conditional permits have been noted by immigration officers shall be conveyed directly from the recruitment center to a reception center at or near a port of entry under the supervision of representatives of the Secretary of Labor for completion of immigration inspection. The conveyance of an agricultural worker to a reception center shall not constitute an admission to the United States. Such alien shall be considered to have been admitted to the United States only after he has been inspected and issued Form I-100C as prescribed in § 214k.22. If the immigration officer at the recruitment center in Mexico determines that the alien is inadmissible as an agricultural worker, he shall refuse to note the alien's conditional permit and such decision by the immigration officer shall not be subject to appeal to a special inquiry officer.

§ 214k.22 Immigration inspection at reception centers—(a) Authority to admit. An alien who presents a conditional permit, as described in § 214k.21, duly noted by an immigration officer at a recruitment center, may be admitted at the reception center if he is found admissible by the examining immigration officer. The examining officer shall fingerprint each alien admitted. The alien shall be given the Form I-100C bearing his photograph and stating his name and place of birth. Such form shall be duly noted by an immigration officer to show the date, place, and period of the alien's admission to the United States and shall be signed by such officer across the photograph. Such noted card shall be the sole document required for admission to the United States as an agricultural worker under this part.

(b) Hearing before special inquiry officer. If the examining immigration officer is not satisfied that an alien seeking admission under this part is admissible, the alien shall be held for hearing before a special inquiry officer, and the hearing procedure applicable generally to aliens seeking admission to the United States under the immigration laws shall be followed: *Provided, however,* That the case of an alien believed to be inadmissible to the United States un-

der the provisions of paragraph (27), (28), or (29) of section 212 (a) of the Immigration and Nationality Act shall be handled in accordance with the provisions of section 235 (c) of that act and § 235.8 of this chapter.

§ 214k.23 Recontracting in the United States. During the period for which he is admitted, or any authorized extension thereof, an agricultural worker may be recontracted by another employer. When an agricultural worker is recontracted, his Form I-100C shall be appropriately noted and the admitting reception center notified.

§ 214k.24 Duplicate identification cards. A duplicate Form I-100C may be issued by the admitting reception center when the original has been lost, mutilated, or destroyed. An application for such a card shall be made on Form I-102.

§ 214k.51 Extension of period of admission. Extension of the temporary admission of an alien admitted to the United States as an agricultural worker under Title V of the Agricultural Act of 1949, as amended, and regulations pursuant thereto or under this part may be granted by the district director or the officer in charge of the suboffice having jurisdiction over the place of the alien's employment only upon determination and certification by the Secretary of Labor that:

(a) Sufficient domestic workers who are able, willing, and qualified are not available at the time and place needed to perform the work for which such workers are to be employed;

(b) The employment of such workers will not adversely affect the wages and working conditions of domestic agricultural workers similarly employed; and

(c) Reasonable efforts have been made to attract domestic workers for such employment at wages and standard hours of work comparable to those offered to foreign workers.

§ 223.1 Application. An application for a reentry permit under the provisions of section 223 of the act shall be submitted on Form I-131. The applicant shall be notified of the decision and, if the application is denied, of the reasons therefor and of his right to appeal within 10 days from the receipt of such notification in accordance with Part 7 of this chapter.

§ 223.2 Reentry permit—(a) Form. Reentry permits shall be issued on Form I-132 and shall indicate whether they are issued under paragraph (a) (1) or (a) (2) of section 223 of the act and the period of their validity.

citizens of the Philippine Islands specified in § 4.2 (g) of this chapter, if otherwise eligible.

§ 223.3 Extensions. An application for extension of a reentry permit shall be submitted to the office having jurisdiction over the applicant's place of residence in the United States prior to the expiration of the period of validity of the reentry permit. The application shall be in writing and shall state the applicant's name and address in the United States; when, where, and the manner in which he departed from the United States; the port of landing and the date of his arrival abroad; the countries visited by him in the order visited; his reasons for requesting an extension and the period for which the extension is desired, and the address to which the permit is to be returned. If the extension application is granted, the permit will be noted to show the extension and returned to the applicant; if denied, the applicant shall be notified of the decision, and the permit returned to him if the remaining period of its validity permits its use for return to the United States. No appeal shall lie from a decision denying an application for extension of a reentry permit.

§ 223.5 Expired permits. Upon the expiration of the period of validity of a reentry permit, the permit shall be surrendered by the holder to the issuing office. If any such expired permit has not been surrendered to the Service, no subsequent reentry permit shall be issued to the same alien unless he shall first surrender the expired permit, or satisfactorily account for his failure so to do.

directly from Canada on a voyage or flight originating in that country. In lieu of Form I-418 or Form I-94, the master or agent of a vessel or aircraft arriving in the United States without touching at a foreign port on a voyage or flight originating in Hawaii, Alaska, Guam, Puerto Rico, or the Virgin Islands of the United States, shall submit a list containing the surname, given name, and middle initial of each passenger on board. To facilitate inspection, an advance list of the names of all passengers on board may be delivered to the immigration officer at the first port of arrival prior to the vessel's or aircraft's arrival. When such advance list has been submitted, there shall be delivered to the immigration officer at the time of arrival at the first port a list containing any changes or corrections which differ from the advance list. If the inspection of all passengers at the first port of arrival is impracticable, the inspection of passengers destined to subsequent ports of arrival may be deferred in the discretion of the examining immigration officer. The manifests or lists of those passengers not inspected shall be returned to the master for presentation at subsequent ports of arrival. The procedure followed at the first port of arrival shall be followed at any subsequent port of arrival.

(b) *Additional documents.* When a manifest on Form I-418 is required to be presented, the master or agent of the vessel shall prepare as a part thereof a completely executed set of Forms I-94 for each alien passenger, except (1) an immigrant or (2) a Canadian citizen or a British subject who has his residence in Canada or Bermuda. The set of Forms I-94 shall be delivered to each alien for presentation to the examining immigration officer at the port of entry. § 231.2 *Departure lists and arrival-departure cards.*—(a) *Presentation.* The master or agent of every vessel departing from the United States shall present to the immigration officer at the port from which the vessel will proceed directly to a foreign port or place a list of all passengers on board on Form I-418 in accordance with instructions contained thereon. The master or agent of every aircraft departing from the United States shall present to the immigration officer at the port from which the aircraft will proceed directly to a foreign port or place a fully executed Form I-94 (including departure information on the reverse) for each passenger departing. When available the Form I-94 given an alien at the time of his last arrival in the United States shall be utilized. Such departure lists and cards shall be presented prior to the departure of the vessel or aircraft except that vessels or aircraft making regular trips to and from the United States in accordance with a published schedule may defer the presentation of such forms and attachments for a period

not in excess of 30 days. Forms I-418 or arrival-departure cards shall not be required for vessels or aircraft departing the continental United States or Alaska directly to Canada on a voyage or flight terminating in that country.

(b) *Additional documents.* When a manifest on Form I-418 is presented, the master or agent shall attach to such manifest a fully executed Form I-94 (including departure information on the reverse) for each manifested alien passenger aboard except (1) an alien permanent resident of the United States or (2) a Canadian citizen or a British subject who has his residence in Canada or Bermuda. Any alien registration receipt card on Form I-151 surrendered pursuant to § 264.1 (d) of this chapter by an alien lawfully admitted for permanent residence who is permanently departing shall also be attached to Form I-418 or the relating arrival-departure card (Form I-94). The alien shall surrender his Form I-94 to a Canadian immigration officer or United States immigration officer when it is not required to be presented by the master or agent of the vessel or aircraft.

PART 232—DETENTION OF ALIENS FOR OBSERVATION AND EXAMINATION

Sec.	
232.1	Definitions.
232.2	Authority to detain and designate place of detention of aliens for observation and examination.
232.3	Responsibility for safekeeping of aliens ordered removed from vessel or airport of arrival for observation and examination.

232.5	Liability for detention expenses.
232.11	Removal and detention of aliens.
232.51	Collection of detention expenses.
232.52	Reimbursement of transportation line for detention expenses in certain cases.

AUTHORITY: §§ 232.1 to 232.52 Issued under sec. 103, 66 Stat. 173; 8 U. S. C. 1103. Interpret or apply sec. 3, 63 Stat. 166, as amended, sec. 232, 66 Stat. 196; 5 U. S. C. 836, 8 U. S. C. 1222.

§ 232.1 *Definitions.* For the purposes of this part the term "transportation line" means a vessel, aircraft, transportation line, transportation company, steamship company, or the master, commanding officer, authorized agent, owner, charterer, or consignee of a vessel or aircraft, and the term "alien" means any alien as defined by the Immigration and Nationality Act and any person applying for admission to the United States as a citizen or national of the United States.

§ 232.2 *Authority to detain and designate place of detention of aliens for observation and examination.* The authority to detain aliens and to designate the place of detention, if detention is required other than on board a vessel or at the airport of arrival, under the provisions of section 232 of the Immigration and Nationality Act may be exercised by the examining immigration officer, or by the district director or officer in charge having administrative

jurisdiction over the port at which such aliens arrived.

§ 232.3 *Responsibility for safekeeping of aliens ordered removed from vessel or airport of arrival for observation and examination.* The responsibility for the safekeeping during the removal and subsequent detention of an alien (including an alien crewman), who has been ordered removed from a vessel or airport of arrival and detained pursuant to section 232 of the Immigration and Nationality Act and this part shall be upon the transportation line bringing the alien to the United States, except that such transportation line shall be relieved of that responsibility during such time as the alien is detained on premises owned or controlled by the United States.

§ 232.4 *Place of detention.* Any alien who is ordered removed or detained pursuant to section 232 of the Immigration and Nationality Act and this part shall, unless treatment in a hospital is necessary, be kept in custody in a facility operated by the Service if such a facility exists at the port of arrival or if at a nearby port there is such a facility which can be utilized. If no such facility is available such alien may, with the approval of the district director or officer in charge having administrative jurisdiction over the port of arrival, be detained at a place to be arranged for by the transportation line bringing him to the United States.

§ 232.5 *Liability for detention expenses.* In any case in which an alien (including alien crewman) is removed from a vessel or airport of arrival and detained for observation and examination under section 232 of the Immigration and Nationality Act and this part, the transportation line bringing such alien to the United States shall be responsible initially for the payment of detention expenses if the district director having administrative jurisdiction over the port of arrival has reason to believe from the facts presented that such detention expenses may properly be assessed against the transportation line. In any such case the transportation line, at the option of the district director shall be required to obligate itself in a manner satisfactory to such officer for the payment of the expenses referred to in this section, and may be required to make payment in advance, or deposit security with respect to each alien so detained.

§ 232.11 *Removal and detention of aliens.* Whenever the district director, officer in charge or examining immigration officer, in his discretion, determines that an alien should be removed from a vessel or airport of arrival for detention elsewhere for the purpose of observation and examination, such officer shall serve or cause to be served on the transportation line bringing such alien to the United States a notice, on Form I-259, directing such removal. The notice shall specify the date and time the alien is to be removed, the place at which he is to be detained, and the reasons for the removal.

§ 232.51 *Collection of detention expenses.* In all cases in which the Government has initially paid the detention expenses and expenses incident thereto of an alien detained pursuant to section 232 of the Immigration and Nationality Act, bills pertaining to the detention expenses shall be presented monthly or oftener, at the option of the district director, to the responsible transportation line as soon as liability therefor is established to the satisfaction of the district director. Such expenses shall include, but shall not be limited to, expenses of maintenance, medical treatment in hospital or elsewhere, and burial in the event of death. At ports where the Service maintains hospitals, the hospital expenses shall be such as are fixed by the Service and at other hospitals they shall be such as are fixed by the authorities thereof.

§ 232.52 *Reimbursement of transportation line for detention expenses in certain cases.* A transportation line which has paid the detention expenses referred to in § 232.51 shall, upon presentation of itemized receipts, be reimbursed from the applicable appropriation of the Service if it is finally determined that the transportation line should not be assessed for the payment of such expenses. The reimbursement shall cover only reasonable amounts actually expended for such expenses, but the reimbursement for the cost of maintenance shall not, except in unusual circumstances and unless the expense was incurred with the prior approval of the district director having administrative jurisdiction over the port, exceed the maximum per diem allowance prescribed in section 836 of Title 5 of the United States Code in lieu of subsistence. No reimbursement shall be made for detention expenses incurred after the alien has been offered for deportation to the transportation line which brought him to the United States.

PART 233—TEMPORARY REMOVAL FOR EXAMINATION UPON ARRIVAL

- Sec.
- 233.1 Definitions.
- 233.2 Assumption of responsibility.
- 233.3 Expenses of removal; payment.
- 233.4 Burial expenses.
- 233.5 Liability for detention expenses.
- 233.6 Termination of Government liability for detention expenses.
- 233.7 Place of detention.
- 233.31 Collection of removal expenses.
- 233.51 Collection of detention expenses.
- 233.52 Reimbursement of transportation line for detention expenses in certain cases.

AUTHORITY: §§ 233.1 to 233.52 issued under sec. 103, 66 Stat. 173; 8 U. S. C. 1103. Interpret or apply secs. 1, 2, 46 Stat. 1467, as amended, 54 Stat. 858, as amended, sec. 3, 63 Stat. 166, as amended, secs. 233, 237, 66 Stat. 197, 201; 5 U. S. C. 342c, 342d, 342e, 836, 8 U. S. C. 1223, 1227.

§ 233.1 *Definitions.* For the purposes of this part the term "transportation line" means a vessel, aircraft, transportation line, transportation company, steamship company, or the master, commanding officer, authorized agent, owner, charterer, or consignee of a vessel or aircraft, and the term "alien" means any alien as defined by the Immigration and

Nationality Act and any person applying for admission to the United States as a citizen or national of the United States.

§ 233.2 *Assumption of responsibility.* (a) Whenever a transportation line, in accordance with the provisions of section 233 (a) of the Immigration and Nationality Act and this part, desires to assume responsibility for the safekeeping of an alien during his removal to a designated place for examination and inspection, it shall submit a request therefor to the district director having administrative jurisdiction over the port of arrival. If the request is approved by the district director the transportation line shall execute an agreement on Form I-259A, and the district director shall cause a notice to detain and remove, on Form I-259, to be served upon the transportation line. Such notice shall specify the date and time the alien is to be removed, the place to which such removal shall be made, and the reason therefor. If such agreement is executed, the removal of the alien shall not be made by an immigration officer.

(b) A transportation line may enter into a blanket agreement assuming the responsibility for the safekeeping of all aliens brought to a port of the United States by such line who are required to be removed for examination and inspection. In the absence of a written notice to the contrary, the acceptance of service of Form I-259 naming the specific alien or aliens to be removed and the reasons therefor shall be good and sufficient evidence of the assumption by the said transportation line of its responsibility in accordance with the provisions of section 233 (a) of the Immigration and Nationality Act and this part.

§ 233.3 *Expenses of removal; payment.* Whenever an alien (including an alien crewman) is removed for examination and inspection by an immigration officer under section 233 (a) of the Immigration and Nationality Act and this part, the expenses of removal to be borne by the transportation line shall include payment for the salary of such officer for the time consumed in the removal, including travel time of the officer from and to the office at which he is stationed. The hourly rate of pay for such officer shall be based upon his gross annual salary. For the purposes of this section any fraction of an hour consumed in the removal of the alien shall be considered as a full hour. Any portion of such services which is performed after 5 p. m. or before 8 a. m., or on Sundays or holidays, shall be compensated for at the rate specified in the act of March 2, 1931, as amended by the act of August 22, 1940 (8 U. S. C. 109a-109c). The expenses to be borne by the transportation line shall also include, but shall not be limited to the costs of transportation of the officer and alien, meals, cost of matrons, nurses, attendants, guards, ambulances, and similar costs for any accompanying alien whose protection or guardianship is required if the alien being removed for inspection and examination is helpless by reason of sickness or mental or physical disability or infancy.

§ 233.4 *Burial expenses.* For the purposes of section 233 of the Immigra-

tion and Nationality Act the burial expenses referred to therein shall include the payment of an amount not exceeding \$10.00 in any case for the services of a minister of any religious denomination.

§ 233.5 *Liability for detention expenses.* In any case in which an alien (including alien crewmen) is removed from a vessel or aircraft and detained for examination and inspection under section 233 or 237 of the Immigration and Nationality Act and this part, the transportation line bringing such alien to the United States shall be responsible initially for the payment of detention expenses if the district director having administrative jurisdiction over the port of arrival has reason to believe from the facts presented that such detention expenses may properly be assessed against the transportation line. In any such case the transportation line, at the option of the district director, shall be required to obligate itself in a manner satisfactory to such officer for the payment of the expenses referred to in this section, and may be required to make payment in advance or deposit security, with respect to each alien so detained.

§ 233.6 *Termination of Government liability for detention expenses.* Any detention expenses and expenses incident thereto which are required to be borne by the Government under section 233 or 237 of the Immigration and Nationality Act shall continue to be borne by the Government until the alien is offered for deportation to the transportation line which brought him to the United States. Thereafter all detention expenses and expenses incident thereto shall be borne by such transportation line.

§ 233.7 *Place of detention.* Any alien who arrives in the United States by vessel or aircraft and who is ordered removed temporarily therefrom pending final decision as to his admissibility shall be detained at such appropriate place as shall be designated for that purpose by the district director or officer in charge having administrative jurisdiction over the port of arrival.

§ 233.31 *Collection of removal expenses.* Bills pertaining to removal expenses of an alien removed pursuant to section 233 of the Immigration and Nationality Act and this part shall be presented monthly or oftener, at the option of the district director, to the responsible transportation line.

Such expenses shall include, but shall not be limited to, expenses of maintenance, medical treatment in hospital or elsewhere, burial in the event of death and transfer to the vessel or aircraft in

§ 235.52 *Reimbursement of transportation line for detention expenses in certain cases.* A transportation line which has paid the detention expenses referred to in § 233.5 shall, upon presentation of itemized receipts be reimbursed from the applicable appropriation of the Service if it is finally determined that the transportation line should not be assessed for the payment of such expenses. The reimbursement shall cover only reasonable amounts actually expended for such expenses, but the reimbursement for the cost of maintenance shall not, except in unusual circumstances and unless the expense was incurred with the prior approval of the district director having administrative jurisdiction over the port, exceed the maximum per diem allowance prescribed in section 836 of Title 5 of the United States Code in lieu of subsistence. No reimbursement shall be made for detention expenses incurred after the alien has been offered for deportation to the transportation line which brought him to the United States.

§ 235.1 *General qualifications.* The following general qualifications and requirements shall be met by an alien seeking to enter the United States regardless of whether he seeks to enter for permanent, indefinite, or temporary stay, and regardless of the purpose for which he seeks to enter: he shall apply in person at a place designated as a port of entry for aliens at a time when the immigration office at the port is open for inspection; he shall make his application in person to an immigration officer and shall present whatever documents are required; and he shall establish to the satisfaction of the immigration officer that he is not subject to exclusion under the immigration laws, Executive orders, or Presidential proclamations and is entitled under all of the applicable provisions of the immigration laws and this chapter to enter the United States.

§ 235.2 *Examination postponed.* Whenever an alien on arrival is found or believed to be suffering from a disability

which renders it impractical to proceed with the examination under the act, the examination of such alien, members of his family concerning whose admissibility it is necessary to have such alien testify, and any accompanying aliens whose protection or guardianship will be required should such alien be found inadmissible shall be deferred for such time and under such conditions as the district director in whose district the port is located imposes.

§ 235.3 *Detention.* All persons arriving at a port in the United States by vessel or aircraft shall be detained aboard the vessel or at the airport of arrival by the master, commanding officer, purser, person in charge, agent, owner, or consignee of such vessel or aircraft until admitted or otherwise permitted to land by an officer of the Service. Notice or order to so detain shall not be required.

§ 235.4 *Notations on documents.* The admitting examining officer shall by means of a stamp record in each passport required to be presented the word "Admitted" and the date and place of admission and shall record the same information on any immigrant visa, reentry permit, or Form I-94 presented by or prepared for an arriving admitted alien. One copy of the Form I-94, so endorsed, shall be returned to the admitted alien by whom it was presented or for whom it was prepared for his retention while in the United States and for surrender at the time of his departure from the United States, except that the copy of the I-94 shall be delivered to a representative of the carrier which brought him in the case of each alien who is authorized direct transit through the United States under section 238 (d) of the act.

§ 235.5 *Pre-inspection in certain parts of the United States.* In the case of any aircraft proceeding from Hawaii, Alaska, Guam, Puerto Rico, or the Virgin Islands of the United States destined directly and without touching at a foreign port or place to any other of such places or to the continental United States, the examination required by the act of the passengers and crew may be made prior to the departure of the aircraft, and in such event, final determination of admissibility shall be made immediately prior to such departure. The examination shall be conducted in accordance with sections 234, 235, 236, and 237 of the act and this part and Parts 236 and 237 of this chapter, except that if it appears to the examining immigration officer that any person in the United States being examined under this section is prima facie deportable from the United States, further action with respect to his examination shall be deferred and further proceedings conducted as provided in section 242 of the act and Part 242 of this chapter. When the foregoing inspection procedure is applied to any aircraft, persons examined and found admissible shall be placed aboard the aircraft, or kept at the airport separate and apart from the general public until they are permitted to board the aircraft. No other person shall be permitted to depart on such aircraft until and unless he

is found to be admissible as provided in this section.

§ 235.6 *Notice of referral to special inquiry officer.* If, in accordance with the provisions of section 235 (b) of the act, the examining immigration officer detains an alien for further inquiry before a special inquiry officer, he shall immediately sign and deliver to the alien a Notice To Alien Detained For Hearing By Special Inquiry Officer (Form I-122). If the alien is unable to read or understand the notice, it shall be read and explained to him by an employee of the Service, through an interpreter, if necessary, prior to such further inquiry.

§ 235.7 *Referral of certain cases to district director.* If the examining officer has reason to believe that the cause of an alien's excludability can readily be removed by posting of a bond in accordance with the provisions of section 213 of the act; by the exercise of section 212 (d) (3) or (4) of the act; or by the exercise of section 212 (c) of the act, he may in lieu of detaining the alien for hearing in accordance with section 235 (b) and section 236 of the act refer the alien's case to the district director within whose district the port is located for consideration of such action and defer further examination pending the decision of the district director. Refusal of a district director to authorize admission under section 213 or to grant application for the benefits of section 212 (d) (3) or (4) or section 212 (c) of the act shall be without prejudice to the renewal of such application or the authorizing of such admission by the special inquiry officer without additional fee.

§ 235.8 *Temporary exclusion—(a) Report.* Any immigration officer who temporarily excludes an alien under the provisions of section 235 (c) of the act shall report such action promptly to the district director having administrative jurisdiction over the port at which such alien arrived. If the subject of the report is an alien who seeks to enter the United States other than under section 101 (a) (15) (D) of the act, the report shall be forwarded by the district director to the regional commissioner and further action shall be taken thereon as provided in paragraph (b) of this section.

(b) *Action by regional commissioner.* If the regional commissioner is satisfied that the alien is inadmissible to the United States under paragraph (27), (28), or (29) of section 212 (a) of the act and if the regional commissioner, in the exercise of his discretion, concludes that such inadmissibility is based on information of a confidential nature the disclosure of which would be prejudicial to the public interest, safety, or security, he may deny any hearing or further hearing by a special inquiry officer and order such alien excluded and deported, or enter such other order in the case as he deems appropriate. In any other case the regional commissioner shall direct that the alien be given a hearing or further hearing before a special inquiry officer.

(c) *Finality of decision.* The decision of the regional commissioner provided

for in paragraph (b) of this section shall be final and no appeal may be taken therefrom. The decision of the regional commissioner shall be in writing, signed by him and, unless it contains confidential matter, a copy shall be served on the alien. If the decision contains confidential matter, a separate order showing only the ultimate disposition of the case shall be signed by the regional commissioner and served on the alien.

(d) *Hearing by special inquiry officer.* If the regional commissioner directs that an alien temporarily excluded be given a hearing or further hearing before a special inquiry officer, such hearing and all further proceedings in the case shall be conducted in accordance with the provisions of section 236 and other applicable sections of the act to the same extent as though the alien had been referred to a special inquiry officer by the examining immigration officer; except, that if confidential information, not previously considered in the case, is adduced supporting the exclusion of the alien under paragraph (27), (28), or (29) of section 212 (a) of the act, the disclosure of which, in the discretion of the special inquiry officer, may be prejudicial to the public interest, safety, or security, the special inquiry officer may again temporarily exclude the alien under the authority of section 235 (c) of the act and further action shall be taken as provided in this section.

PART 235a—PREEXAMINATION OF ALIENS WITHIN THE UNITED STATES

Sec.

235a.1 Application.

235a.11 Disposition of case.

AUTHORITY: §§ 235a.1 and 235a.11 issued under sec. 103, 66 Stat. 173; 8 U. S. C. 1103.

§ 235a.1 *Application.* Any alien, except a citizen of Canada, Mexico, or islands adjacent to the United States, who entered the United States prior to January 1, 1957, and has been continuously physically present in the United States since that date, shall apply for preexamination on Form I-63 if he intends to apply to a consular officer of the United States in Canada for an immigrant visa and he believes that he will be admissible to the United States under all the provisions of the immigration laws if in possession of an immigrant visa; that he will be able to obtain the prompt issuance of an immigrant visa, and that he is a person of good moral character. Any alien who files Form I-63 shall be deemed to have thereby abandoned his nonimmigrant status in the United States. Form I-63 shall be submitted to the office of the Immigration and Naturalization Service having jurisdiction over the applicant's place of residence, and may be filed separately or in conjunction with a petition for nonquota or preference quota status under Part 204 or 205 of this chapter. If the applicant is under deportation proceedings, the application shall be made to the special inquiry officer during the hearing pursuant to Part 242 of this chapter. The applicant shall be notified of the decision, and, if the application is denied, of the reasons therefor and of his right to appeal under Part 6 or 7 of this chapter.

§ 235a.11 *Disposition of case.* If preexamination has been authorized, the applicant shall not be preexamined until he has presented written assurance from the consular officer of the United States in Canada that a visa will be promptly available if upon personal examination he is found eligible for a visa, and a report from a medical officer of the United States Public Health Service setting forth findings of the applicant's mental and physical condition. Any applicant certified under paragraph (1), (2), (3), (4), or (5) of section 212 (a) of the act may appeal to a board of medical officers of the United States Public Health Service as provided in section 234 of the act and § 236.13 (c) of this chapter. Preexamination to determine the applicant's admissibility to the United States shall be conducted by an immigration officer. If it shall appear to the immigration officer that the applicant is not clearly and beyond a doubt admissible, the matter shall be referred to a special inquiry officer for disposition pursuant to section 236 of the act and Part 236 of this chapter. If the applicant is found admissible, he shall be given a sealed letter addressed to the Canadian immigration officer at the port through which he will enter Canada, showing the purpose of the applicant's visit to Canada and guaranteeing that if admitted to Canada he will be readmitted to the United States. An applicant previously found admissible in preexamination proceedings, who, having proceeded to Canada, is found inadmissible at the time of seeking reentry into the United States, shall be paroled into the United States.

The

special inquiry officer shall rule upon objections, introduce material and relevant evidence in behalf of the Government and the alien, and otherwise regulate the course of the hearing, and exercise such other powers and authority as are conferred upon him by the Immigration and Nationality Act and this chapter. If the alien has a relative or a friend present at the hearing who is a witness in the case, the testimony of the relative or friend shall be completed before he is permitted to remain at the hearing, unless, in the discretion of the special inquiry officer, his presence before testifying will not be prejudicial to a proper determination of the case. During the course of the hearing the alien's attorney or representative shall be permitted to examine the alien and he, or the alien, shall be permitted to examine any witnesses offered in the alien's behalf, to cross-examine any witnesses called by the Government, to offer evidence material and relevant to any matter in issue, and to make objections which shall be stated succinctly and entered on the record. Argument in support of objections and any irrelevant material or unduly repetitious matter shall be excluded from the record. If the alien is not represented by an attorney or representative, the special inquiry officer shall advise the alien of his rights, as described in this section, and shall assist the alien in the presentation of his case to the end that all of the material and relevant facts may be adduced.

(b) *Development of facts relating to penalties incurred by transportation company.* In all cases in which there is reason to believe that any administrative fine prescribed may have been incurred, the special inquiry officer shall develop in the course of the hearing all facts and circumstances material to a determination of liability to such fine.

(c) *Medical examiner as witness.* Whenever the certificate of an examining surgeon does not adequately describe the nature, character, and extent of the physical defect, disease, or disability which may affect the ability of the alien to earn a living and the alien has not affirmatively established that he will not have to earn a living, the special inquiry officer shall call the examining surgeon as a witness and interrogate him fully as to the particular nature, character, and extent of the defect, disease, or disability. Such testimony shall be made a part of the record.

(d) *Record in illiteracy cases.* In all cases in which the reading test is applied and aliens are rejected as unable to read and understand, the record shall, in addition to the number of the reading card used, clearly set forth (1) that the alien designated the particular language used in the test, (2) the complete English text appearing on the card, (3) a definite finding by the special inquiry officer as to the degree to which the alien failed to read and understand, and (4) if the alien claims to be within any class exempted from the test, a definite finding by the special inquiry officer as to the validity of such claim.

(b) *Written decision.* In any case in which he deems such action appropriate, the special inquiry officer may, as soon as practicable after the conclusion of the hearing, prepare a written decision signed by him which shall include a summary of the evidence adduced, findings of fact, conclusions of law, and order. The district director having administrative jurisdiction over the office in which the proceeding is pending shall cause a signed copy of such decision to be served on the alien with the notice referred to in § 6.11 of this chapter.

§ 236.13 *Advice to alien found excludable—(a) Return voyage.* An excluded alien shall be informed of the provisions of section 237 (a) of the Immigration and Nationality Act relating to the transportation expenses of his deportation from the United States, and to the class of travel in connection therewith. If the alien is entitled to refund of passage money he shall be so informed.

(b) *Permission to reapply.* The special inquiry officer excluding an alien shall advise him of the provisions of the Immigration and Nationality Act and of this chapter relating to the necessity of obtaining permission to reapply for admission to the United States should he desire to reapply within one year from his deportation under the excluding decision. The fact that such advice has been given to the alien of that notification shall be noted in the record together with the alien's foreign address. In cases in which the alien is excluded for causes which can readily be removed or overcome, he may be advised by the special inquiry officer that the application for permission to reapply for admission may then and there be made. If the alien does not appeal from the excluding decision and desires to make such application, the special inquiry officer may, in his discretion grant him permission to reapply for admission. Written notification of such permission shall be furnished to the alien for his use in subsequent proceedings. If the application for permission to reapply is denied by the special inquiry officer no appeal shall lie from such denial, but it shall be without prejudice to any further application made by the applicant pursuant to § 212.6 of this chapter. If an appeal is taken from a decision of the special inquiry officer as provided in section 236 (b) of the Immigration and Nationality Act, the decision on appeal, if adverse to

the alien, may grant him permission to reapply for admission within one year.

(c) *Alien certified for mental condition; right of medical appeal.* An alien certified under paragraphs (1), (2), (3), (4), or (5) of section 212 (a) of the Immigration and Nationality Act shall be advised of his right to appeal to a board of medical officers of the United States Public Health Service, and of his right to produce before such board one expert medical witness at the alien's own cost and expense. In the event the alien desires to appeal to such medical board, the district director having administrative jurisdiction over the office in which the proceedings are pending shall, in conformity with regulations prescribed by the United States Public Health Service, make such arrangements with the office of the Surgeon General as may be necessary for the convening of such medical board.

(d) *Notice of possible appeal by district director.* In any case falling within the purview of § 236.16 in which the decision of the special inquiry officer is to admit the alien, the special inquiry officer shall advise the alien at the conclusion of the hearing that the decision is not final and is subject to possible appeal by the district director having administrative jurisdiction over the office in which the hearing was conducted, and that such appeal may be taken within a period of 5 days after a transcript of the record is made available to such district director.

(b) The alien takes an appeal as provided in § 236.15; or

(c) The district director takes an appeal as provided in § 236.16.

If the alien desires to appeal, he shall then and there be required to submit a completed Form I-290A. If the alien desires to file a brief, he shall be allowed 5 days from the date of the oral decision within which to submit his brief to the district director having administrative jurisdiction over the office in which the proceeding is pending. Upon good cause shown, such district director or the special inquiry officer who presided at the hearing, or the Board may, in their discretion, extend the time within which the brief may be submitted. In any case in which the alien has stated that he de-

sires to submit a brief, he may, within the period allowed for the submission of such brief file with the district director a written waiver thereof. An alien appealing from an oral decision of a special inquiry officer shall be furnished with a transcript of the oral decision.

(b) *From written decision.* In any case in which an alien is entitled to appeal from a written decision of a special inquiry officer, such appeal shall be taken on Form I-290A in accordance with the provisions of § 6.11 of this chapter within 5 days after receipt of the written decision.

§ 236.16 *Appeal by district director.* The district director having administrative jurisdiction over the office in which the hearing was conducted may require any case or classes of cases to be referred to him for review in which the decision of the special inquiry officer is to admit the alien. The district director shall, within 5 days after receipt of the transcript of the record in any such case, determine whether or not he desires to appeal to the Board. If an appeal is taken by the district director, written notice thereof shall be delivered to the alien and the alien shall be advised that he may make such representations to the Board as he may desire, including the filing of a brief. If the alien desires to file a brief, he shall be allowed 5 days from receipt of notification of appeal within which to file a brief with the district director for transmittal to the Board with the record in the case. The filing of such brief may be waived by the alien. AR2022_200125

§ 237.1 *Stay of deportation of excluded alien.* The immediate deportation of an excluded alien as provided in section 237 (a) of the Immigration and Nationality Act may be stayed in the discretion of district directors, upon a determination that immediate deportation is not practicable or proper, or that the alien's testimony is necessary in behalf of the United States as provided in section 237 (d) of that act.

§ 237.2 *Cost of maintenance not assessed.* Whenever the owner or owners of a vessel or aircraft, in order to exempt the transportation line from liability for the cost of the alien's maintenance, seek to establish that the ground of exclusion could not have been ascertained by the exercise of due diligence prior to the alien's embarkation as provided in section 237 (a) (2) (B) of the Immigration and Nationality Act, such claim shall be established to the satisfaction of the district director having administrative jurisdiction over the port of arrival. No appeal shall lie from a decision adverse to such claim.

§ 237.3 *Imposition of penalty.* Penalties for violation of sections 233 and 237 of the Immigration and Nationality Act shall be imposed in accordance with the provisions of Part 280 of this chapter. A bond or undertaking submitted to obtain clearance as provided in section 237 (b) of that act shall be on Form I-310.

§ 237.11 *Request for stay of deportation; detention expenses.* A stay of deportation may be authorized by the district director having administrative jurisdiction over the place where the alien is located on his own instance, or upon a written request of the alien filed with the district director setting forth under oath the reasons for requesting such stay. The district director may, in his discretion, grant or deny the alien's request. No appeal shall lie from a denial of a request for a stay. In case the alien is detained, whether at the expense of the Government or the transportation line, the request of the alien for a stay shall not be granted unless sufficient cash is deposited to defray the cost of his continued detention and expenses incident thereto for the period of time deportation is requested to be stayed, or, in lieu of cash, a bond acceptable to the district director is given guaranteeing the payment of all such expenses. In any case in which a stay is granted under section 237 (d) of the Immigration and Nationality Act and the alien is detained by the Service, the district director may, in his discretion, authorize the alien's release under bond on Form I-324 as provided in section 237 (d) of that act and under such terms and conditions as the district director may, in his discretion, prescribe.

§ 237.12 *Notice to transportation line of alien's exclusion.* Whenever it is determined that an alien shall be excluded and deported the alien shall, immediately or as promptly as the circumstances permit, be offered for deportation to the master, commanding officer, purser, person in charge, agent, owner or consignee of the vessel or aircraft by

§ 237.13 *Notice to district director of proposed departure.* At least 24 hours' notice of the time of sailing of every vessel which has brought aliens to the United States shall be given to the district director having administrative jurisdiction over the port at which such vessel arrived: *Provided*, That such district director may, in his discretion, accept notice that is given less than 24 hours in advance of sailing whenever it appears to such officer that it was impossible or impracticable for the transportation line to furnish such information earlier.

§ 237.14 *Aliens rejected at ports outside the United States.* Any alien destined to the United States, who has been brought to a port in foreign contiguous territory or adjacent islands by a transportation line signatory to a contract made pursuant to section 238 (a) of the Immigration and Nationality Act, and who is there excluded from admission to the United States, shall be returned to the country whence he came by the transportation line bringing him unless, upon examination by officials of such territory or island, such alien is admitted to such territory or island.

§ 237.15 *Excluded aliens requiring special care and attention.* The provisions of § 243.11 of this chapter shall apply to the deportation of aliens under this part.

§ 237.21 *Submission of proof by transportation line.* A transportation line claiming exemption from liability for the cost of the alien's maintenance in accordance with the provisions of § 237.2 shall be afforded a reasonable period of time, as determined by the district director, within which to submit to the district director affidavits and briefs in support of its claim.

PART 238—ENTRY THROUGH OR FROM FOREIGN CONTIGUOUS TERRITORY AND ADJACENT ISLANDS

Sec.	
238.1	Inspection outside the United States.
238.2	Contracts with transportation lines.
238.3	Contracts and bonding agreement for certain transit aliens.
238.11	Preexamination outside the United States.

AUTHORITY: §§ 238.1 to 238.11 issued under sec. 103, 66 Stat. 173; 8 U. S. C. 1103. Interpret or apply secs. 231, 235, 236, 237, 238, 66 Stat. 191, 198, 200, 201, 202; 8 U. S. C. 1201, 1225, 1226, 1227, 1228.

§ 238.1 *Inspection outside the United States.* All inspections and medical examinations which may be conducted in foreign contiguous territory or adjacent islands under the provisions of section 238 of the Immigration and Nationality Act, shall be in all respects similar to those conducted at ports of entry in the United States, and officials of the United States making the inspections and examinations required under the immi-

gration laws of the United States shall be provided with all necessary facilities.

§ 238.2 *Contracts with transportation lines.* The contracts with transportation lines including bonding agreements, referred to in section 238 of the act, shall be made by the regional commissioner in behalf of the government, and shall be in such form as prescribed.

§ 238.3 *Contracts and bonding agreement for certain transit aliens.* Transportation lines desiring to bring to the United States aliens in direct and continuous transit through the United States en route to foreign destinations in accordance with the provisions of section 238 (d) of the act shall apply to the Commissioner for the privilege of entering into a contract, including a bonding agreement. Such contract, if agreed to by the Commissioner, shall be on Form I-426.

§ 238.11 *Preexamination outside the United States—(a) Who may apply.* Subject to the limitations hereinafter provided, whenever officers of the Service are stationed in foreign contiguous territory or adjacent islands, persons (whether citizens or nationals of the United States or aliens) who intend to apply for admission to the United States may appear before such officer to be preexamined as to their admissibility to the United States. Persons required by the Immigration and Nationality Act and this chapter to be in possession of a permit to enter or a passport shall not be preexamined unless such permit to enter or passport is presented.

(b) *Preparation of Form I-94.* A set of Forms I-94 shall be prepared by an immigration officer for an alien presenting himself for preexamination if such set would be required if the alien were applying at a port of entry for admission to the United States. If a full set of Forms I-94 would not be so required and if the applicant is an alien not in possession of a permit to enter, or if the applicant is a citizen or a national of the United States, the immigration officer shall prepare a set of Forms I-94 for the applicant. The names and ages of children under 14 years of age may be included in the Forms I-94 prepared for an accompanying parent or guardian.

(c) *Procedure when applicant is found to be admissible.* If the examining officer determines that the applicant being preexamined is admissible to the United States, he shall note that determination on the immigrant or nonimmigrant form prepared for or presented by the applicant, and return the form to the applicant for presentation and surrender at the actual port of entry in the United States. If the applicant applies for admission to the United States at a port of entry in the United States within 30 days from the finding of admissibility by the notation of the preexamining officer and there has been no subsequent change in the applicant's immigration status, the applicant may be admitted upon identification, provided he presents valid, unexpired documents as required by the Immigration and Nationality Act and this chapter in the case of a person applying for admission without having

been preexamined. The port of entry into the United States shall be the "record" port of entry for all purposes. If notwithstanding the determination on preexamination, the examining immigration officer at the port of entry is not satisfied that the applicant is admissible, further action shall be taken as provided in sections 235, 236, and 237 of the Immigration and Nationality Act and Parts 235, 236, and 237 of this chapter to the same extent as though the alien had not been preexamined.

(d) *Procedure when applicant is not found to be admissible.* If the examining immigration officer is not satisfied that the applicant being preexamined is admissible to the United States, further action shall be taken as provided in sections 235, 236, and 237 of the Immigration and Nationality Act and Parts 235, 236, and 237 of this chapter to the same extent as though the applicant were applying for admission at a port of entry, except that if the applicant is found to be admissible by a special inquiry officer or on appeal, the provisions of paragraph (c) of this section shall govern the further disposition of the case.

PART 239—SPECIAL PROVISIONS RELATING TO AIRCRAFT; DESIGNATION OF PORTS OF ENTRY FOR ALIENS ARRIVING BY CIVIL AIRCRAFT

- Sec.
239.1 Definitions.
239.2 Landing requirements.
239.3 Aircraft; how considered.
239.4 International airports for entry of aliens.

Authority: §§ 239.1 to 239.4 issued under sec. 103, 66 Stat. 173; 8 U. S. C. 1103. Interpret or apply secs. 231, 239, 66 Stat. 195, 203; 8 U. S. C. 1221, 1229.

§ 239.1 *Definitions.* As used in this part, the term "scheduled airline" means any individual, partnership, corporation, or association engaged in air transportation upon regular schedules to, over, or away from the United States, or from one place to another in the United States, and holding a Foreign Air Carrier Permit or a Certificate of Public Convenience and Necessity issued pursuant to the Civil Aeronautics Act of 1938.

§ 239.2 *Landing requirements—(a) Place of landing.* Aircraft carrying passengers or crew required to be inspected under the act shall land at the international airports enumerated in the Statement of Organization of the Service unless permission to land elsewhere shall first be obtained from the Commissioner of Customs in the case of aircraft operated by scheduled airlines, and in all other cases from the Collector of Customs or other Customs Officer having jurisdiction over the airport of entry nearest the intended place of landing. Whenever such permission is granted, the owner, operator, or person in charge of the aircraft shall pay any additional expenses incurred in inspecting passengers or crew on board such aircraft, except that when permission is granted to a scheduled airline to land an aircraft operating on a schedule no inspection charge shall be made for overtime service performed by immigration officers if the

aircraft arrives substantially in accordance with schedules on file with the Service.

(b) *Advance notice of arrival.* Aircraft carrying passengers or crew required to be inspected under the Immigration and Nationality Act, except aircraft of a scheduled airline arriving in accordance with the regular schedule filed with the Service at the place of landing, shall furnish notice of the intended flight to the immigration officer at or nearest the intended place of landing, or shall furnish similar notice to the Collector of Customs or other Customs officer in charge at such place. Such notice shall specify the type of aircraft, the registration marks thereon, the name of the aircraft commander, the place of last departure, the airport of entry, or other place at which landing has been authorized, number of alien passengers, number of citizen passengers, and the estimated time of arrival. The notice shall be sent in sufficient time to enable the officers designated to inspect the aircraft to reach the airport of entry or such other place of landing prior to the arrival of the aircraft.

(c) *Permission to discharge or depart.* Aircraft carrying passengers or crew required to be inspected under the Immigration and Nationality Act shall not discharge or permit to depart any passenger or crewman without permission from an immigration officer.

(d) *Emergency or forced landing.* Should any aircraft carrying passengers or crew required to be inspected under the Immigration and Nationality Act make a forced landing in the United States, the commanding officer or person in command shall not allow any passenger or crewman thereon to depart from the landing place without permission of an immigration officer, unless such departure is necessary for purposes of safety or the preservation of life or property. As soon as practicable, the commanding officer or person in command, or the owner of the aircraft, shall communicate with the nearest immigration officer and make a full report of the circumstances of the flight and of the emergency or forced landing.

§ 239.3 *Aircraft; how considered.* Except as otherwise specifically provided in the Immigration and Nationality Act and this chapter, aircraft arriving in or departing from the continental United States or Alaska directly from or to foreign contiguous territory or the French island of St. Pierre or Miquelon shall be regarded for the purposes of the Immigration and Nationality Act and this chapter as other transportation lines or companies arriving or departing over the land borders of the United States. Aliens on aircraft arriving overland in foreign contiguous territory on journeys which did not begin outside of North or South America or islands belonging to countries or to political subdivisions of these continents shall not be held to be subject to section 212 (a) (24) of the Immigration and Nationality Act.

§ 239.4 *International airports for entry of aliens.* International airports for the entry of aliens shall be those airports

designated as such by the Commissioner. An application for designation of an airport as an international airport for the entry of aliens shall be made to the Commissioner and shall state whether the airport (a) has been approved by the Secretary of Commerce as a properly equipped airport, (b) has been designated by the Secretary of the Treasury as a port of entry for aircraft arriving in the United States from any place outside thereof and for the merchandise carried thereon, and (c) has been designated by the Secretary of Health, Education, and Welfare as a place for quarantine inspection. An airport shall not be so designated by the Commissioner without such prior approval and designation, and unless it appears to the satisfaction of the Commissioner that conditions render such designation necessary or advisable, and unless adequate facilities have been or will be provided at such airport without cost to the Federal Government for the proper inspection and disposition of aliens, including office space and such temporary detention quarters as may be found necessary. The designation of an airport as an international airport for the entry of aliens may be withdrawn whenever, in the judgment of the Commissioner, there appears just cause for such action.

PART 241—JUDICIAL RECOMMENDATIONS AGAINST DEPORTATION

§ 241.1 *Notice; recommendation.* For the purposes of clause (2) of section 241 (b) of the Immigration and Nationality Act, notice to the district director having administrative jurisdiction over the place in which the court imposing sentence is located shall be regarded as notice to the Service. A recommendation against deportation by the sentencing court made to the district director receiving the notice shall be regarded as made to the Attorney General.

242.20 Finality of order.

242.21 Appeals.

242.22 Proceedings under section 242 (f) of the act.

242.23 Savings clause.

AUTHORITY: §§ 242.1 to 242.23 issued under sec. 103, 66 Stat. 178; 8 U. S. C. 1103. Interpret or apply secs. 242, 244, 292, 66 Stat. 208, as amended, 214, 235; 8 U. S. C. 1252, 1254, 1362.

§ 242.1 *Order to show cause and notice of hearing*—(a) *Commencement*. Every proceeding to determine the deportability of an alien in the United States is commenced by the issuance and service of an order to show cause by the Service. In the proceeding the alien shall be known as the respondent. Orders to show cause may be issued by district directors, deputy district directors, district officers who are in charge of investigations.

(b) *Statement of nature of proceeding*. The order to show cause will contain a statement of the nature of the proceeding, the legal authority under which the proceeding is conducted, a concise statement of factual allegations informing the respondent of the acts or conduct alleged to be in violation of the law, and a designation of the charges against the respondent and of the statutory provisions alleged to have been violated. The order will require the respondent to show cause why he should not be deported. The order will call upon the respondent to appear before a special inquiry officer for hearing at a time and place stated in the order, not less than seven days, after the service of such order, except that where the issuing officer, in his discretion, believes that the public interest, safety, or security so requires, he may provide in the order for a shorter period. The issuing officer may, in his discretion, fix a shorter period in any other case at the request of and for the convenience of the respondent.

(c) *Service*. Service of the order to show cause shall be made by having a copy delivered to the respondent by an immigration officer or by mailing it to the respondent at his last known address by certified or registered mail, return receipt requested. Delivery of a copy within this rule means: handing it to the respondent or leaving it at his dwelling house or usual place of abode with some person of suitable age and discretion then residing therein. Service by mail is complete upon mailing. The post office return receipt or the certificate by the officer serving the order by personal delivery setting forth the manner of said service shall be proof of service.

§ 242.2 *Apprehension, custody, and detention*—(a) *Warrant of arrest*. At the commencement of any proceeding under this part, or at any time thereafter and up to the time the respondent becomes subject to supervision under the authority contained in section 242 (d) of the act, the respondent may be arrested and taken into custody under the authority of a warrant of arrest issued by a district director whenever, in his discretion, it appears that the arrest of the respondent is necessary or desirable. If,

after the issuance of a warrant of arrest, a determination is made not to serve it, the district director who issued the warrant of arrest may authorize its cancellation.

(b) *Authorized officer*. A district director may exercise the authority contained in section 242 of the act to continue or detain an alien in, or release him from, custody, and shall promptly notify the alien in writing of any determination made in his case. The alien may appeal to the Board of Immigration Appeals from any determination of such officer relating to bond, parole, or detention. Such appeal shall be taken by filing a notice of appeal with the district director within 5 days after the date when written notification of the determination is delivered in person or mailed to the alien. Upon the filing of such a notice of appeal, the district director shall immediately transmit to the Board of Immigration Appeals all records and information pertaining to his action in relation to such bond, parole, or detention and shall notify the regional commissioner. The filing of such an appeal shall not operate to disturb the custody of the alien or to stay the administrative proceedings or deportation. The foregoing provisions concerning notice, reporting, and appeal shall not apply when the Service notifies the alien that it is ready to execute the order of deportation and takes him into custody for that purpose.

(c) *Revocation of bond or parole*. When an alien who having been arrested and taken into custody has been released under bond or released on parole, such bond or parole may be revoked at any time in the discretion of the district director, in which event the alien may be taken into physical custody and detained. If detained, unless a breach has occurred, any outstanding bond shall be revoked and cancelled.

(d) *Supervision*. Until an alien against whom a final order of deportation has been outstanding for more than six months is deported, he shall be subject to supervision by a district director or immigration officer acting for him and required to comply with the provisions of section 242 (d) of the act relating to his availability for deportation.

§ 242.3 *Aliens confined to institutions; incompetents, minors*—(a) *Service*. If the respondent is confined in a penal or mental institution or hospital and is competent to understand the nature of the proceedings, a copy of the order to show cause, and the warrant of arrest, if issued, shall be served upon him and upon the person in charge of the institution or hospital. If the respondent is not competent to understand the nature of the proceedings, a copy of the order to show cause, and the warrant of arrest, if issued, shall be served only upon the person in charge of the institution or hospital in which the respondent is confined, such service being deemed service upon the respondent. In case of mental incompetency, whether or not confined in an institution, and in the case of a child under 16 years of age, a copy of the order and of the warrant of arrest, if issued, shall be served upon such

respondent's guardian, near relative, or friend, whenever possible.

(b) *Service custody; cost of maintenance*. An alien confined in an institution or hospital shall not be accepted into physical custody by the Service until an order of deportation has been made and the Service is ready to deport the alien. When an alien is an inmate of a public or private institution at the time of the commencement of the deportation proceedings, expense for the maintenance of the alien shall not be incurred by the Government until he is taken into physical custody by the Service.

§ 242.4 *Fingerprints and photographs*. Every alien 14 years of age or older against whom proceedings are commenced under this part shall be fingerprinted. Any such alien, regardless of his age, shall be photographed if a photograph is required by the district director.

§ 242.5 *Voluntary departure prior to commencement of hearing*—(a) *Authorized officers*. The authority contained in section 242 (b) of the act to permit aliens to depart voluntarily from the United States may be exercised by district directors, district officers who are in charge of investigations, and officers in charge.

(b) *Application*. Any alien who believes himself to be eligible for voluntary departure under section 242 (b) of the act may apply therefor at an office of the Service any time prior to the commencement of his hearing under an order to show cause. The officers designated in paragraph (a) of this section may deny or grant the application and determine the conditions under which the alien's departure shall be effected. An appeal shall not lie from a denial of an application for voluntary departure under this section, but the denial shall be without prejudice to the alien's right to apply for relief from deportation under any provision of law.

(c) *Revocation*. If, subsequent to the granting of an application for voluntary departure under this section, it is ascertained that the application should not have been granted, that grant may be revoked without notice by any district director, district officer in charge of investigations, or officer in charge.

§ 242.6 *Aliens deportable under section 242 (f) of the act*. In the case of an alien within the purview of section 242 (f) of the act, the order to show cause shall charge him with deportability only under section 242 (f) of the act. The prior order of deportation and evidence of the execution thereof, properly identified, shall constitute prima facie cause for deportation under that section.

§ 242.7 *Cancellation of proceedings*. If an order to show cause has been issued, a district director, deputy district director, or district officer who is in charge of investigations may cancel the order to show cause or, prior to the actual commencement of the hearing under a served order to show cause, terminate proceedings thereunder, if in either case he is satisfied that the respondent is actually a national of the

United States, or is not deportable under the immigration laws, or is deceased, or is not in the United States. If an order to show cause has been cancelled or proceedings have been terminated pursuant to this section, any outstanding warrant of arrest shall also be cancelled.

§ 242.8 *Special inquiry officers*—(a) *Authority.* In a proceeding conducted under this part, the special inquiry officer shall have the authority to determine deportability and to make decisions including orders of deportation as provided by section 242 (b) of the act, to reinstate orders of deportation as provided by section 242 (f) of the act, to suspend deportation and authorize voluntary departure as provided by section 244 of the act, to authorize preexamination as provided by Part 235a of this chapter, to take or cause depositions to be taken, to certify the completeness and correctness of transcripts of hearings, and to take any other action consistent with applicable provisions of law and regulations. In his discretion, the special inquiry officer may exclude from the record any argument in connection with motions, applications, or objections, but in such event the person affected may submit a brief. Nothing contained in this part shall be construed to diminish the authority conferred on special inquiry officers by the act.

(b) *Withdrawal and substitution of special inquiry officers.* The special inquiry officer assigned to conduct the hearing shall at any time withdraw if he deems himself disqualified. If a hearing has begun but no evidence has been adduced other than by the respondent's pleading pursuant to § 242.16 (b), or if a special inquiry officer becomes unavailable to complete his duties within a reasonable time, or if at any time the respondent consents to a substitution, another special inquiry officer may be assigned to complete the case. The new special inquiry officer shall familiarize himself with the record in the case and shall state for the record that he has done so.

§ 242.9 *Examining officers*—(a) *Authority.* When an additional immigration officer is assigned to a proceeding under this part to perform the duties of an examining officer, he shall present the evidence on behalf of the Government as to deportability as provided in section 242 (b) of the act. The examining officer shall also inquire thoroughly into the respondent's eligibility for any requested discretionary relief from deportation and shall develop such other information as may be pertinent to the proper disposition of any case to which he is assigned. The examining officer is authorized to appeal from a decision of a special inquiry officer pursuant to § 242.21 and to move for reopening or reconsideration pursuant to Part 8 of this chapter.

(b) *Assignment.* The district director shall assign an examining officer to every case within the provisions of § 242.16 (c). In his discretion, or at the request of the special inquiry officer, the district director may assign an examining officer to any other case at any stage of the proceedings.

§ 242.10 *Representation by counsel.* The respondent may be represented at the hearing by an attorney or other representative qualified under Part 292 of this chapter.

§ 242.11 *Incompetent respondents.* When it is impracticable for the respondent to be present at the hearing because of mental incompetency, the guardian, near relative, or friend who was served with a copy of the order to show cause shall be permitted to appear on behalf of the respondent. If such a person cannot reasonably be found or fails or refuses to appear, the custodian of the respondent shall be requested to appear on behalf of the respondent.

§ 242.12 *Interpreter.* Any person acting as interpreter in a hearing under this part shall be sworn to interpret and translate accurately, unless the interpreter is an employee of the Service, in which event no such oath shall be required.

§ 242.13 *Postponement and adjournment of hearing.* Prior to the commencement of a hearing, the district director may grant a reasonable postponement for good cause shown, at his own instance upon notice to the respondent, or upon request of the respondent. After the commencement of the hearing, the special inquiry officer may grant a reasonable adjournment either at his own instance or, for good cause shown, upon application by the respondent or the examining officer. A continuance of the hearing for the purpose of allowing the respondent to obtain representation shall not be granted more than once unless sufficient cause for the granting of more time is shown.

§ 242.14 *Evidence*—(a) *Sufficiency.* A determination of deportability shall not be valid unless based on reasonable, substantial, and probative evidence.

— (b) [Reserved.]

(c) *Use of prior statements.* The special inquiry officer may receive in evidence any oral or written statement which is material and relevant to any issue in the case previously made by the respondent or any other person during any investigation, examination, hearing, or trial.

(d) *Testimony.* Testimony of witnesses appearing at the hearing shall be under oath or affirmation administered by the special inquiry officer.

§ 242.15 *Contents of record.* The hearing before the special inquiry officer, including the respondent's pleading, the testimony, the exhibits, the special inquiry officer's decision, and all written orders, motions, appeals, and other papers filed in the proceeding shall constitute the record in the case. The hearing shall be recorded verbatim except for statements made off the record with the permission of the special inquiry officer.

§ 242.16 *Hearing*—(a) *Opening.* The special inquiry officer shall advise the respondent of his right to representation, at no expense to the Government, by counsel of his own choice authorized to practice in the proceedings and require him to state then and there whether he desires representation; advise the re-

spondent that he will have a reasonable opportunity to examine and object to the evidence against him, to present evidence in his own behalf, and to cross-examine witnesses presented by the Government; place the respondent under oath; read the factual allegations and the charges in the order to show cause to the respondent and explain them in nontechnical language, and enter the order to show cause and warrant of arrest, if any, as exhibits in the record.

(b) *Pleading by respondent.* The special inquiry officer shall require the respondent to plead to the order to show cause by stating whether he admits or denies the factual allegations and his deportability under the charges contained therein. If the respondent admits the factual allegations and admits his deportability under the charges and the special inquiry officer is satisfied that no issues of law or fact remain, the special inquiry officer may determine that deportability as charged has been established by the admissions of the respondent.

(c) *Issues of deportability.* When deportability is not determined under the provisions of paragraph (b) of this section, the special inquiry officer shall request the assignment of an examining officer, and shall receive evidence as to any unresolved issues, except that no further evidence need be received as to any facts admitted during the pleading.

(d) *Additional charges.* An examining officer who has been assigned to a case may at any time during a hearing lodge additional charges of deportability, including factual allegations against the respondent. When additional charges are lodged, the special inquiry officer shall explain these charges to the respondent in nontechnical language and shall advise him if he is not represented by counsel, that he may be so represented. The special inquiry officer shall also inform the respondent that he may have a reasonable time within which to meet the additional charges. The respondent shall be required to state then and there whether he desires a continuance for either of these reasons.

(e) *Application for discretionary relief.* The respondent may apply during the hearing for suspension of deportation on Form I-256A, voluntary departure under section 244 of the act, preexamination on Form I-63 under Part 235a of this chapter, or such other discretionary relief as may be appropriate to the case. The respondent has the burden of establishing his eligibility for discretionary relief and may submit evidence in support of his application.

§ 242.17 *Decision of special inquiry officer*—(a) *Contents.* The decision of the special inquiry officer may be oral or written. Except in cases where deportability is determined on the pleadings pursuant to § 242.16 (b), the decision shall include a summary of the evidence and shall set forth findings of fact and conclusions of law as to deportability. Adoption by the special inquiry officer of the factual allegations and charges in the order to show cause shall constitute the setting forth of findings of fact and conclusions of law within the meaning of

this paragraph. The decision shall also contain a discussion of the evidence relating to the respondent's eligibility for any discretionary relief requested and the reasons for granting or denying the application. The decision shall be concluded with the order of the special inquiry officer.

(b) *Summary decision.* Notwithstanding the provisions of paragraph (a) of this section, in any case where deportability is determined on the pleadings pursuant to § 242.16 (b) and the respondent does not apply for any discretionary relief, or the respondent applies for voluntary departure only and the special inquiry officer grants the application, the special inquiry officer may enter a summary decision on Form I-38, if deportation is ordered, or on Form I-39 if voluntary departure is granted with an alternate order of deportation.

(c) *Use of non-record information.* In determining an application for discretionary relief from deportation in proceedings under this part, the special inquiry officer may consider and rely upon information not contained in the record only when the Commissioner has determined that it is in the interest of national security and safety to do so.

§ 242.18 *Order of special inquiry officer.* The order of the special inquiry officer shall be that the alien be deported, or that the proceedings be terminated, or that the alien's deportation be suspended, or that the alien be granted voluntary departure at his own expense in lieu of deportation, with or without preexamination, or any combination of these orders in the alternative or that such other action be taken in the proceedings as may be required for the appropriate disposition of the case.

§ 242.19 *Notice of decision—(a) Written decision.* A written decision shall be served upon the respondent and the examining officer, if any, by the district director together with the notice referred to in § 6.11 of this chapter. Service by mail is complete upon mailing.

(b) *Oral decision.* An oral decision shall be stated by the special inquiry officer in the presence of the respondent and the examining officer, if any, at the conclusion of the hearing. Unless appeal from the decision is then and there waived, a typewritten copy of the oral decision shall be served in the same manner as a written decision.

(c) *Summary decision.* When the special inquiry officer renders a summary decision as provided in § 242.17 (b), he shall serve a copy thereof upon the respondent at the conclusion of the hearing. Unless appeal from the decision is waived, the respondent shall also be furnished with two copies of Notice of Appeal, Form I-290A, and advised of the provisions of § 242.21 (c).

§ 242.20 *Finality of order.* The order of the special inquiry officer shall be final except when the case has been certified as provided in § 6.1 (c) or § 7.1 (b) of this chapter, or an appeal is taken to the Board of Immigration Appeals by the respondent or by the examining officer.

§ 242.21 *Appeals—(a) Non-appealable cases.* An appeal shall not lie from

a decision of a special inquiry officer denying an application for voluntary departure or preexamination as a matter of discretion where the special inquiry officer has found the alien statutorily eligible for voluntary departure or eligible for preexamination pursuant to Part 235a of this chapter, and the alien has been in the United States for a period of less than five years at the time of the service of the order to show cause in deportation proceedings. A Notice of Appeal shall not be filed or accepted in any case within the provisions of this paragraph.

(b) *Cases appealable.* Pursuant to Part 6 of this chapter, an appeal shall lie from a decision of the special inquiry officer under this part to the Board of Immigration Appeals (except in cases covered by the provisions of § 242.20 relating to certifications). The reasons for the appeal shall be stated briefly in the Notice of Appeal, Form I-290A. When the conclusion as to deportability is contested, the appellant shall be required to indicate in the Notice of Appeal, Form I-290A, the particular findings of fact or conclusions of law with which he disagrees. Failure to do so may constitute a ground for dismissal of the appeal by the Board.

(c) *Time for taking appeal.* An appeal shall be taken within ten days after the mailing of a written decision or of a typewritten copy of an oral decision or the service of a summary decision on Form I-38 or I-39.

§ 242.22 *Proceedings under section 242 (f) of the act—(a) Applicable regulations.* Except as hereafter provided in this section, all the provisions of §§ 242.8 to 242.21, inclusive, and § 242.23 shall apply to the case of a respondent within the purview of § 242.6.

(b) *Deportability.* In determining the deportability of an alien alleged to be within the purview of § 242.6, the issues shall be limited solely to a determination of the identity of the respondent, i. e., whether the respondent is in fact an alien who was previously deported, or who departed while an order of deportation was outstanding; whether the respondent was previously deported as a member of any of the classes described in paragraph (4), (5), (6), (7), (11), (12), (14), (15), (16), (17), or (18) of section 241 (a) of the act; and whether respondent unlawfully reentered the United States.

(c) *Order.* If deportability as charged pursuant to § 242.6 is established, the special inquiry officer shall order that the respondent be deported under the previous order of deportation in accordance with section 242 (f) of the act, or shall enter such other order as may be required for the appropriate disposition of the case.

(d) *Examining officer; additional charges.* When an examining officer is assigned to a proceeding under this section and additional charges are lodged against the respondent, the provisions of paragraph (b) of this section shall cease to apply.

§ 242.23 *Savings clause.* Deportation proceedings in which warrants of arrest were served prior to the date that orders

to show cause were authorized to be issued pursuant to this part shall be completed in accordance with the regulations which were in effect immediately preceding that date, unless the respondents consent to proceed under the current regulations.

AUTHORITY: §§ 243.1 to 243.31 issued under sec. 103, 65 Stat. 173; 8 U. S. C. 1103. Interpret or apply secs. 242, 243, 66 Stat. 208, as amended, 212; 8 U. S. C. 1252, 1253.

§ 243.1 *Issuance of warrants of deportation; country to which alien shall be deported; cost of detention; care and attention of alien—(a) Issuance.* A warrant of deportation shall be based upon the final order of deportation and shall be issued by a district director or an immigration officer acting for him.

(b) *Determination of place and cost of deportation, and necessity for attendants.* District directors shall exercise the authority contained in section 243 of the Immigration and Nationality Act to designate the country to which, and at whose expense an alien in the United States shall be deported, and to determine when an alien's mental or physical condition requires the employment of a person to accompany the alien.

§ 243.2 *Finality of decision.* No appeal shall lie from the decision of the district director in the exercise of the authority described in § 243.1.

§ 243.3 *Execution of warrants of deportation—(a) Taking alien into custody.* Upon the issuance of a warrant of deportation or as soon thereafter as the circumstances of the case require, the alien, if not in the physical custody of the Service, shall be taken into such custody under the authority of such warrant of deportation and deported.

(b) *Stay of deportation.* (1) Except as otherwise provided in this part, the district director having administrative jurisdiction over the place where the alien is located may, in the exercise of his discretion, and for good cause shown, stay the execution of a warrant and order of deportation for such time and under such conditions as he may deem appropriate. He may grant such stay upon his own instance, or upon request of the alien. A request for a stay by the alien shall be in writing, shall be filed with the district director, and shall be supported by an affidavit setting forth the reasons for the request and by such other evidentiary matter as may support the request.

(2) If the request for a stay of deportation is predicated upon a claim by the alien that he would be subject to physical persecution if deported to the country designated by the Service, he shall be requested, upon notice, to appear before a special inquiry officer for interrogation under oath. The alien may have present with him, at his own expense, during the interrogation any attorney or representative authorized to practice before the Service. The alien may submit any evidence in support of his claim which he believes should be considered by the special inquiry officer. Upon completion of the interrogation, the special inquiry officer shall prepare a written memorandum of his findings and a recommendation which shall be forwarded to the regional commissioner together with all the evidence and information submitted by the alien or which may be applicable to the case. The alien shall be served with a copy of the special inquiry officer's memorandum and recommendation and shall be allowed five days from date of service within which to submit written representations to the regional commissioner. If the alien refuses to appear for interrogation before a special inquiry officer when requested to do so or waives his appearance, all the pertinent evidence and available information in the case shall immediately be submitted to the regional commissioner. The decision whether to withhold deportation and, if so, for what period of time shall be finally made by the regional commissioner upon consideration of all the evidence submitted by the alien and any other pertinent evidence or available information.

(3) Notice of disposition of the alien's request under subparagraph (1) or (2) of this paragraph shall be served upon him, but neither the making of the request nor the failure to receive a notice of decision thereon shall relieve or excuse the alien from presenting himself for deportation at the time and place designated for his deportation. No appeal shall lie from a denial of a request for a stay of deportation, but such denial shall not preclude the Board from granting a stay in connection with a motion to reopen or a motion to reconsider as provided in § 6.21 (a) of this chapter.

(c) *Permission to depart when ordered deported.* A district director may, in his discretion, permit an alien who has been ordered deported to depart himself from the United States at his own expense and to a destination of his own choice. Any alien who has so left the United States is considered to have been deported in pursuance of law.

§ 243.11 *Special care and attention for aliens—(a) Duty of transportation line.* Whenever it is determined by the district director that an alien about to be deported requires special care and attention, the transportation line responsible for the expense of the alien's deportation shall provide for such care and attention as may be required by the alien's condition, not only during the voyage from the United States to the foreign country to which the alien is to be deported, but also during the foreign

inland journey. The alien shall be delivered to the master, commanding officer, or the officer in charge of the vessel or aircraft on which the alien is to be deported, who shall be given Forms I-287, I-287A, and I-287B. The reverse of Form I-287A shall be signed by the officer of the vessel or aircraft to whom the alien has been delivered and immediately returned to the immigration officer making delivery. Form I-287B shall be retained by the receiving officer and subsequently filled out by the agents or persons therein designated and returned by mail to the district director named on the form.

(b) *Procedure at foreign port of disembarkation.* The transportation line shall at its own expense forward the alien from the foreign port of disembarkation to his destination in charge of a proper attendant except only in cases where the foreign public officials decline to allow such attendant to proceed and themselves take charge of the alien, which fact shall be recorded by the transportation line executing the form provided in the lower half of the reverse of Form I-287B. If the foreign public officials do not take charge of the alien at the port of disembarkation, but at an interior frontier, both forms on the reverse of Form I-287B shall be filled out, the former in relation to the inland journey as far as such frontier.

(c) *Failure of transportation line to provide special care.* Whenever a transportation line responsible for the expenses of the alien's deportation fails, refuses, or neglects to provide personal care and attention for an alien requiring such care and attention, or whenever such line fails, refuses, or neglects to return Form I-287B properly executed within 90 days after the departure of such an alien, or otherwise fails, refuses, or neglects to comply with the provisions of this section, the district director shall thereafter and without notice employ suitable persons, at the expense of the transportation line, to accompany aliens requiring personal care and attention who are deported on any vessel or aircraft of such line.

§ 243.12 *Deportation of lepers.* Cases of aliens afflicted with leprosy shall be handled in accordance with the governing regulations and instructions issued by the Surgeon General, United States Public Health Service, Department of Health, Education, and Welfare.

§ 243.13 *Alien addict discharged from United States Public Health Service Hospital.* Any alien who has been sentenced to imprisonment and has been ordered deported and who has been transferred as an alien addict to a hospital of the United States Public Health Service provided for in the Public Health Service Act, as amended (58 Stat. 696; 42 U. S. C. 201 et seq.), shall be taken into custody upon his discharge from such narcotic farm and deported without requiring his return to the penal institution from which he came to such narcotic farm.

§ 243.14 *Notice to transportation line.* If an alien's deportation is to be effected by vessel or aircraft, notice of the proposed deportation shall be given to the

transportation line concerned, together with a brief description of the alien and any other appropriate data, including the cause of deportation, the alien's physical and mental condition, and the place to which the alien is to be taken by such line. Any request from such line to defer the delivery of the alien for deportation shall be accompanied by a written agreement from the line that it will be responsible for all detention expenses resulting from such deferment.

§ 243.15 *Deportation to foreign contiguous territory.* Aliens ordered deported to foreign contiguous territory shall be returned across the border at the nearest port unless humanitarian or other reasons make it advisable to effect deportation through some other port. Deportation to a seaport in such foreign territory shall be authorized whenever that appears advisable or more economical than deportation across a land boundary.

§ 243.31 *Fees.* Except as otherwise provided in this section and § 2.5 of this chapter, a stay of deportation requested by an alien under this part shall be accompanied by a fee of \$25 as prescribed by, and remitted in accordance with, the provisions of Part 2 of this chapter. In any case in which an alien or other party affected is unable to pay the fee for requesting a stay of deportation, he shall file with the request for a stay his affidavit stating the nature of the request for a stay, the affiant's belief that he is entitled to redress, his inability to pay the required fee, and request permission to prosecute the stay without prepayment of such fee. If such an affidavit is filed, the district director, if the request for a stay of deportation is made pursuant to the provisions of § 243.3 (b) (1), may, in his discretion, stay deportation without prepayment of fee. If such an affidavit is filed and the request for a stay of deportation is made pursuant to the provisions of § 243.3 (b) (2), the special inquiry officer shall, if he believes that the request for a stay is not made in good faith, certify in writing his reasons for such belief for consideration by the regional commissioner. The regional commissioner may, in his discretion, withhold deportation without prepayment of fee.

§ 244.15 *Extension of time to depart.* An application for extension of time within which to depart voluntarily from the United States in lieu of deportation shall be made to the officer having administrative jurisdiction of the office in which the case is pending. Such officer may, in his discretion, grant or deny the application. His decision shall be in writing and served upon the alien. The applicant shall be notified of the decision and, if the application is denied, of the reasons therefor and of his right to appeal within 10 days from the receipt of such notification in accordance with Part 7 of this chapter: *Provided*, That an appeal shall not lie from the decision denying an application on the ground that a quota immigrant visa is unavailable at the time the decision is rendered even though such a visa was available when the application was filed.

The notice shall also inform the person that he may submit, within 30 days from the date of service of the notice, an answer in writing under oath setting forth reasons why such rescission should not be made. The notice shall also advise the person that he may, within such period and upon his request have an opportunity to appear in person, in support or in lieu of his written answer, before an immigration officer designated for that purpose. The person shall further be advised that he may have the assistance of counsel without expense to the government of the United States in the preparation of his answer or in connection with his personal appearance and may examine the evidence upon which it is proposed to base such rescission at a Service office.

§ 246.12 *Disposition of case—(a) Allegations admitted or no answer filed.* If the answer admits the allegations in the notice, or if no answer is filed within the 30-day period, and the status of permanent resident was acquired through suspension of deportation under section 19 (c) of the Immigration Act of February 5, 1917 or under section 244 of the Immigration and Nationality Act, the district director shall forward the file and all of the papers to the regional commissioner, for further action in ac-

If the decision of the district director is that the adjustment of status should be rescinded, and the status of permanent resident was acquired through suspension of deportation under section 19 (c) of the Immigration Act of 1917 or under section 244 of the Immigration and Nationality Act, the district director shall serve a copy of his decision, including the report and recommendation of the immigration officer, upon the alien who shall be allowed ten days to file exceptions; thereafter, the record, including any exceptions filed by the alien, shall be forwarded to the regional commissioner for further action in accordance with section 246 of the Immigration and Nationality Act. The district director shall note on the report of the immigration officer whether he approves or disapproves the recommendation of the immigration officer. If the decision of the district director is that the matter be terminated, the alien shall be informed of such decision. If the decision of the district director is that the status of the alien should be adjusted to that of a nonimmigrant, his decision shall provide that unless the alien, within 10 days of receipt of notification of such decision, requests permission to retain his status as an immigrant and files with the district director Form I-508, the alien's immigrant status be adjusted to that of a nonimmigrant. The alien shall be informed of such decision and of the reasons therefor, and that he has 10 days from the receipt of notification of such decision within which he may appeal in accordance with Part 7 of this chapter. If the alien does not request that he be permitted to retain status and file the Form I-508 within the period provided therefor, the district director, without further notice to the alien, shall cause a set of Forms I-94 to be prepared evidencing the nonimmigrant classification to which the alien has been adjusted. Form I-94A shall be delivered to the alien. The alien's nonimmigrant status shall be for such time, under such conditions, and subject to such regulations as are applicable to the particular nonimmigrant status created and shall be subject to such other terms and conditions, including the exaction of bond, as the district director may deem appropriate.

§ 247.13 *Disposition of Form I-508.* If Form I-508 is executed and filed, the duplicate copy thereof shall be filed in

the office of the Assistant Commissioner, Examinations Division, and may be made available for inspection by any interested officer or agency of the United States.

§ 252.1 *Examination of crewmen—(a) Detention prior to examination.* All persons employed in any capacity on board any vessel or aircraft arriving in the United States shall be detained on board the vessel or at the airport of arrival by the master or agent of such vessel or aircraft until admitted or otherwise permitted to land by an officer of the Service.

(b) *Classes of aliens subject to examination under this part.* The examination of every alien crewman arriving in the United States shall be in accordance with this part and not otherwise except that the following classes of persons employed on vessels or aircraft shall be examined in accordance with the provisions of Parts 235, 236, and 237 of this chapter: (1) Aliens in possession of an immigrant visa, reentry permit, or a Form I-151 alien registration receipt card, applying for admission as immigrants; (2) Canadian or British citizen crewmen of Great Lakes vessels; or (3) Canadian or British citizen crewmen of aircraft arriving directly in Alaska or the continental United States on flights originating in Canada.

(c) *Requirements for admission.* Every alien crewman applying for landing privileges in the United States must make his application in person before an immigration officer, present whatever documents are required, and establish to the satisfaction of the immigration officer that he is not subject to exclusion under any provision of law and is entitled clearly and beyond doubt to landing privileges in the United States.

(d) *Authorization to land.* The examining immigration officer in his discretion may grant an alien crewman authorization to land temporarily in the United States for (1) shore leave purposes during the period of time the vessel or aircraft is in the port of arrival or other ports in the United States to which it proceeds directly without touching at a foreign port or place, not exceeding twenty-nine days in the aggregate, if the immigration officer is satisfied that the crewman intends to depart on the vessel on which he arrived or on another aircraft of the same transportation line, or (2) the purpose of obtaining employment and departing from the United States on another vessel than the one on which he arrived, within a period of twenty-nine days, if the immigration of-

(e) *Conditional permits to land.* The examining immigration officer shall give to each alien nonimmigrant crewman permitted to land temporarily a copy of the Form I-95 presented by the crewman, endorsed to show the date and place of admission and the type of conditional landing permitted.

(f) *Change of status.* An alien nonimmigrant crewman landed pursuant to the provisions of this part shall be ineligible for any extension of stay beyond twenty-nine days or for a change of nonimmigrant classification under Part 248 except that a crewman who has been given a conditional landing permit under paragraph (d) (1) of this section may, within the period of its validity and while he is still maintaining his status, apply for a conditional landing permit under paragraph (d) (2) of this section and, upon approval of such application, he shall surrender his original landing permit and shall be given a copy of a new Form I-95, endorsed to show the landing authorized under paragraph (d) (2) of this section for the balance of the twenty-nine days remaining to him.

§ 252.2 *Revocation of conditional landing permits; deportation.* An alien permitted to land conditionally under § 252.1 (d) (1) may, within the period of time for which he was permitted to land, be taken into custody by any immigration officer without a warrant of arrest and be transferred to the vessel upon which he arrived in the United States, if such vessel is in any port of the United States and has not been in a foreign port or place since the crewman was issued his conditional landing permit, upon a determination by the immigration officer that the alien crewman is not a bona fide crewman or that he does not intend to depart on the vessel on which he arrived in the United States. The conditional landing permit of such an alien crewman shall be taken up and revoked by the immigration officer and a notice to detain and deport such alien crewman shall be served on the master of the vessel on Form I-259. On the written request of the master of the vessel, the crewman may be detained and deported, both at the expense of the transportation line on whose vessel he arrived in the United States, other than on the vessel on which he arrived in the United States, if detention or deportation on such latter vessel is impractical.

§ 252.3 *Great Lakes vessels; special procedures.* An immigration examination shall not be required of any crewman aboard a Great Lakes vessel arriving at a port of the United States for a period of less than twenty-four hours, who (a) has previously been examined by an immigration officer as a member of the crew of the same vessel and (b) is either a British or Canadian citizen or is in possession of a Form I-95 previously issued to him as a member of the crew of the same vessel during the same

Unless the Public Health Surgeon at the first port certifies that such parole be effected immediately for emergent reasons, the district director may defer execution of parole to a subsequent port of the United States to which the vessel or aircraft will proceed, if facilities not readily available at the first port are readily available at such subsequent port of call. Notice to remove an afflicted alien crewman shall be served by the examining immigration officer upon the master or agent of the vessel or aircraft on Form I-259 and shall specify the date when and the place to which such alien crewman shall be removed and the reasons therefor.

whose district the port is located, in the custody of the appropriate foreign consul or the agent of the aircraft or vessel which was wrecked or from which such seaman or airman was removed, for the purpose of treatment or observation in a hospital, if such is required, and for departure to the appropriate foreign country by the most direct and expeditious route.

(d) *Crewman denied conditional landing permit.* Any alien crewman denied a conditional landing permit or whose conditional landing permit issued under § 252.1 (d) (1) is revoked may, upon the request of the master or agent, be paroled into the United States under section 212 (d) (5) of the act in the custody of the agent of the vessel or aircraft and at the expense of the transportation line for medical treatment or observation or for other reasons deemed strictly in the public interest.

§ 253.2 *Termination of parole.* At the termination of the period of the parole specified in § 253.1, or when the purpose of the parole specified therein has been served, the alien crewman, if in the United States, shall be returned to the custody from which he was paroled and his case dealt with in the same manner as any other applicant for a conditional landing permit.

If doubt arises as to the location of the alien's file, the alien registration receipt card shall be forwarded to the Central Office for appropriate disposition.

(e) *Carrying and possession of proof of alien registration.* The provisions of section 264 (e) of the Immigration and Nationality Act shall be applicable to every receipt card, certificate, or other document or paper referred to in this section as constituting evidence of alien registration.

(f) *Limited effect of issuance of alien registration receipt card.* The issuance of an alien registration receipt card or its equivalent shall not relieve the alien, or his parent or guardian, from full compliance with any and all laws and regulations of the United States now existing or hereafter made concerning aliens; nor shall it be construed to confer upon the alien or his parent or guardian immunity from any liability, penalty or punishment incurred by the alien or his parent or guardian for violation of any law of the United States occurring either before or after the issuance of such card.

§ 264.2 *Registration officers.* Immigration officers and any officer or employee of the United States selected by the Commissioner are designated registration officers and authorized to register aliens under Chapter 7 of Title II of the Immigration and Nationality Act. Any registration officer may prepare any registration form required to be executed by an alien upon the basis of information furnished by such alien.

§ 264.3 *Place of registration.* Any alien in the United States who is required to apply for registration under the provisions of section 262 of the Immigration and Nationality Act shall do so at any office in which any person designated in § 264.2 as a registration officer is serving as such, except as otherwise indicated in § 263.3 of this chapter, and except that the district director may make such special arrangements as he deems necessary for the registration of aliens in his district who are aged, infirm, or incapacitated.

Information from such records shall be made available only to such persons or agencies as may be designated by the Commissioner. Persons or agencies designated to receive such in-

§ 264.5 *Replacement of alien registration receipt cards.* Any alien in the United States whose alien registration receipt card has been lost, mutilated, or destroyed, shall immediately apply for a new alien registration receipt card on Form I-90. Any alien lawfully in the United States for permanent residence whose name has been legally changed after registration or who is not in possession of Form I-151 may also apply on Form I-90 for a new alien registration receipt card. No appeal shall lie from the decision of the officer denying the application.

§ 264.11 *Form of registration.* Any alien required to be registered in the United States shall, except as otherwise provided in this chapter, be registered on Form AR-2 and, where necessary, Form AR-2a. Except as provided in § 263.3 (a) of this chapter, the alien shall be fingerprinted on Form AR-4 and when the alien is registered on Form AR-2, the registration officer shall take an imprint of the alien's right index finger in the space provided therefor on Form AR-2.

§ 264.12 *Manner of registration—*
(a) *Duties of registration officers.* The registration officer shall complete the registration forms prescribed by this part in the English language from the information furnished by the alien and all fingerprints shall be taken by such officer. When an alien other than a lawful permanent resident is registered on Form AR-2, the registration officer shall issue Form I-94A or I-95A to the alien and shall endorse such form to show that he has registered under the act.

(b) *Information required for registration.* The information which the alien or his parent or legal guardian must furnish under oath shall be such as is required by the forms prescribed in this part or as may be required hereafter under the authority of the Immigration and Nationality Act. Name or names shall be given in the English alphabet and the date of birth shall be stated by giving the month, day and year in that sequence.

(c) *Persons who believe themselves not subject to registration.* If any person indicates to the registration officer that he does not believe himself subject to registration under the Immigration and Nationality Act but is registering for his own protection, the registration officer shall make the following notation on the margin of the registration form at the conclusion of the registration: "Applicant doubts need for registration."

(d) *Registration in behalf of insane or incompetent aliens.* Any alien who is insane or otherwise incompetent or of unsound mind may be registered by his legal guardian, trustee, or committee or by such other person as may be charged by law with his care and custody. Any

person registering in behalf of an alien herein described, shall answer to the best of his knowledge and ability the questions required to be put to the registering alien and shall swear or affirm to the best of his knowledge and belief that such alien is incompetent. Such alien, if 14 years of age or older, shall be fingerprinted if possible.

§ 280.1 *Notice of intention to fine; administrative proceedings not exclusive.* Whenever a district director has reason to believe that any person has violated any of the provisions of the Immigration and Nationality Act and has thereby become liable to the imposition of an administrative fine under the Immigration and Nationality Act, he shall cause a Notice of Intention to Fine, Form I-79, to be served as provided in this part. Nothing in this subchapter shall affect, restrict, or prevent the institution of a civil suit, in the discretion of the Attorney General, under the authority contained in section 280 of the Immigration and Nationality Act.

§ 280.2 *Special provisions relating to aircraft.* In any case in which the imposition of a fine is predicated upon an alleged violation of a regulation promulgated under authority of section 239 of the Immigration and Nationality Act, the procedure prescribed in this part shall be followed, and the aircraft involved shall not be granted clearance pending determination of the question of liability

to the payment of any fine, or while the fine remains unpaid; but clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine or of a bond with sufficient surety to secure the payment thereof, approved by the collector of customs. If the alleged violation was by the owner or person in command of the aircraft, the penalty provided for shall be a lien against the aircraft, which, except as provided in § 280.21, shall be seized by the district director or by an immigration officer designated by the district director, and placed in the custody of the customs officer who is in charge of the port of entry or customs station nearest the place of seizure. If the owner or owners of the airport at which such aircraft is located are the owners of the seized aircraft, the aircraft shall be removed to another suitable place for storage if practicable.

§ 280.3 *Departure of vessel or aircraft prior to denial of clearance.* If any vessel or aircraft which is subject to the imposition of a fine shall have departed from the United States prior to the denial of clearance by the collector of customs and such vessel or aircraft is subsequently found in the United States, a Notice of Intention to Fine, Form I-79, shall be served as provided in this part, if such form has not been previously served for the same violation. Clearance of such vessel or aircraft shall be withheld by the collector of customs, and the procedure prescribed in this part shall be followed to the same extent and in the same manner as though the vessel or aircraft had not departed from the United States. Aircraft subject to the provisions of § 280.2, which shall have departed from the United States prior to the time seizure could be effected, shall be subject to all of the provisions of this part, if subsequently found in the United States, to the same extent as though it had not departed from the United States.

§ 280.4 *Data concerning cost of transportation.* Within five days after request therefor, transportation companies shall furnish to the district director pertinent information contained in the original transportation contract of all rejected aliens whose cases are within the purview of any of the provisions of the Immigration and Nationality Act relating to refund of passage monies, and shall specify the exact amounts paid for transportation from the initial point of departure (which point shall be indicated) to the foreign port of embarkation, from the latter to the port of arrival in the United States and from the port of arrival to the inland point of destination, respectively, and also the amount paid for headtax, if any.

§ 280.5 *Mitigation or remission of fines.* In any case in which mitigation or remission of a fine is authorized by the Immigration and Nationality Act, the party served with Notice of Intention to Fine may apply in writing to the district director for such mitigation or remission.

§ 280.11 *Notice of intention to fine; procedure.* Notice of Intention to Fine, Form I-79, shall be prepared in triplicate, with one additional copy for each additional person on whom the service of such Notice is contemplated. The Notice shall be addressed to any or all of the available persons subject to fine. A copy of the Notice shall be served on each such person by (a) delivering it to him in person, or (b) leaving it at his office, or (c) mailing it to him at his office whenever the district director ascertains that the other two methods of service are inconvenient or impossible. If the Notice is served personally, the person upon whom it is served shall be requested to acknowledge such service by signing his name to the duplicate and triplicate copies. The officer effecting such service shall attest to the service by signing his name thereon and shall indicate thereon the date and place of service. If the person so served refuses to acknowledge service, or if service is made by leaving it at an office or mailing it, the person making such service shall indicate the method and date on the duplicate and triplicate copies of Form I-79, and shall sign his name upon such copies. The duplicate copy shall be retained by the district director and the triplicate copy shall be delivered directly to the collector of customs for the district in which the vessel or aircraft is located, and the collector shall withhold clearance until deposit is made or bond furnished as provided in the Immigration and Nationality Act. If the vessel or aircraft is located in a customs district which is outside the jurisdiction of the office of the Service having jurisdiction over the matter, the triplicate copy shall be forwarded to the office of the Service nearest such customs district for delivery to the collector of customs.

§ 280.12 *Answer and request or order for interview.* Within 30 days following the service of the Notice of Intention to Fine (which period the district director may extend for an additional period of 30 days upon good cause being shown), any person upon whom a notice under this part has been served may file with the district director a written defense, in duplicate, under oath setting forth the reasons why a fine should not be imposed, or if imposed, why it should be mitigated or remitted if permitted by the Immigration and Nationality Act, and stating whether a personal appearance is desired. Documentary evidence shall be submitted in support of such defense and a brief may be submitted in support of any argument made. If a personal interview is requested, the evidence in

opposition to the imposition of the fine and in support of the request for mitigation or remission may be presented at such interview. An interview shall be conducted if requested by the party as provided hereinabove or, if directed at any time by the Board, the Commissioner, or the district director.

§ 280.13 *Disposition of case—(a) Allegations admitted or no answer filed.* If a request for personal appearance is not filed and (1) the answer admits the allegations in the notice, or (2) no answer is filed, the district director shall enter such order in the case as he deems appropriate and no appeal from his decision may be taken.

(b) *Answer filed; personal appearance.* Upon receipt of an answer asserting a defense to the allegations in the notice without requesting a personal appearance, or if a personal appearance is requested or directed, the case shall be assigned to an immigration officer. The immigration officer shall prepare a report summarizing the evidence and containing his findings and recommendation. The record, including the report and recommendation of the immigration officer, shall be forwarded to the district director. The district director shall note on the report of the immigration officer whether he approves or disapproves the recommendation of the immigration officer. The person shall be informed in writing of the decision of the district director and, if his decision is that a fine shall be imposed or that the requested mitigation or remission shall not be granted, of the reasons for such decision. From the decision of the district director an appeal may be taken to the Board within 10 days of the receipt of notification of the decision, as provided in Part 6 of this chapter.

§ 280.14 *Record.* The record made under § 280.13 shall include the request for the interview or a reference to the order directing the interview; the medical certificate, if any; a copy of any record of hearing before a Board of Special Inquiry, Hearing Examiner, Hearing Officer, or Special Inquiry Officer which is relevant to the fine proceedings; the duplicate copy of the Notice of Intention to Fine; the evidence upon which such Notice was based; the duplicate of any notices to detain, deport, deliver, or remove aliens; notice to pay expenses; evidence as to whether any deposit was made or bond furnished in accordance with the Immigration and Nationality Act; reports of investigations conducted; documentary evidence and testimony adduced at the interview; the original of any affidavit or brief filed in opposition to the imposition of fine; the application for mitigation or remission; and any other relevant matter.

§ 280.15 *Notice of final decision to collector of customs.* At such time as the decision under this part is final, the regional administrative officer shall be furnished a copy of the decision by the district director. The regional administrative officer shall notify the collector of customs who was furnished a copy of the Notice of Intention to Fine of the final decision made in the case. Such

notification need not be made if the regional administrative officer has been previously furnished with a notice of collection of the amount of the penalty by the collector of customs.

§ 280.21 *Seizure of aircraft.* Seizure of an aircraft under the authority of section 239 of the Immigration and Nationality Act, and § 280.2 will not be made if such aircraft is damaged to an extent that its value is less than the amount of the fine which may be imposed. Immediately upon the seizure of an aircraft, or prior thereto, if circumstances permit, a full report of the facts in the case shall be submitted by the district director to the United States Attorney for the district in which the seizure was made. The report shall include the cost incurred in seizing and guarding the aircraft and an estimate of the further additional cost likely to be incurred.

§ 280.51 *Application for mitigation or remission—(a) When application may be made.* An application for mitigation or remission shall be filed (1) within 30 days after the service of the Notice of Intention to Fine and, if an answer is filed as provided in § 280.12, with such answer, for consideration in the event a fine is found to have been incurred, or (2) within 30 days after receipt of the final decision with respect to the fine.

(b) *Form and contents of application.* An application for mitigation or remission shall be filed in duplicate under oath and shall include information, supported by documentary evidence, as to the basis of the claim to mitigation or remission, and as to the action, if any, which may have been taken by the applicant, or as to the circumstances present in the case which, in the opinion of the applicant, justified the granting of his application.

(c) *Disposition of application.* The application, if filed with the answer, shall be disposed of as provided in § 280.13. In any other case, the application shall be considered and decided by the district director from whose decision an appeal may be taken to the Board within 10 days from receipt of notification of such decision, as provided in Part 6 of this chapter.

§ 287.4 *Subpena—(a) Who may issue.* Except as provided in § 335.11 of this chapter, subpoenas requiring the attendance of witnesses or the production of documentary evidence, or both, may be issued upon his own volition by a district director or special inquiry officer in any proceeding pending before him, or upon application of an officer of the Service, or upon written application of the alien or other party affected. If an alien or other party affected by a proceeding before the Service requests that a witness be subpoenaed to testify or to produce books, papers or documents in such proceeding before the Service, he shall be required as a condition precedent to the issuance of the subpoena to state in writing what he expects to prove by such witness or the books, papers, or documents and to show affirmatively that the proposed evidence is relevant and material and that he has made diligent efforts without success to produce the same. Upon determining that a witness whose evidence is desired either by the Service officer or the alien or other party affected will not appear and testify or produce documentary evidence unless commanded to do so and that the testimony and evidence of such witness is essential, the district director or a special inquiry officer in any proceeding pending before him, shall issue a subpoena. If the witness is at a distance of more than 100 miles from the place of hearing, the subpoena shall provide for the witness' appearance at the field office nearest to him to respond to oral or written interrogatories, unless the Service indicates that there is no objection to bringing the witness the distance required to enable him to testify in person at the hearing.

(b) *Form.* Every subpoena issued under the provisions of this section shall state the title of the proceeding and shall command the person to whom it is directed to attend and give testimony at a time and place therein specified. (c) *Service.* A subpoena issued under this section may be served by any person over 18 years of age not a party to the case designated to make such service by the district director having administrative jurisdiction over the office in which the subpoena is issued. When the subpoena is issued on behalf of the Service, fee and mileage need not be tendered at the time of service. A record of such service shall be made and attached to the original copy of the subpoena.

(d) *Invoking aid of court.* If a witness neglects or refuses to appear and testify as directed by the subpoena served upon him in accordance with the provisions of this section, the district director issuing the subpoena shall request the United States Attorney for the proper district to report such neglect or refusal to the appropriate United States District Court and to request such court to issue an order requiring the witness to appear and testify and to produce the books, papers or documents designated in the subpoena. If the subpoena was issued by a special inquiry officer, he shall request the district director having administrative jurisdiction over him to take the action referred to in the previous sentence in the event the witness neglects or refuses to appear and testify as directed by the subpoena served upon him.
